You Are More Than You Think Emmanuel Igwe,2013-07 Opening Proverb There is an African proverb that says, A cockroach knows how to sing and dance, but it is the hen that prevents it from performing its art during the day. What does this mean? Well, in many African villages it is not uncommon to see a hungry hen running around pecking at the ground for its meal of cockroaches scurrying about. But, without the hindrance of its enemy, the hen, the cockroach would be free to demonstrate all that it's skilled to do. My question is if cockroaches can dance in the face of danger, why can't you? What hen, giant, king or obstacle is holding you from being all that you're created for? Why did you stop using your God given talents and gifts in the service of his kingdom? Who has turned you against yourself, emasculated you and frozen your potentials? Now is the time to declare to that mountain to be removed and be cast into the sea (Matt 17:20); To that tumultuous and raging situation, peace be still (Mark 4:39) to that giant I am well able to overcome you (Numbers 13:30); to that king Nebuchadnezzar terrorizing your life My God is able to deliver me (Daniel 3:17) and to that circumstance, like Jesus I will rise again (Matt 27:63) For in the time of trouble he shall hide me in his pavilion: in the secret of his tabernacle shall he hide me; he shall set me up upon a rock. And now shall mine head be lifted up above mine enemies round about me: therefore will I offer in his tabernacle sacrifices of joy; I will sing, yea, I will sing praises unto the LORD (PSALM 27:5- 6). If cockroaches can dance in the face of its enemy, I can too. In the Bible gifts and talents are not just given to some but to all. We are called to use those gifts in service of others. They are instruments and tools that help build the kingdom of God on earth. According to Bishop T D Jakes, senior pastor of the Potter's House, the gift, talent, and abilities God gave you is your

key to success. They were not given to you to be put on display, to be wasted, to be hidden or denied out of a false sense of religious humility but, to be poured out, to be used and invested. Apostle Paul in the book of Romans succinctly admonishes us in these words, Having gifts that differ according to the grace given to us, let us use them: if prophecy, in proportion to our faith; if service, in our serving; the one who teaches, in his teaching; the one who exhorts, in his exhortation; the one who contributes, in generosity; the one who leads, with zeal; the one who does acts of mercy, with cheerfulness (Roman 12:6-8 New King James Version). Do not forget that God does not give equal gifts or talents but equal opportunity for investment; we don't have equal gifts and talents but the same twenty-four hours in a day to utilize it, and there is the enemy, like the hen, walking about, seeking to devour those who would dare use their gift. Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour. (1 Peter 5:8, NKJV) In this proverb, if singing and dancing represent the gifts that are given by God to every person, then we all can sing and dance Hence the Bible declared that He gave gifts to all men. To my greatest chagrin, there doesn't seem to be a whole lot of singing and dancing going on! Why? What hen do you think is trying to devour you and your gift? Each chapter in this book is dedicated to a hen that may be keeping you from singing and dancing, performing your art, or becoming all that God created you to be. We'll call them hindrances. Even before the foundation of the earth God wrote history, and it is known as His-story because only God, His son and His Spirit can give an accurate account and story of my life. In His-story, He included you, me, and every other person throughout all of time. Do you see why everyone else that attempts to tell your story becomes

Thrivers Michele Borba, Ed. D.,2022-03-08 The bestselling author of UnSelfie offers 7 teachable traits that will safeguard our kids for the future. We think we have to push our kids to do more, achieve more, BE more. But we're modeling the wrong traits—like rule-following and caution—and research shows it's NOT working. This kind of "Striver" mindset isn't just making kids unhappier, says Dr. Michele Borba...it's actually the opposite of what it takes to thrive in the uncertain world ahead. Thrivers are different: they flourish in our fast-paced, digital-driven, often uncertain world. Why? Through her in-depth research, Dr. Borba discovered that the difference comes down not to grades or test scores, but to seven character traits that set Thrivers apart—confidence, empathy, self-control, integrity, curiosity, perseverance, and optimism. The even better news: these traits can be taught to children at any age...in fact, parents and educators must do so. In Thrivers, Dr. Borba offers practical, actionable ways to develop these traits in children from preschool through high school, showing how to teach kids how to cope today so they can thrive tomorrow.

Rigatoni Jeffery F Dow, 2021-02-12 Sarah Bartlett was an Academy Award-nominated film star, an Emmy-nominated television actress and a Tony-nominated stage performer. She was also awarded her very own Varsity Jacket by the former director of the US Department of Music's Federal Hip Hop Administration. Appearing in over 20 films (including *Hearts of Sorrow*, *Hearts of Celery*; *Perkwit's Secret* Bramboráky (the fourth installment of the *Blurg* movies); and *Shadow of the Fish*), she also starred on stage in such shows as *Howling at the Moon: The Dog Musical*; *Billiard Balls of Death*; and *Dreadful*

About Those Shock Treatments, Eh? The woman was also an accomplished musician who performed guitar and baglama not only with her own group (Zooey's Lampshade) but also with the Hattiesburg Symphony Orchestra and Industrial Pole Bean Outlet; with the Palm Frond and Banana Spider Symphony Orchestra; and with the '56 Elvis Quintet at the Memphis in November: From Too Cool to Too Cold Music, Art and Law Practice Festival). There were other sides to Sarah, sides that she preferred people not know much about, sides involving Queen Victoria costumes, drinking way too many sodas at one sitting, and that whole ceramic curry serving bowl (from 2400 BCE) incident, which she knew would greatly upset anthropologists all over the world. Here, for the first time, is the entire story of Sarah Bartlett's life, including her children, her husband, her boyfriend, her shoes, her Toyota Cadberry, and her dreams (some of them involving picture frames made of cheese; some of them involving the Poky Little Puppy; some of them involving Gloria Swanson wearing a miniskirt, a pair of orange flip-flops and a T-shirt with a picture of Andy Warhol and the phrase "Hey, look, I'm a can of soup" on it; some of them involving cats with lobster claws for legs; and some of them involving copious amounts of Ranch Dressing). The book also includes over 150 illustrations, and some of them actually make sense. If you're looking for a book that offers the best ratio of cost per laugh, look no further. Further? Farther? Wait, let's think this through. Uhh, farther has an a in it, and measure has an a in it, so farther relates to distance. So, yeah, further is the right adjective to use. The Seattle Drainpipe Gazette says, "Rigatoni is to books as cat hair is to dogs." The Farmington Inquirer calls Rigatoni "unobtrusive," "mildly trapezoidal," and "looks great under some flowerpots." And the Tucson Rock Trader says, "If we crowdfund, we can raise enough money to get this author the serious help he so obviously needs. This isn't a cry for help, this is a sustained scream through a set of Peavey Dark Matter DM 118 Powered PA Subwoofer Speakers."
