**The Richard & Judy Book Club Reader** Dr Helen Cousins, Dr Jenni Ramone, 2013-05-28 In January 2004, daytime television presenters Richard Madeley and Judy Finnigan launched their book club and sparked debate about the way people in Britain, from the general reader to publishers to the literati, thought about books and reading. The Richard & Judy Book Club Reader brings together historians of the book, literature scholars, and specialists in media and cultural studies to examine the effect of the club on reading practices and the publishing and promotion of books. Beginning with an analysis of the book club's history and its ongoing development in relation to other reading groups worldwide including Oprah's, the editors consider issues of book marketing and genre. Further chapters explore the effects of the mass-broadcast celebrity book club on society, literature and its marketing, and popular culture. Contributors ask how readers discuss books, judge value and make choices. The collection addresses questions of authorship, authority and canon in texts connected by theme or genre including the postcolonial exotic, disability and representations of the body, food books, and domesticity. In addition, book club author Andrew Smith shares his experiences in a fascinating interview.

Reading Dickens Differently Leon Litvack, Nathalie Vanfasse, 2020-01-07 A collection of original essays and innovative reading strategies—provides examples of reading Dickens in creative and challenging ways Reading Dickens Differently features contributions from many of the field's leading scholars, offering creative ways of reading Dickens and enriching understanding of the most celebrated author of his time. A diverse range of innovative reading strategies—archival, historical, textual, and digital—representing new and exciting approaches to contemporary literary and cultural studies. This groundbreaking volume brings together literature, history, politics, painting, illustration, social media, video games, and other topics to reveal new opportunities to engage with the author's life and work. This unique book includes a re-evaluation of Dickens' death and burial, new research data drawn from legal records and newspapers, assessments of well-known paintings and lesser-known illustrations, experimental readings of Dickens' texts in digital form, and more. Much of the evidence presented has never been seen before, such as Dickens' funeral fee account from Westminster Abbey, Dickens' death certificate, and a telegram from Dickens' son asking for urgent assistance for his dying father. Revising and refreshing the critical strategies of traditional Dickens studies, this important volume: Features new research data on aspects of Dickens's life Discusses a range of innovative reading strategies (including physiological novel theory) for clarifying aspects

of Dickens' work Examines the presence of Dickens in popular media and technology, such as Assassin's Creed video game and A Christmas Carol iPad app Features rare illustrations, including documents and images relating to Dickens's death and funeral Edited by world authorities on Dickens and his manuscripts Authoritative, yet accessible, Reading Dickens Differently is a must-have book for Dickens specialists, instructors and students in Victorian fiction and Dickens courses, as well as general readers looking for innovative reading strategies of the author's work.

**Quoting Scribblers III** ,2023-02-07 Soulitaire is incomplete without its amazing book series of Quoting Scribblers. 'Quoting Scribblers III' is here with all the precious quotes penned by a few amazing co-authors. This book combines some precious quotes related to several life experiences like love, sorrow, happiness, nature and much more. When a storm of emotion is wrapped into a few lines, it reflects many things beyond the words. A quote is like a drop from the river and that drop itself sufficient to express the origin's freshness and worth. The book has just combined several such drops from different rivers. The co-authors have scribbled their thoughts as a gist to render an emotion. Readers can surely experience their baffling relativity with life.

**Mayan Routes Indian Roots: A Geopolitical Travelogue through Central America and Tracing its Connections to India** Vineet Kumar,2025-05-05 In the ruins of the Mayan world, traces of India rise—not as myth, but as a forgotten chapter of shared history. Mayan Routes Indian Roots is a compelling geopolitical travelogue that journeys across the vibrant landscapes of Central America- Mexico, Belize, Guatemala, El Salvador, Honduras, Nicaragua, Costa Rica, and Panama- while tracing unexpected connections to India's cultural, historical, and spiritual heritage. From sacred temples and cosmic calendars to rituals, language, and symbolism, the narrative uncovers striking parallels between two distant civilizations. With every border crossed, the book explores how myths, memory, and human migration have left clues that transcend geography and time. This is more than a travel memoir—it is a cultural excavation, a historical inquiry, and a bold reimagining of shared pasts. One path, many nations. One soul, many roots.

*Five Killer Habits* Sree Krishna Seelam,

*Give Your Last Drop* Rajan Kumar Jha,2022-10-06 This self-help book is a compilation of 108 easy and proven life lessons, discussed through 108 chapters that can make the readers unstuck in the journey of their life. These lessons can bring back the twinkle in their wrinkle and can also help in redesigning their life vision if followed in true spirit. The readers may apply these life lessons and can learn to fight until the last ball and turn the defeat into victory. They can also learn how to push their past back and evolve as new. The knowledge in 108 chapters may illuminate the dormant power of readers within them, ignite the fire in their belly, help them realize their dream and make a difference in the lives of all those around them. This book may be useful for readers of all age groups, especially for children and students, in improving their personal, professional and spiritual life.

