Mind Magic and Mentalism For Dummies James L. Clark,2012-03-20 The beginner's guide to mental magic No rabbits. No wands. Just dozens of first-rate effects, illusions, and tricks guaranteed to amaze. Mind Magic & Mentalism For Dummies pulls back the curtain and introduces the secret world of mentalism for the first time. With this book and the included DVD, budding practitioners have everything they need to master some of the most astounding illusions imaginable from exercising psychic powers and reading minds to harnessing mental energy to control fire and bend metal from across the stage. Each effect in the book is presented from three perspectives: what the audience sees, how the trick is performed, and how to present it in a way that thrills spectators, making it the comprehensive, essential guide to blowing your audience away. The DVD includes performances of many of the effects outlined in the book to help readers put the information into action Provides both introductory-level lessons on the art of performing and a host of great effects that will meet the needs of beginners Mind Magic & Mentalism For Dummies is the essential introduction to this mysterious art that can seemingly provide readers with the powers of clairvoyance, mind control, divination, and precognition. Note - CD-ROM/DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase.

Beginnings Johnny Mass,2010-12-20 These are just my opinions and you should take from this what you can and make it

your own. This should not be taken as a step by step manual. I wrote this because I wanted to prove that you dont need to be the worlds best magician to perform and create the worlds best magic. Everyone has the capability to become as big as they want to be. In here you will find everything you need to improve your career in magic. Everything is covered from performance and stage presence, to the business side of it such as how to get the gigs and make an impression. I even give you a sample contract which you can use. Ive also included a couple of my own works that have been tested in the real world. If I was able to help anyone in anyway then this was worth it. Always strive to better yourself in everything you do. I encourage all of you to delve into yourselves, thats where you will find true magic. Mystify Your Mind!

Go Dr. George G. Hunter III,2017-02-21 Churches and denominations often appear to settle for a primary objective that is less than what the apostles recommended. If we are honest, most church leaders acknowledge that our institutional sense of purpose is inconsistent, at best. In some places the purpose of the church is quite narrowly defined, and in others the definition is so broad that it seems meaningless. People wonder, “Is this all there is to the church?” It’s a good question, and George Hunter, a longtime keen observer of the church, demonstrates the answer. Hunter’s richly descriptive explanation of the “missional church” will convince leaders and students to recover a clear and consistent sense of purpose. As we are the stewards of “the faith once delivered to the saints,” so we are the heirs of the mission once entrusted to the apostles and their movements. The church’s mission, locally and globally, is or should be its main business. The “real church” is an “ecclesia”—God’s “called out” people whom the Lord shapes into an “apostolate”—and “sends out” to be publicly present in the world—but not of it. This mission is a serving, witnessing, inviting outreach to all people.

The Spiritualist Movement Christopher M. Moreman,2013-08-27 At once controversial and intriguing, Spiritualism has spread from the United States to become a global movement. Bringing together perspectives from within the movement and without, this unique collection treats readers to insights about Spiritualism's history, belief, and practice. Based on the belief that the dead can communicate with the living through mediums, Spiritualism touches concepts as timelessly fascinating as human mortality and the continuing existence of the soul beyond bodily death. This comprehensive work will help readers parse the mysteries of this uniquely American religion through three thematically organized volumes: Spiritualism in the U.S. and Globally, Evidence and Beliefs, and Cultural and Social Issues. Drawing on fields as diverse as psychology, sociology, religious studies, anthropology, history, ethnic and gender studies, literature, and art, this broad-based collection frames Spiritualism through the views of a team of international scholars. Among the many things that separate Spiritualism from mainstream religions is the involvement of women in central leadership roles. Such cultural and political elements of the movement are one aspect of this study. Of equal interest to believers and skeptics alike will be the work of scholars who have

devoted themselves to examining the claim that communication through mediums proves the existence of life after death.

Exploring the Paranormal R. Alan Streett,2024-10-31 A personal exploration of questions surrounding psychic healing, séances, astral projection, and more After an injury threatened his chances of signing a professional baseball contract, R. Alan Streett sought help from Olga Worrall, a world-famous psychic healer. This encounter set in motion his lifelong search for the origin and nature of psychic phenomena. Were they natural or supernatural? From God, or from the devil? Were they mentalists' tricks, or feats of the subconscious mind? Streett invites us to join him in real time as he explores the fascinating world of the paranormal, offering insights into healing, magic, trance channeling, yogic meditation, alternative medicine, astral projection, and the brain's ability to produce spiritual and mystical experiences. Ultimately Streett enables readers to draw some time-tested and cutting-edge conclusions. *Exploring the Paranormal* is a helpful guide for all who wish to understand the varied forms of spirituality that are so popular today.
