**Sarah E. Maier, Brenda Ayres**

**Revelations** Xavier Reyes-Ayral, 2022-05-31 From 1846 to the present day, the Vatican has maintained quite the same message brought forth from Heaven by different messengers across time and across vast distances and continents. This message echoes the gravest of admonitions and calls mankind to convert and find refuge through the knowledge of the truth, which today threatens the very basis of world peace... Today, in 2022, the message of La Salette, La Fraudais, Tilly, Fatima, Garabandal, Akita and Medjugorje, and their secrets take a meaning of the greatest importance, as the admonitions brought forth by the Blessed Virgin Mary warn of a cataclysmic global disaster which has now become imminent. The Church's apprehension of frightening the masses, inspired inaction and Rome's decision to silence – founded more on fear than on caution – led millions of faithful to the darkness of ignorance and, therefore, to a lack of necessary conversion, prayers and intercession for peace. This book proposes unveiling the light and, thus, asking humanity to respond to the call of a warm and loving mother who merely seeks the salvation of her children.

**Confrontation with Evil** Steven A. LaChance, 2017-02-08 For Steven A. LaChance, the possession case that inspired *The Exorcist* has always felt . . . incomplete. In this book, he shows how the official account crumbles under scrutiny, revealing instead a story of familial horror and spiritual corruption that implicates the highest levels of the Catholic Church. Known as the 1949 St. Louis Exorcism, the harrowing story of a possessed child and his terrified family was immortalized in *The Exorcist*. While theories and rumors about the case abound, none of them explain how a young child could have been possessed to the degree described in Father Raymond Bishop's infamous diary. Join Steven A. LaChance—author, investigator, and himself the survivor of a long-term demonic attack—as he shares shocking evidence for how seemingly benign events progressed into a full-blown demonic possession. While the conventional story is that the boy brought the infestation upon himself, this book presents an alternative interpretation and provides new insights into the nature of possession itself. As LaChance gains access to a secret location that plays a crucial role in the story, he sheds new light on how the exorcism's bizarre aftermath continues to haunt the city of St. Louis and the Catholic Church to this day.

*The Dancer and the Devil* John E. O'Neill, Sarah C. Wynne, 2022-04-26 Communism must kill what it cannot control. So for a century, it has killed artists, writers, musicians, and even dancers. It kills them secretly, using bioweapons and poison to escape accountability. Among its victims was Anna Pavlova, history's greatest dancer, who was said to have God-given wings

and feet that never touched the ground. But she defied Stalin, and for that she had to die. Her sudden death in Paris in 1931 was a mystery until now. The Dancer and the Devil traces Marxism's century-long fascination with bioweapons, from the Soviets' leak of pneumonic plague in 1939 that nearly killed Stalin to leaks of anthrax at Kiev in 1972 and Yekaterinburg in 1979; from the leak of a flu in northeast China in 1977 that killed millions to the catastrophic COVID-19 leak from biolabs in Wuhan, China. Marxism's dark past must not be a parent to the world's dark future. COMMUNIST CHINA PLAYED WITH FIRE AND THE WORLD IS BURNING Nearly ten million people have died so far from the mysterious Covid-19 virus. These dead follow a long line of thousands of other brave souls stretching back nearly a century who also suffered mysterious "natural" deaths, including dancers, writers, saints and heroes. These honored dead should not be forgotten by amnesiac government trying to avoid inconvenient truth. The dead and those who remember and loved them deserve answers to two great questions. How? Why? The Dancer and the Devil answers these questions. It tracks a century of Soviet and then Chinese Communist poisons and bioweapons through their development and intentional use on talented artists and heroes like Anna Pavlova, Maxim Gorky, Raoul Wallenberg and Alexis Navalny. It then tracks leaks of bioweapons beginning in Saratov, Russia in 1939 and Soviet Yekaterinburg in 1979 through Chinese leaks concluding in the recent concealed leak of the manufactured bioweapon Covid-19 from the military lab in Wuhan, China. Stalin, Putin, and Xi, perpetrators of these vast crimes against humanity itself, should not be allowed to escape responsibility. This book assembles the facts on these cowardly murderers, calling them to account for their heartless crimes against man concluding in Covid-19.

**An Exorcist Explains the Demonic** Fr. Gabriele Amorth, 2016-10-31 Fr. Gabriele Amorth, the renowned exorcist in Rome, gives us this powerful, eye-opening book on the deadly antics of Satan and his fallen angels.

The Saint I Knew! Kevin Wilson, 2025-06-17 Each of us has the potential to become a saint. We're especially reminded of this when we receive the Sacrament of Confirmation as a teenager and choose a saint as our patron and inspiration, to go forth boldly as a soldier for Christ to live and proclaim our Catholic faith. Who better than the saints and blessed to inspire us in the battle of life? In this imaginative work of historical fiction, Kevin Wilson places you inside the story of a saint or blessed, experiencing their stories as they unfold. You'll discover that holy men and women of the 20th century were courageous and battle-hardened. They fought evil but with weapons of prayer, Rosary beads, and acts of goodwill, often with similar results, and in some situations also laying down their lives for others. But they were also common people, just like us, so you never know — you might be talking or sitting next to a future saint. May these stories enlighten readers, especially teens and young adults, to realize this importance of holiness and rise above. As Bl. Carlo Acutis (soon to be a saint!) stated, All people are born as originals, but many die as photocopies.

**Inside the Vatican**, 1993

*An Exorcist Tells His Story* Gabriele Amorth, 2015-07-21 In this powerful book, the renowned exorcist of Rome tells of his many experiences in his ministry as an exorcist doing battle with Satan to relieve the great suffering of people in the grip of evil. The importance of the ministry to expel demons is clearly seen in the Gospels, from the actions of the Apostles, and from Church history. Fr. Amorth allows the reader to witness the activities of the exorcist, to experience what an exorcist sees and does. He also reveals how little modern science, psychology, and medicine can do to help those under Satan's influence, and that only the power of Christ can release them from this kind of mental, spiritual or physical suffering. *An Exorcist Tells His Story* has been a European best-seller that has gone through numerous printings and editions. No other book today so thoroughly and concisely discusses the topic of exorcism.

*Crisis*, 2002 A journal of lay Catholic opinion.

**Neo-Gothic Narratives** Sarah E. Maier, Brenda Ayres, 2020-03-31 Neo-Gothic Narratives defines and theorises what, exactly, qualifies as such a text, what mobilises the employment of the Gothic to speak to our own times, whether nostalgia plays a role and whether there is room for humour besides the sobriety and horror in these narratives across various media. What attracts us to the Gothic that makes us want to resurrect, reinvent, echo it? Why do we let the Gothic redefine us? Why do we let it haunt us? Does it speak to us through intertextuality, self-reflectivity, metafiction, immersion, affect? Are we reclaiming the history of women and other subalterns in the Gothic that had been denied in other forms of history? Are we revisiting the trauma of English colonisation and seeking national identity? Or are we simply tourists who enjoy cruising through the otherworld? The essays in this volume investigate both the readerly experience of Neo-Gothic narratives as well as their writerly pastiche.
