The Wicked Sister Karen Dionne, 2021-06-29 Chilling and captivating, *The Wicked Sister* explores the complex layers of family bonds, guilt, and redemption. A beautifully written, haunting psychological thriller. --Megan Miranda, author of *All the Missing Girls* From the bestselling and award-winning author of *The Marsh King's Daughter* comes a startling novel of

psychological suspense as two generations of sisters try to unravel their tangled relationships between nature and nurture, guilt and betrayal, love and evil. For a decade and a half, Rachel Cunningham has chosen to lock herself away in a psychiatric facility, tortured by gaps in her memory and the certainty that she is responsible for her parents' deaths. But when she learns new details about their murders, Rachel returns, in a quest for answers, to the place where she once felt safest: her family's sprawling log cabin in the remote forests of Michigan's Upper Peninsula. A Literary Cavalcade-VII Robert A. Parker,2017-04-19 Writer and editor Robert A. Parker has followed up his six-volume *A Literary Cavalcade* with a seventh volume. This volume of criticism covers mainly the fiction he has read from 2013 to early 2017. His comments are informed by his Jesuit upbringing but also by an independent critical view that balances a moral and literary sensibility. The writers here represent a broad range of writing styles, cultural influences, and moral philosophies. And all are rated on their literary achievement, the effectiveness of plot, character, and setting, plus their recognition of the moral, ethical, and spiritual values of mankind. Here is a unique critical perspective that measures the meaning of literature against the meaning of life.

The Marsh King's Daughter Karen Dionne, 2018-04-17 THE INTERNATIONAL BESTSELLER—NOW A MAJOR MOTION PICTURE! “Brilliant....About as good as a thriller can be.”—The New York Times Book Review *The Marsh King's Daughter* is the mesmerizing tale of a woman who must risk everything to hunt down the dangerous man who shaped her past and threatens to steal her future: her own father. Helena Pelletier has a loving husband, two beautiful daughters, and a business that fills her days. But she also has a secret: she is the product of an abduction. Her mother was kidnapped as a teenager by her father and kept in a remote cabin in the marshlands of Michigan's Upper Peninsula. Helena, born two years after the abduction, loved her home in nature, and despite her father's sometimes brutal behavior, she loved him, too...until she learned precisely how savage he could be. More than twenty years later, she has buried her past so soundly that even her husband doesn't know the truth. But now her father has killed two guards, escaped from prison, and disappeared into the marsh. The police begin a manhunt, but Helena knows they don't stand a chance. Knows that only one person has the skills to find the survivalist the world calls the Marsh King—because only one person was ever trained by him: his daughter. “[A] nail-biter perfect for Room fans.”—Cosmopolitan “Sensationally good psychological suspense.”—Lee Child A Michigan Notable Book!

Goodnight, Beautiful Women Anna Noyes, 2016-06-07 Interconnected stories of women of all ages. “If the fiction of Stephen King and Alice Munro had a literary love child, it might look like this” (The Washington Post). Moving along the Maine coast and beyond, the stories in *Goodnight, Beautiful Women* bring us into the sultry, mysterious inner lives of New England women and girls as they navigate the dangers and struggles of their outer worlds. With novelistic breadth and a quicksilver emotional intelligence, Noyes explores the ruptures and vicissitudes of growing up and growing old, and shines a

light on our most uncomfortable impulses while masterfully charting the depths of our murky desires. A woman watches her husband throw—one by one—their earthly possessions into the local quarry, before vanishing himself; two girls from very different social classes find themselves deep in the throes of a punishing affair; a motherless teenager is sexually awakened in the aftermath of a local trauma; and a woman's guilt from a childhood lie about her intellectually disabled cousin reverberates into her married years. Dark and brilliant, rhythmic and lucid, *Goodnight, Beautiful Women* marks the arrival of a fearless and unique new young voice in American fiction. “Anna Noyes’s stunning debut collection concerns girls and women struggling to break away, dealing with burdens like mental illness and neglect that threaten to transform and define them.” —The Wall Street Journal, “The Season’s Most Exciting Fiction Reads”

