Please follow this link to purchase a copy of the original book: <https://amzn.to/2Tsnz9k> THE BOOK: The 48 Laws of Power takes an irreverent look at the fundamental characteristics of power, and how to understand it, defend against it and use it to your advantage These blinks offer compelling insights, backed by historical examples, into the dynamics of competition and control. ABOUT THE AUTHOR: Robert Greene is an American author, public speaker and graduate of the University of California, Berkeley. The 48 Laws of Power is the first of five international bestsellers penned by Green about strategy, power and success. INTRODUCTION: As a child, entering primary school can be a bit of a shock. If you were raised by conscientious parents and believed everything

they told you about honesty and fairness, chances are there was a steep learning curve ahead of you when lumped in with your new classmates. Suddenly it became clear that fairness is for suckers and wimps! The reality is, always trying to be fair can seriously hamper your success. Of course, if you're a top-level business manager or politician, you already knew that. But there is hope even if you're not. Robert Greene was once just like you, but decided to look deep into the history and machinations of power to learn all about how to gain it, use it and defend against abuse of it. He came up with a whopping 48 laws of power, and this summary guide will focus on the seven most illuminating ones. In this summary guide, you'll discover- How a beginner's mistake can help you win a chess tournament; -Why a minister was thrown into a dungeon for throwing a party for his king; -And how, sometimes, your best chance of winning a battle is to surrender.
