

The Fifteen Lives Of Harry August

Robert Colacurcio

The First Fifteen Lives of Harry August Claire North, 2014-04-08 Wildly original, funny and moving, *The First Fifteen Lives of Harry August* is an extraordinary story of a life lived again and again from World Fantasy Award-winning author Claire North. Harry August is on his deathbed. Again. No matter what he does or the decisions he makes, when death comes, Harry always returns to where he began, a child with all the knowledge of a life he has already lived a dozen times before. Nothing ever changes. Until now. As Harry nears the end of his eleventh life, a little girl appears at his bedside. I nearly missed you, Doctor August, she says. I need to send a message. This is the story of what Harry does next, and what he did before, and how he tries to save a past he cannot change and a future he cannot allow.

While There's Still Time Robert Colacurcio, 2018-09-24 This collection of essays is intended to be a sequel to my previous book, *On the True Nature of the Soul: Essays for the Seriously Curious*. The basic themes are the illusory nature of time, its swift passing, and ways to make better use of it while we have it. The addendum at the end of each essay is meant to give the reader a way to practically apply the ideas in the essay. Everything I have written, including this book, is a development of two basic ideas: 1) we are here to see through the illusion of our separateness and 2) the soul is the potential to be one with all things. The subject matter of these essays can be succinctly stated as the timeless nature of the soul incarnate as it struggles to realize that nature in time.

Touch Claire North, 2015-02-24 *Touch* is an electrifying thriller by the author of *The First Fifteen Lives of Harry August* and *84K*. He tried to take my life. Instead, I took his. It was a long time ago. I remember it was dark, and I didn't see my killer until it was too late. As I died, my hand touched his. That's when the first switch took place. Suddenly, I was looking through the eyes of my killer, and I was watching myself die. Now switching is easy. I can jump from body to body, have any life, be anyone. Some people touch lives. Others take them. I do both. More by Claire North: *The Gameshouse* *84K* *The End of the Day* *The Sudden Appearance of Hope* *Touch* *The First Fifteen Lives of Harry August*

The Sudden Appearance of Hope Claire North, 2016-05-17 The World Fantasy Award-winning thriller about a girl no one can remember, from the acclaimed author of *The First Fifteen Lives of Harry August* and *84K*. My name is Hope Arden, and you won't know who I am. But we've met before -- a thousand times. It started when I was sixteen years old. A father forgetting to drive me to school. A mother setting the table for three, not four. A friend who looks at me and sees a stranger.

No matter what I do, the words I say, the crimes I commit, you will never remember who I am. That makes my life difficult. It also makes me dangerous. The Sudden Appearance of Hope is a riveting and heartbreaking exploration of identity and existence, about a forgotten girl whose story will stay with you forever.

The Time Machine Hypothesis Damien Broderick, 2019-07-12 Every age has characteristic inventions that change the world. In the 19th century it was the steam engine and the train. For the 20th, electric and gasoline power, aircraft, nuclear weapons, even ventures into space. Today, the planet is awash with electronic business, chatter and virtual-reality entertainment so brilliant that the division between real and simulated is hard to discern. But one new idea from the 19th century has failed, so far, to enter reality—time travel, using machines to turn the time dimension into a two-way highway. Will it come true, as foreseen in science fiction? Might we expect visits to and from the future, sooner than from space? That is the Time Machine Hypothesis, examined here by futurist Damien Broderick, an award-winning writer and theorist of the genre of the future. Broderick homes in on the topic through the lens of science as well as fiction, exploring some fifty different time-travel scenarios and conundrums found in the science fiction literature and film.

The Pursuit of William Abbey Claire North, 2019-11-12 A hauntingly powerful novel about how the choices we make can stay with us forever, by the award-winning author of *The First Fifteen Lives of Harry August* and *84K*. South Africa in the 1880s. A young and naive English doctor by the name of William Abbey witnesses the lynching of a local boy by the white colonists. As the child dies, his mother curses William. William begins to understand what the curse means when the shadow of the dead boy starts following him across the world. It never stops, never rests. It can cross oceans and mountains. And if it catches him, the person he loves most in the world will die. Gripping, moving, and thought-provoking, *The Pursuit of William Abbey* proves once again that Claire North is one of the most innovative voices in modern fiction. Previous books by Claire North: *The First Fifteen Lives of Harry August* *Touch* *The Sudden Appearance of Hope* *The End of the Day* *84K* *The Gameshouse* Previous books written as Kate Griffin: *Matthew Swift* novels: *A Madness of Angels* *The Midnight Mayor* *The Neon Court* *The Minority Council* *Magicals* Anonymous novels: *Stray Souls* *The Glass God*