The Morningside Téa Obreht, 2025-03-11 “A touching, inventive novel about belonging and loss” (People) from the critically beloved, New York Times bestselling author of *The Tiger’s Wife* and *Inland* “I marveled at the subtle beauty and precision of Obreht’s prose. . . Read in the context of today’s conflicts and injustices, climate emergencies, and political and racial divisions—together more dystopian than any dystopian novel—the book surprised me most with its undercurrent of hope.”—Jessamine Chan, author of *The School for Good Mothers*, in *The New York Times* (Editors’ Choice) A LIT HUB AND CHICAGO PUBLIC LIBRARY BEST BOOK OF THE YEAR This Random House Book Club edition includes an author’s note, a discussion guide, and background on the myth that inspired the book. There’s the world you can see. And then there’s the one you can’t. Welcome to the Morningside. After being expelled from their ancestral home in a not-so-distant future, Silvia and her mother finally settle at the Morningside, a crumbling luxury tower in a place called Island City where Silvia’s aunt Ena serves as the superintendent. Silvia feels unmoored in her new life because her mother has been so diligently secretive about their family’s past, and because the once-vibrant city where she lives is now half-underwater. Silvia knows almost nothing about the place where she was born and spent her early years, nor does she fully understand why she and her mother had to leave. But in Ena there is an opening: a person willing to give the young girl glimpses into the folktales of her demolished homeland, a place of natural beauty and communal spirit that is lacking in Silvia’s lonely and impoverished reality. Enchanted by Ena’s stories, Silvia begins seeing the world with magical possibilities and becomes obsessed with the mysterious older woman who lives in the penthouse of the Morningside. Bezi Duras is an enigma to everyone in the building: She has her own elevator entrance and leaves only to go out at night and walk her three massive hounds, often not returning until the early morning. Silvia’s mission to unravel the truth about this woman’s life, and her own haunted past, may end up costing her everything. Startling, inventive, and profoundly moving, *The Morningside* is a novel about the stories we tell—and the stories we refuse to tell—to make sense of where we came from and who we hope we might become.

Worlding the Western Neil Campbell, 2022-09-13 *Worlding the Western* views the fiction of the Western United States as a focal point for a reexamination of the consequences of the exceptionalism and closed borders of the Trump Era. At a

time of bounded individualism, new nativism, climate emergency, and migration crises, author Neil Campbell argues that fiction offers opportunities to challenge the dark side of globalization. He proposes worlding as a different and more open form of politics. Diversity, disparity, and opposition are central to the dynamic frictional fiction considered in this book. The American West provides a powerful test case in which these features are present and yet, historically, have often been masked or denied in the rush toward unanimity and nation building. Worlding is, therefore, a positive, critical concept through which to view the notion of a single world under pressure.

Outside, America Hikaru Fujii, 2013-04-25 The idea of the outside as a space of freedom has always been central in the literature of the United States. This concept still remains active in contemporary American fiction; however, its function is being significantly changed. *Outside, America* argues that, among contemporary American novelists, a shift of focus to the temporal dimension is taking place. No longer a spatial movement, the quest for the outside now seeks to reach the idea of time as a force of difference, à la Deleuze, by which the current subjectivity is transformed. In other words, the concept is taking a temporal turn. Discussing eight novelists, including Don DeLillo, Richard Powers, Paul Theroux, and Annie Proulx, each of whose works describe forces of given identities—masculine identity, historical temporality, and power, etc.—which block quests for the outside, Fujii shows how the outside in these texts ceases to be a spatial idea. With due attention to critical and social contexts, the book aims to reveal a profound shift in contemporary American fiction.

In the lawless, drought-ridden lands of the Arizona Territory in 1893, two extraordinary lives unfold. Nora is an unflinching frontierswoman awaiting the return of the men in her life—her husband, who has gone in search of water for the parched household, and her elder sons, who have vanished after an explosive argument. Lurie is a former outlaw and a man haunted by ghosts. He sees lost souls who want something from him, and he finds reprieve from their longing in an unexpected relationship that inspires a momentous expedition across the West. Mythical, lyrical, and sweeping in scope, *Inland* is grounded in true but little-known history. It showcases all of Téa Obreht’s talents as a writer, as she subverts and reimagines the myths of the American West, making them entirely—and unforgettably—her own. The Palgrave Handbook of Magical Realism in the Twenty-First Century Richard Perez, Victoria A. Chevalier, 2020-04-30

The Palgrave Handbook of Magical Realism in the Twenty-First Century examines magical realism in literatures from around the globe. Featuring twenty-seven essays written by leading scholars, this anthology argues that literary expressions of magical realism proliferate globally in the twenty-first century due to travel and migrations, the shrinking of time and space, and the growing encroachment of human life on nature. In this global context, magical realism addresses twenty-first-century politics, aesthetics, identity, and social/national formations where contact between and within cultures has exponentially increased, altering how communities and nations imagine themselves. This text assembles a group of critics throughout the world—the Americas, Europe, Africa, Asia, the Middle East, and Australia—who employ multiple theoretical approaches to examine the different ways magical realism in literature has transitioned to a global practice; thus, signaling a new stage in the history and development of the genre.
