

The Rehearsal Remy Mom

R. Noonan

Sarah Dessen Wendy J. Glenn, 2005 A criticism of the writing of Sarah Dessen, a writer whose fiction for adolescents features strong female protagonists and the relationships they develop, and how those relationships help to determine who one is and what one becomes. Dessen's novels explore the complexity of human relationships between and among characters, undermines gender expectations, develops the themes of self-perception and identity, creates eccentric and memorable secondary characters, and uses humor to help readers bear the angst of teenage life.

Remy and Lane Complete Series Box Set J.M. Snyder, 2016-05-21 Both books in the Remy and Lane series for one low price! Braeden doesn't know Lane, or even that his father is gay. What will happen to the romantic holiday Remy planned for so long? Hawaiian Wedding: Remy and Lane are back to plan their Christmas wedding! Because their state doesn't allow same-sex marriage, they travel to Hawaii to plan the perfect wedding. But things go wrong from the start. The Secret Life of Remy Walsh Russell J. Sanders, 2024-09-14 Remy Walsh is buried in secrets. The big ones he keeps from his friends are his maman, the Cajun beauty Aurore, is housebound and trapped in her own world, and his runaway father left seven years ago without a word to Remy. He hates him. But Remy has another giant secret. Even though he and his boyfriend Trung are a popular couple at school, Remy is afraid to tell his mother he is gay. The last thing he wants to do is hurt this fragile being he loves so much. So he retreats into the cocoon that being an actor is, starring in his school's musical and forgetting for a time each day, during rehearsal, that he has so many problems eating at him. His home is about to literally come crashing down on him. He well knows, but doesn't believe, that secrets have a way of coming out. Will anyone come to his rescue?

Driver's Ed Caroline B. Cooney, 2012-08-29 The universal experience for most high school students is learning to drive and getting their driver's license. Add breathlessly plotted romance and an accident and you have a poignant and realistic novel. Remy Martin prays to the God of Driver's Education that she will get to drive today. She doesn't know where she's

going, but she knows one thing . . . she is going to get there fast. Morgan Campbell had been standing on the threshold of 16 and getting his driver's license ever since he could remember. But deep into the first crush of his life, thinking of nothing but girls, Morgan forgot what driving was all about. This poignant novel about responsibility and consequences is as convincing as it is irresistible.

Domestic Secrets R. Noonan, 2016 Rachel Whalen and Ariel Alexander have been friends for more than a decade. Despite their differences--down-to-earth Rachel owns a local hair salon; Ariel is a vivacious former TV star determined to hold on to her looks--they've helped each other navigate single motherhood, banding together against the soccer moms of Timbergrove, Oregon. Yet lately, Rachel wonders about Ariel's increasingly erratic parenting and her clandestine love life. And Rachel can't reveal to anyone, even Ariel, how much she worries about her sullen, distant, younger son. When an unthinkable tragedy separates the two families, Rachel desperately tries to understand what went wrong. But as her assumptions are ripped away one by one, she must confront shattering revelations about the people she trusted and the suburban world that once seemed so safe. Rosalind Noonan explores both the bonds and the gulfs that exist between parents and children, friends and neighbors, in a suspenseful novel that is honest, intelligent, and thought provoking. Praise for Rosalind Noonan's *And Then She Was Gone* Noonan writes another gripping family story that handles sensitive issues with grace. The timely plot will hold readers in its sway. --Booklist Rosalind Noonan has done an excellent job tackling this difficult topic...The story is both sad and uplifting, an offering of hope that will remain in the forefront of your mind long after you finish the last chapter. --San Francisco Book Review

Hawaiian Wedding J.M. Snyder, 2014-12-14 City planner Remy McIntosh and architect Lane Anders are back from the best-selling novel, *Just the Three of Us*, to plan their Christmas wedding! When Remy married Kate, he'd only done so because it was the right thing to do, as she was pregnant with Braden. This time around, he's marrying for love, and he wants everything to be just right. At the time of their engagement, Virginia didn't allow same-sex couples to marry, so Lane suggests they splurge and plan the perfect wedding in Hawaii. Because the island is so far away, Remy hires someone local to plan everything for them. He hates giving up so much control, but the wedding planner is someone Lane knew in high school, so she can't be all bad, can she? Unfortunately, things go wrong right from the start. Remy hopes to spend a week alone at Christmas with his lover in Hawaii before their families arrive for the wedding. But his son is erroneously booked on the same flight as Remy and Lane, and they have to spend their romantic tropical holiday entertaining a nine year old boy. Then the wedding planner disappears for the weekend to participate in a surfing competition. When Remy decides to obtain a marriage license on his own, he discovers he needs proof of his divorce, which he doesn't have with him, and Kate's stuck in Virginia in a freak snowstorm that may ground her plane until after the wedding is scheduled to take place. As things continue to spiral out of his control, Remy doesn't know whether to laugh at his troubles or cry with frustration. Will he and

Lane get to say “I do” on an Hawaiian island beach? Or should they just throw in the towel and elope back in the courthouse in Virginia?

Grounds for Divorce Remy Maisel, 2021-10-28 Emily, a down-on-her-luck intern, is recruited by the State Department to solve the Palestinian problem. Only this time they want it handled as a divorce settlement. To pull off the most acrimonious divorce of all time, she must let go of the family trauma that has tainted her whole life... but what if it won't stay in the past?