Notes from the Burning Age Claire North, 2021-07-20 “ONE OF THE BEST BOOKS I’VE READ IN RECENT YEARS. THOUGHT PROVOKING, IMAGINATIVE AND PACKS A HELL OF AN EMOTIONAL PUNCH.” —Adrian Tchaikovsky, author of *Children of Time* From one of the most imaginative writers of her generation comes an extraordinary vision of the future... Ven was once a holy man, a keeper of ancient archives. It was his duty to interpret archaic texts, sorting useful knowledge from the heretical ideas of the Burning Age—a time of excess and climate disaster. For in Ven's world, such material must be closely guarded so that the ills that led to that cataclysmic era can never be repeated. But when the revolutionary Brotherhood approaches Ven, pressuring him to translate stolen writings that threaten everything he once held dear, his life will be turned upside down. Torn between friendship and faith, Ven must decide how far he's willing to go to save this new

world—and how much he is willing to lose. “A riveting tale of subterfuge and deadly self-indulgence” (Publishers Weekly, starred review) from award-winning author Claire North, *Notes from the Burning Age* puts dystopian fiction in a whole new light. Also by Claire North: *The First Fifteen Lives of Harry August* *Touch The Sudden Appearance of Hope* *The End of the Day* *84K* *The Gameshouse* *The Pursuit of William Abbey*

84K Claire North, 2018-05-22 A powerful dystopian vision of a world where money reigns supreme, from a World Fantasy Award-winning author. An extraordinary novel that stands with the best of dystopian fiction, with dashes of *The Handmaid's Tale*. -- Cory Doctorow The penalty for Dani Cumali's murder: \$84,000. Theo works in the Criminal Audit Office. He assesses each crime that crosses his desk and makes sure the correct debt to society is paid in full. These days, there's no need to go to prison -- provided that you can afford to pay the penalty for the crime you've committed. If you're rich enough, you can get away with murder. But Dani's murder is different. When Theo finds her lifeless body, and a hired killer standing over her and calmly calling the police to confess, he can't let her death become just an entry on a balance sheet. Someone is responsible. And Theo is going to find them and make them pay. Perfect for fans of *1984* and *Never Let Me Go*, Claire North's moving and unnerving new novel will resonate with readers around the world.

The Hundred Loves of Juliet Evelyn Skye, 2024-05-07 A writer who craves a real-life happily ever after and a gruff fisherman who doesn't believe in them find out they're part of the greatest love story of all time. “Cleverly imagines the epilogue Romeo and Juliet didn't get to have, and how curses can be blessings in disguise.”—JODI PICOULT A POPSUGAR BEST BOOK OF THE YEAR After a bad breakup, Helene Janssen runs away to Alaska to find some peace and quiet. She's been dreaming up bits and pieces of a novel for years and hopes to finally have time to write it. On her first night there, Helene meets Sebastien Montague, a crab fisherman who looks exactly like the hero in the book she's working on. But how is that even possible? Sebastien seems to recognize Helene, too, but he lies about it and brushes her off, even though their chemistry is immediate and undeniable. This is because their love story defies the ages: She is Juliet, reincarnated, and he is Romeo, lost in time. And if Helene can convince Sebastien to give her a chance, maybe this time they can rewrite their ending and find a true happily-ever-after.

Die vielen Leben des Harry August Claire North, 2015-11-12 MANCHMAL IST EIN LEBEN NICHT GENUG, UM DIE WELT ZU RETTEN! Harry August stirbt. Mal wieder. Es ist das elfte Mal, dass Harrys Leben ein Ende findet. Und er weiß genau, wie es weitergehen wird: Er wird erneut im Jahr 1919 geboren werden - mit all dem Wissen seiner vorherigen Leben. Harry hat akzeptiert, dass er in dieser Zeitschleife festhängt, auch wenn er nicht weiß, wieso. Doch dann steht plötzlich ein junges Mädchen an seinem Sterbebett und überbringt ihm eine erschütternde Botschaft: Der Untergang der Welt steht bevor! Und das auslösende Ereignis findet vermutlich zu Beginn des 20. Jahrhunderts statt. Harry, der bald wieder im Jahr 1919 sein wird, muss nun nicht weniger tun, als diese Zukunft zu verhindern ... Meisterhaft erzählt - ein bemerkenswertes

Buch! Booklist
