

# American Civil War Quotes

**Pasquale De Marco**

**The American Civil War WAS About Slavery** Cody Engdahl, 2018-08-10 Are you tired of having to argue with people who say the American Civil War WASN'T about slavery? Are you ever frustrated that they came prepared to argue, but you didn't? This is a very brief, easily navigated handbook of actual quotes from the people who were directly involved in the conflict. Let the Confederacy speak for themselves. They were very clear about their motives. Don't let the lost cause myth muddy our true and important history.

**501 Civil War Quotes and Notes** Jonathan R. Allen, 2018-03-30 Do you want to learn about the Civil War? Would you like to know the thoughts and feelings of the Civil War soldiers and citizens? Do you wonder what it was like to be living during the Civil War? Would you like to know what happened in the Civil War? Find the answers to these questions and learn much more by reading the words of those who experienced the Civil War first-hand. The foundation of the United States was tested by fury and bloodshed during the Civil War, a war which ended slavery and kept the United States as a union. The people of the Civil War said and wrote much about their experiences. Learn from their words. Their words tell the story of the Civil War. 501 Civil War Quotes and Notes features quotes made before, during, and after the Civil War. Each quote has an informative note to explain the circumstances and background of the quote. Learn Civil War history from the spoken words and writings of the military commanders, political leaders, the Billy Yanks and Johnny Rebs who fought in the battles, the abolitionists who strove for the freedom of the slaves, the descriptions of battles, and the citizens who suffered at home. Their voices tell us the who, what, where, when, and why of the Civil War. Some quotes or notes might make you stop and think. You may gain some insight into the character and personality of Civil War leaders and commanders through their quotes. Perhaps some quotes or notes will give you an idea as to what it was like to be a soldier in the Civil War, or what it was like being a citizen living in those turbulent times. Some quotes will make you laugh. The people of the Civil War could sometimes use humor to find brief relief from the loss and horror of the war. A few examples of the quotes and notes found in 501 Civil War Quotes and Notes: #107. Hello, Massa; bottom rail on top dis time.\* An African-American Union soldier to his former master, who was now a prisoner of the Yankees. #110. Send for a clergyman, I wish to be baptized. I have been basely murdered.\* The last words of General William Nelson, the commander of the Union Army of Kentucky. Nelson was fatally shot by a fellow officer, General Jefferson C. Davis, during an argument in Louisville in 1862. #130. Captain, my religious

belief teaches me to feel as safe in battle as in bed. God has fixed the time for my death. I do not concern myself about that, but to always be ready, no matter when it may overtake me.\* General Thomas Jonathan Stonewall Jackson's reply to an officer who inquired as to how he remained so calm in battle. Stonewall would die on May 10, 1863, after being mistakenly shot by his own men on May 2 at the Battle of Chancellorsville.#230. I am one of the dull creatures that cannot see the good of secession.\* Robert E. Lee, 1861.#303. Jeff Davis rode a dapple gray, Lincoln rode a mule, Jeff Davis is a gentleman, And Lincoln is a fool.\* A verse from a Confederate song making fun of President Abraham Lincoln.#456. This place would be quite pleasant if it had been all burned up.\* A Union soldier from Connecticut named John Crosby voicing his opinion of swampy Donaldsonville, Louisiana. July 1863.501 Civil War Quotes and Notes can be read from start to finish or by thumbing-through and skipping from quote to quote as you please. You'll learn Civil War history from the words of those who lived the Civil War and made its history.

*The Civil War* Gordon Leidner,2014 Those who deny freedom to others deserve it not for themselves....-President Abraham Lincoln The third title in Gordon Leidner's successful series, *The Civil War: Quotes, Quips, And Speeches* captures the essence of this bloody and inevitable conflict through the insights, inspirations, and wisdoms of those who lived it. Featuring more than 220 quotes from both Union and Confederate soldiers and civilians, as well as excerpts from some of our country's most enduring speeches, *The Civil War* documents the chronology of one of the ultimate turning points in American history.

