*Daddy, Did You Hear That Bird?* Calvin L. King, 2014-01-10 On a cloudless spring day nearly three years after Cal and Michele met, they stood before a preacher and Cal promised to love Michele and to give her everything. Soon after, they began an almost fairy-tale existence of wedded bliss, complete with a white picket fence, two cats in the yard, and a perfect family including the baby girl Michele always wanted. They had carefully planned and prepared for the arrival of their daughter, Lourdess, whose name means miracles of healing. Although she entered the world perfect, the standard hearing test mandated by the state produced spirit-crushing results. To their shock and disbelief, their wonderful little angel had profound hearing loss. *Daddy, Did You Hear That Bird?: The Miracles of Hearing, Family, and Love* shares the touching story of how they got through the trials of having a deaf child, including the natural grieving process they experienced upon learning the news. Even though they wondered about her future, their strong personal relationship helped them overcome the stress that destroys some marriages burdened with caring for a special-needs child. The toughest tasks involved working with service systems and professionals who were guiding them through the process. Through it all, they had each other and the knowledge that God was there for them, always. *Daddy, Did You Hear That Bird?* reminds us that love always trusts, hopes and perseveres but it never fails. As Cal and Michele yearned for a miracle, a striking and poignant series of events would reveal a miracle no one saw coming.

Driving Excellence Mark Aesch, 2011-02-01 Driving Excellence tells the inspiring story of one man who, with no formal business training, turned an entire industry on its head. Mark Aesch proves that we really can run government like a business, and provide value to taxpayers and shareholders alike. When Aesch took over the Rochester Genesee Regional Transportation Authority in 2004, it was operating with a 27.7-million-dollar deficit, and was poised to raise fares, lay off employees, and slash service. Under Aesch's leadership, those deficits have been eradicated and replaced with multimillion-dollar surpluses; reliance on taxpayer subsidies has been reduced; demand for service has increased at rates three times the national average; and in an unprecedented move, the fare at the Authority's two largest subsidiaries were actually reduced. In Driving Excellence, Aesch shows readers how to create a culture built around selflessness rather than ego, and get employees invested in saving the company. In describing the transition from an ailing business to one that enjoys stunning success—lower fares, multi-million surpluses, and the highest ridership and customer satisfaction levels in twenty years—Aesch offers powerful principles that any organization can implement to achieve exceptional results.

Where to Today, Lord? James W. Price, 2014-12-10 This book was designed to be an inspiration to all who read it. It illustrates, through the stories of failure and triumph of one man, how everyday people, who feel like there's no way that they could be forgiven for the things they've done, can find a fresh start at life with the blessing and hand of God upon them; a

God who will forgive and love them unconditionally. He'll put it all in the past and give them a wonderful future because He cares for them, in spite of what they've done. This is James W. Price's miraculous story, a story of a dead-end life that God breathed new life into. Although bullied, neglected, homeless, and eventually given over to crime for an early portion of his life, over time God gave him a new and wonderful life in spite of all the times he had fallen. Once captive to his abusive, apathetic, hopeless outlook, he gained new insight and joy by the work of the Holy Spirit. These incredible, colorful stories illustrate richly how God did a 180 on Price's life in a miraculous way, and how he never failed to provide for his needs. In *Where to Today, Lord?* Price takes the reader on a very emotional, exhilarating, rewarding journey as he shares all of the wondrous and unlikely places God has led him to and the incredible situations God has brought him to and through. God didn't promise Price that bad things wouldn't happen, but he did promise that he would be with him when they did; even if Price was the cause of his own troubles. His story will challenge the reader to take God out of the box they've put him into and to trust him so He can enrich their lives. Jesus said in John 10:10, "The thief comes not, but to steal, kill, and to destroy. I have come that you may have life and that you may have it more abundantly."

Uprooted from Shanghai with her father and twin brother, young Cassandra finds the Black Isle's bustling, immigrant-filled seaport, swampy jungle, and grand rubber plantations a sharp contrast to the city of her childhood. And she soon makes another discovery: the Black Isle is swarming with ghosts. Haunted and lonely, Cassandra at first tries to ignore her ability to see the restless apparitions that drift down the street and crouch in cold corners at school. Yet despite her struggles with these spirits, Cassandra comes to love her troubled new home. And soon, she attracts the notice of a dangerously charismatic man. Even as she becomes a fearless young woman, the Isle's dark forces won't let her go.
