*The Worst Woman in London* Julia Bennet, 2024 James Standish knows how to play society's game: marry a debutante and inherit a massive fortune. At least, that's the plan until he meets Francesca Thorne. She's not the sort of woman a respectable gentleman like James could marry--not least because she's married already to James's friend Edward. Francesca is determined to flout convention and divorce her philandering husband. When her James sweet-talks his way into her life--tasked with convincing Francesca to abandon her dream of freedom--she's unprepared for the passion that flares between them. Torn apart by conflicting desires, they must choose whether to keep chasing the lives they've always wanted or to take a chance on a new and forbidden love.

**The Worst Woman in London** Julia Bennet, 2023 James Standish knows how to play society's game. He'll follow the rules, marry a virginal debutante, and inherit a massive fortune. At least, that's the plan until he meets Francesca Thorne. She's not the sort of woman a respectable gentleman like James could ever marry—not least because, strictly speaking, she's married already. Francesca is determined to flout convention and divorce her philandering husband. When James sweet talks his way into her life tasked with convincing her to abandon her dream of freedom, she's unprepared for the passion that flares between them. Torn apart by conflicting desires, James and Francesca must choose whether to keep chasing the lives they've always wanted or take a chance on a new and forbidden love.. --Publisher's description.

Queens of the Underworld Caitlin Davies,2021-10-14 'This book is an extremely important part of women's social history. Read it!' - Maxine Peake Robin Hood, Dick Turpin, Ronnie Biggs, the Krays ... All have become folk heroes, glamorised and romanticised, even when they killed. But where are their female equivalents? Where are the street robbers, gang leaders, diamond thieves, gold smugglers and bank robbers? Queens of the Underworld reveals the incredible story of female crooks from the seventeenth century to the present. From Moll Cutpurse to the Black Boy Alley Ladies, from jewel thief Emily Lawrence to bandit leader Elsie Carey and burglar Zoe Progl, these were charismatic women at the top of their game. But female criminals have long been dismissed as either not 'real women' or not 'real criminals', and in the process their stories have been lost. Caitlin Davies unravels the myths, confronts the lies and tracks down modern-day descendants in order to tell the truth about their lives for the first time.