**The Civil War** Bob Blaisdell,Robert Blaisdell,2004-06-17 The time for compromise has now passed. The South is determined to maintain her position, and make all who oppose her smell Southern power and feel Southern steel. — Jefferson Davis. Talk! Talk! Talk! That will never free the slaves. What is needed is action — action! — Abolitionist John Brown. There is Jackson standing like a stone wall! Let us determine to die here, and we will conquer. — Confederate General Barnard E. Bee. More than 700 provocative declarations in this fascinating book constitute a running narrative by many who lived through or died in the Civil War. The voices of the great and famous, the ordinary and unknown, resound in these pages that bear historic witness to key events before, during, and after the war. Arranged chronologically and divided into sections on specific topics and events, this well-researched volume puts a human face on history and provides a unique perspective on the Civil War and its times. Of interest to Civil War buffs, students, and teachers of American history, this volume will also serve as a handy aid for speechwriters and public speakers.

**The Oxford Dictionary of Civil War Quotations** John D. Wright,2006-09-07 This Dictionary is the definitive book of quotations about America's bloodiest war, encompassing quotations not only from presidents, generals, and soldiers, but also from freed slaves, wives and daughters of both the Union and the Confederacy, journalists, diarists, and poets. Taken from both Civil War-era and modern sources, these quotations provide a multifaceted picture of the most tumultuous time in our

nation's history.--BOOK JACKET.

America Aflame David Goldfield, 2011-03-15 In this spellbinding new history, David Goldfield offers the first major new interpretation of the Civil War era since James M. McPherson's *Battle Cry of Freedom*. Where past scholars have limned the war as a triumph of freedom, Goldfield sees it as America's greatest failure: the result of a breakdown caused by the infusion of evangelical religion into the public sphere. As the Second Great Awakening surged through America, political questions became matters of good and evil to be fought to the death. The price of that failure was horrific, but the carnage accomplished what statesmen could not: It made the United States one nation and eliminated slavery as a divisive force in the Union. The victorious North became synonymous with America as a land of innovation and industrialization, whose teeming cities offered squalor and opportunity in equal measure. Religion was supplanted by science and a gospel of progress, and the South was left behind. Goldfield's panoramic narrative, sweeping from the 1840s to the end of Reconstruction, is studded with memorable details and luminaries such as Harriet Beecher Stowe, Frederick Douglass, and Walt Whitman. There are lesser known yet equally compelling characters, too, including Carl Schurz—a German immigrant, war hero, and postwar reformer—and Alexander Stephens, the urbane and intellectual vice president of the Confederacy. *America Aflame* is a vivid portrait of the fiery trial that transformed the country we live in.

War is All Hell Randall J. Bedwell, 2004 *War Is All Hell* is a no-holds-barred look at the American Civil War through the words of the people who endured it. Filled with more than 470 quotations from persons directly involved in the war and arranged with dozens of illustrations to convey the character of the war to present-day readers, it captures the thoughts and emotions of the times in a way that no ordinary history can do. Here in their own words are the thoughts, emotions, and curses of a nation at war with itself. Drawing on the well-known leaders such as Lincoln, Grant, Sherman, Davis, and Longstreet, it also contains a rich sampling of the common soldiers' observations and insights of the war. Each chapter begins with a brief introduction, highlighting significant events and describing the progress of the war. Both the eastern and western theaters are covered, with particular attention being paid to the great battlefield confrontations. The result is a surprisingly thorough coverage of the war's events and those who wore the blue and the gray.

*The Oxford Dictionary of American Quotations* Hugh Rawson, Margaret Miner, 2005-12-15 With nearly 6,000 quotations arranged historically and annotated extensively, you'll know not just who said what, but get the full story behind the quote. Follow any of the more than five hundred topics (from Abolition to Zeal) and you will get a nutshell history of what great (and not-so-great) Americans had to say about each one. Quotations are arranged chronologically in each topic, allowing the reader to trace patterns of thought over time. Fully indexed by author (including brief biographical sketches) and keyword, this is an essential reference for anyone interested in the great people and ideas of American history.

**"A House Divided..."** Edward L. Ayers, Kate Cohen, 1997-10-09 Contains quotes from both sides of the Civil War on a

variety of topics, including secession and the Confederacy, Jefferson Davis, a soldier's life, food and drink, and Reconstruction.

