M Carnoy

Queen of the Dead (A Ghost and the Goth Novel) Stacey Kade, 2011-05-31 After being sent back from the light, Alona Dare - former homecoming queen, current Queen of the Dead - finds herself doing something she never expected: working. Instead of spending days perfecting her tan by the pool (her typical summer routine when she was, you know, alive), Alona must now cater to the needs of other lost spirits. By her side for all of this - ugh - "helping of others" is Will Killian: social outcast, seer of the dead, and someone Alona cares about more than she'd like. Before Alona can make a final ruling on Will's "friend" or "more" status, though, she discovers trouble at home. Her mom is tossing out Alona's most valuable possessions, and her dad is expecting a new daughter with his wicked wife. Is it possible her family is already moving on? Hello! She's only been dead for two months! Thankfully, Alona knows just the guy who can put a stop to this mess. Unfortunately for Alona, Will has other stuff on his mind, and Mina, a young (and beautiful) seer, is at the top of the list. She's the first ghost-talker Will's ever met—aside from his father—and she may hold answers to Will's troubled past. But can she be trusted? Alona immediately puts a check mark in the "clearly not" column. But Will is - ahem - willing to find out, even if it means leaving a hurt and angry Alona to her own devices, which is never a good idea. Packed with romance, lovable characters, and a killer cliffhanger, *Queen of the Dead* is the out-of-this-world sequel to *The Ghost and the Goth*.

Queen of the Dead M. Sinclair, 2019-08-21 *48k words of Fast, Funny, & Sexy - Enjoy!* Do you know what's better than being Queen of the Dead? Having four sexy friends that aren't romantically interested in you. I'm joking, it sucks. Can I really blame them though? I mean sure, I'm a total bad*ass and babe. But why would two sexy vampires, a century-old demon, and wolf shifter be interested in little old me? Now, I don't want to discredit myself because let me be clear... I'm awesome. The fun kick*ss leather wearing type of awesome that hangs out with the dead because frankly, the living are pretty annoying. Well, most of them anyway. Being Queen has always come easy to me. I mean who doesn't like putting some jerk in his place? Lately, though, something has changed and I feel the trouble coming like a storm rolling in. Despite my boys not reciprocating my crush, I know they will always be by my side. Though, I do wonder why they are acting so weird about the local demi-god of luck and Voodoo priest's attention. I mean, I have to date eventually, right? Right?! Apparently, not if my friends have anything to say about it. This is why I stick to the dead and not the living. They are so complicated. Current release date is NOT set to change, however, any updates will be posted on my social media page. Check out my author

information for updates and content extras! *Fantasy RH* This is a light-hearted, semi-satirical, and fairly fast-paced reverse harem. Sexual themes are suitable for mature audiences. +18

Four Dead Queens Astrid Scholte, 2019-02-26 Four dead queens. Three days to catch a killer. Two forbidden romances. One shocking twist you won't see coming. Seventeen-year-old Keralie Corrington may seem harmless, but she's, in fact, one of Quadara's most skilled thieves and a liar. Varin, on the other hand, is an honest, upstanding citizen of Quadara's most enlightened region, Eonia. He runs afoul of Keralie when she steals a package from him, putting his life in danger. When Varin attempts to retrieve the package, he and Keralie both find themselves entangled in a conspiracy that leaves all four of Quadara's queens dead. With no other choices and on the run from Keralie's former employer, the two decide to join forces, endeavoring to discover who has killed the queens and save their own lives in the process. When their reluctant partnership blooms into a tenuous romance, they must overcome their own dark secrets in hopes of a future together that seemed impossible just days before. But first they have to stay alive and untangle the secrets behind the nation's four dead queens. An enthralling fast-paced mystery where competing agendas collide with deadly consequences, *Four Dead Queens* heralds the arrival of an exciting new YA talent.

What America Watched Marsha Ann Tate, Earl Houser, 2022-01-28 Although television critics have often differed with the public with respect to the artistic and cultural merits of television programming, over the last half-century television has indubitably influenced popular culture and vice versa. No matter what reasons are cited--the characters, the actors, the plots, the music--television shows that were beloved by audiences in their time remain fondly remembered. This study covers the classic period of popular television shows from the 1960s through the 1990s, focusing on how regular viewers interacted with television shows on a personal level. Bridging popular and scholarly approaches, this book discovers what America actually watched and why through documents, footage, visits to filming locations, newspapers, and magazine articles from the shows' eras. The book features extensive notes and bibliography.