**Five Killer Habits** Sree Krishna Seelam, 2021-09-07 SMART people learn from everything and everyone, AVERAGE people from their experiences and STUPID people already have all the answers - Socrates. 1000 best books and 1000 interviews of senior citizens from India, summarised into a 100-minute read! This book will help you understand; · How you can expand your mind by solo travelling. · How to fall in love with reading. · How you can become a better leader by volunteering. · How easily you can get into the habit of waking up early. · How curiosity will make you a better human. Over the last 20 years, I spent thousands of hours reading nonfiction books. Finally, I realized that almost all self-help biographies and philosophical books carry the same basics. So I extracted as much knowledge from all the books I encountered, summarized it into one, and made it one ultimate self-help book every human should read. To ensure my knowledge is shared along with experiences. I engaged a team of 1000 volunteers from the WeDidIt foundation to interview over 1000 senior citizens living in India. With the below: What is the most significant thing you learned in your life? What was the best experience of your life? What is that message you wanted to give to your next generations? I studied all the 1000 interviews over several months. Then, I clubbed what I read with their life lessons, which resulted in the five killer habits. This book will make you a better human and live for everyone who is not as strong as you. REBEL? A rebel is someone who thinks differently from most of the people in society. A rebel is someone who takes nothing that was told without valid logic. Finally, a rebel is someone who leads and cares for his people and planet. Wait for what? Scroll up and get the book to awaken the REBEL in you.

**Ms. Calculation** Danica Winters, 2017-09-01 Welcome to Mystery, Montana, a small town with dark secrets... The body found in the Dunrovin Ranch stables isn't just a crisis for Wyatt Fitzgerald's family or his top priority as sheriff—Gwen Johansen is both the victim's sister...and Wyatt's ex. And in a small town like Mystery, events of the past don't seem to fade. Maybe she'd misjudged his potential when they were younger, but now he could be her greatest ally—and not just in the investigation. That is, if he can work his way around a broken heart. With the killer circling, the clock is counting down on more than Christmas, a time when family means everything and forgiveness is the best gift of all.

**Unforgettable Reminiscences** Priya Rajput, 2020-11-08 The author has given some memorable reminiscences of her childhood and early schooling with a focus on some social disadvantages that have crept into our society. Her criticism ranges over several aspects of society like social behaviour, hypocritical religiosity, ill-treatment of backward teachers of their pupils, the evils of the caste system, and suppression of freedom of females in the society. She has liberal views about the freedom of girls in homes, educational institutions, and workplaces. She is a campaigner for freedom of thought, expression, movement, etc of the females in Indian society. In expressing these views she has no hesitation in breaking the taboo and calling spade a spade. She is courageous and writes with conviction. Hopefully, this booklet will be received with appreciation by the female community in our educational institutions.

**The Sun Does Shine (Young Readers Edition)** Anthony Ray Hinton, Lara Love Hardin, Olugbemisola Rhuday-Perkovich, 2022-06-14 A Chicago Public Library Best Book of the Year The Sun Does Shine is an extraordinary testament to the power of hope sustained through the darkest times, now adapted for younger readers, with a revised foreword by Just Mercy author Bryan Stevenson. In 1985, Anthony Ray Hinton was arrested and charged with two counts of capital murder in Alabama. Stunned, confused, and only 29 years old, Hinton knew that it was a case of mistaken identity and believed that the truth would prove his innocence and ultimately set him free. But with a criminal justice system with the cards stacked against Black men, Hinton was sentenced to death. He spent his first three years on Death Row in despairing silence—angry and full of hatred for all those who had sent an innocent man to his death. But as Hinton realized and accepted his fate, he resolved not only to survive, but find a way to live on Death Row. For the next twenty-seven years he was a beacon—transforming not only his own spirit, but those of his fellow inmates. With the help of civil rights attorney and bestselling author of Just Mercy, Bryan Stevenson, Hinton won his release in 2015. With themes both timely and timeless, Hinton’s memoir tells his dramatic 30-year journey and shows how you can take away a man’s freedom, but you can’t take away his imagination, humor, or joy.

*The Quotable Book Lover* Ben Jacobs, Helena Hjalmarsson, 2013-07-01 Some books are unreservedly forgotten; none are unreservedly remembered. -W. H. Auden A room without books is like a body without a soul. -Cicero The proper study of mankind is books. -Aldous Huxley This collection of more than five hundred quotations captures the wisdom and wit of the most insightful things ever said about books, spoken and written by such legendary figures as: Aeschylus, Ernest Hemingway, John Ruskin, Woody Allen, Thomas Jefferson, Charles Scribner, Maya Angelou, Franz Kafka, George Bernard Shaw, Jane Austen, Helen Keller, Wallace Stevens, Francis Bacon, Malcolm X, Robert Penn Warren, Ralph Waldo Emerson, Groucho Marx, William Carlos Williams, William Faulkner, John Milton, Oprah Winfrey, Robert Frost, George Orwell, and W. B. Yeats. Encompassing the many facets of books and the pleasures and puzzlements they afford, *The Quotable Book Lover* includes chapters on writing, reading, and bookbinding, among other subjects. With its wide range of commentary, this compilation will surely entertain and enlighten bibliophiles everywhere.