The Boundary Ian O. Lewis, 2020-06-24 “Don't touch me like that if you don't mean it.” Rémy- One fateful night on the stage of the Royal Opera House, my life was irrevocably changed. Midway through a performance, and in front of thousands of fans, my voice failed me. Instead of giving up, I swore I'd forge a new path. Two years later, my voice was better than ever, and thanks to an old schoolmate, Serge Kuznetsov, I signed a lucrative contract with the Virginia Opera that came with many perks. This included an alluring personal assistant, Gray Wyatt. I'd kissed Gray, a mistake a boss should never make with an employee. The feeling of his body trembling in my arms, and the moans that came deep from within his chest, played on repeat in my heated imagination. It didn't matter where I was, or what I was doing, the memory of that forbidden kiss haunted me. Gray- When I first moved to Richmond, I envisioned a happy future filled with love and excitement. Instead, my alcoholic boyfriend dumped me, and I was fired from my crappy retail job. I was tempted to throw in the towel, but Lady Luck had one more curveball to throw at me. A new job, as personal assistant to a hypnotic opera singer who made every fiber of my being throb with desire. Insane tension burned between us. I thought it was my imagination, but I'd swear he wanted me too. Whenever I touched Rémy, his skin would flush, and his breathing would become ragged. There was a boundary I longed to cross, but I didn't dare. He was my boss, and I wasn't about to lose my job. I kept my paws to myself, until one fateful night backstage when Rémy blew through that boundary, and I longed for him more than ever. *The Boundary* is a feverish tale of two men who dared to follow their hearts. It is book five in *The Boys of Oregon Hill Series*, and it's set in the same world as the bestselling novel *Mr. Mouthful*. Like the other books in the series, you can read it as a stand-alone novel. Keywords- MM Romance, Gay romance, Lgbt romance, Lgbtq romance, opera, musician, artist, boss employee romance, workplace romance, *Mr. Mouthful*, *Boys of Oregon Hill*, Felice Stevens, Andrew Gray, LA Witt, Parker Avrile, Lauren Blakely

The Boys of Oregon Hill Ian O. Lewis, 2020-06-29 Welcome to Oregon Hill, a neighborhood filled with music, art and soulful men searching for their happily ever after. The *Boys of Oregon Hill* series are now available in one steamy volume. Lovefool- Kent King left home to attend medical school, and experience life on his own. He left behind his first love, and he's never forgotten the sizzling chemistry they shared. Offered the job of his dreams, he returns to his hometown excited to start his new career in public health. But his heart has never forgotten Erik, the soulful lover who claimed his heart over a decade ago. Will the tempestuous blue-eyed man he left behind forgive him for leaving in the first place? Recreational Love- Spencer

Talbot returned home to Richmond to escape rumors and gossip after being abandoned at the altar. Secretly relieved the wedding didn't take place, all he wanted was a quiet place to lick his wounds and get on with his life. When his first love reappeared after decades apart, his world was turned upside down. The attraction between Spencer and Michael was overwhelming, but the timing couldn't be worse. Giving in to his feelings would make him vulnerable, and he'd had enough rejection to last a lifetime. Could Spencer open himself to Michael and finally be with the only man he'd ever loved? Mr. Mouthful- After years of hard work Josh landed his dream job as a musician with a major orchestra. When his new conductor with a name too hard to pronounce strutted on to the stage for the first time, he oozed a confident and cocky sex appeal that captivated everyone present. Josh was used to being the wallflower, the boy always picked last for the team. So when Serge demanded Josh meet him after work for a private rehearsal, he was shocked. Of course Josh went, only to discover his new conductor was very touchy feely. At first Josh thought he was reading too much into it, but the chemistry sparking between them was real. Serge was more than just his boss, he was a force of nature determined to conquer Josh's heart. Handsy- Cast out of his home at a tender age, Joseph Carter McElroy relied on the world's oldest profession to make ends meet. After leaving the world of hustling behind, he struggled to find a path forward, until one day the family that originally betrayed him showed up with the fortune he'd long been denied. There were strings attached to the offer, and despite the financial freedoms he'd gain, Joe didn't think he could marry just anyone for the millions. When Luke showed up on his doorstep, it was like *deja vu*. As teens, Luke had unknowingly triggered events that would change Joe's life forever. Sixteen years later, the handsome artist was about to turn Joe's world upside down again. The Boundary- One fateful night on the stage of the Royal Opera House, my life was irrevocably changed. Poetry Mentor Texts Lynne R. Dorfman, Rose Cappelli, 2012 In *Poetry Mentor Texts*, Lynne and Rose show teachers how to use poems in both reading and writing workshops and across content areas. Written in a friendly, conversational tone, this practical book explores a variety of poetic forms, including poems that inspire response, list poems, acrostic poems, persona

poems, and poems for two voices--versatile forms of poetry that can be used in every grade. Each of these poetic forms has its own chapter featuring five poems with applications for both reading and writing classrooms. Reading connections present skills and strategies to move students forward as readers, helping them to build fluency, vocabulary, comprehension, phonemic awareness, and phonics. Writing connections help students and teachers discover their own voices and grow as poets and wordsmiths as they try out many poetic forms. Poems help students at all grade levels learn to better address complex reading texts, offering them a chance to dig deeper and use higher-order thinking skills. Additionally, Your Turn writing lessons provide a scaffold for seamlessly moving from modeling to the shared or guided experience and the transfer to independent work. The Treasure Chest offers a brief annotation of the poems discussed in each chapter as well as companion pieces that extend and enhance the work of the reading and writing classroom.--Publisher's description.