What Caused the Civil War? Edward L. Ayers, 2016-11-08 “An extremely good writer, [Ayers] is well worth reading . . . on the South and Southern history.”—Stephen Sears, Boston Globe The Southern past has proven to be fertile ground for great works of history. Peculiarities of tragic proportions—a system of slavery flourishing in a land of freedom, secession and Civil War tearing at a federal Union, deep poverty persisting in a nation of fast-paced development—have fed the imaginations of some of our most accomplished historians. Foremost in their ranks today is Edward L. Ayers, author of the award-winning and ongoing study of the Civil War in the heart of America, the Valley of the Shadow Project. In wide-ranging essays on the Civil War, the New South, and the twentieth-century South, Ayers turns over the rich soil of Southern life to explore the sources of the nation's and his own history. The title essay, original here, distills his vast research and offers a fresh perspective on the nation's central historical event.

*The Abraham Lincoln Book of Quotes* Travis Hellstrom, 2023-10-31 The Abraham Lincoln Book of Quotes is a collection of the best quotes, speeches, and advice from one of the most influential and greatest president of all time. Abraham Lincoln's words have been a source of wisdom and inspiration for so many people in all walks of life. From his rousing Gettysburg Address to his personal letters to his wife, there is always something new to learn about the man and, in turn, about ourselves. The Abraham Lincoln Book of Quotes compiles his best quotes, speeches, and advice in one place and reaches out to an America, and a world, which need them more than ever. Organized into sections by themes, this book is accessible and easy to share with friends and loved ones.

**Abraham Lincoln Quotes** Sreechinth C, Honest Abe, Abraham Lincoln, a lawyer turned President, was the 16th President of United States. Lincoln led the country through Civil War that caused due to the abolition of slavery. Abraham Lincoln brought about many economic reforms that caused its modernization. He was a true lover of democracy and his quotes on various aspects had gained huge recognition.

**Washita : the U.S. Army and the Southern Cheyennes, 1867-1869** Jerome A. Greene, 2004 In this remarkably balanced history, Jerome A. Greene describes Custer attack on the Cheyenne at the Washita River--its causes, conduct, and consequences--even as he addresses the multiple controversies surrounding the conflict.

America in Quotations Howard J. Langer, 2002-02-28 This is history from the inside out. What did Americans say about the great events in their own lifetimes? This book is a grassroots look at the country, as real people tell the story of America in their own voices. Quotations from more than 350 individuals are taken from speeches, interviews, editorials, letters, jokes, songs, and eyewitness accounts represent American thought from the ground up. This compendium includes the words of everyone from politicians and generals, to Native Americans, ethnic minorities, women, labor representatives, and slaves.

The book is divided into 18 traditional historical periods from the pre-Columbus explorers to the terrorist attacks of September 11, 2001. We hear the voices of Jefferson, Lincoln, Teddy and FDR, but also of Joe McCarthy, Huey Long, and Susan B. Anthony. We hear American law in action through watersheds like *Brown v. the Board of Education*, the Scopes case, the prosecution of Sacco and Vanzetti, and the Salem witch trials. Then there are the grace notes, the forgotten but significant stories—a black woman beaten and humiliated for encouraging others to vote; the G.I. who overthrew a German bunker at Normandy; the last letter of a Union soldier soon to die in battle. Their words are woven into American history, remembered and illuminated in this kaleidoscopic collection.

*American Visions: The United States, 1800-1860* Edward L. Ayers, 2023-10-24 “An inspiring book.... *American Visions* beautifully shows how remarkably resilient dreams of a better republic remained even in the darkest of times.” —Christoph Irmscher, Wall Street Journal A revealing history of the formative period when voices of dissent and innovation defied power and created visions of America still resonant today. With so many of our histories falling into dour critique or blatant celebration, here is a welcome departure: a book that offers hope as well as honesty about the American past. The early decades of the nineteenth century saw the expansion of slavery, Native dispossession, and wars with Canada and Mexico. Mass immigration and powerful religious movements sent tremors through American society. But even as the powerful defended the status quo, others defied it: voices from the margins moved the center; eccentric visions altered the accepted wisdom, and acts of empathy questioned self-interest. Edward L. Ayers’s rich history examines the visions that moved Frederick Douglass, Margaret Fuller, the Native American activist William Apess, and others to challenge entrenched practices and beliefs. So, Lydia Maria Child condemned the racism of her fellow northerners at great personal cost. Melville and Thoreau, Joseph Smith and Samuel Morse all charted new paths for America in the realms of art, nature, belief, and technology. It was Henry David Thoreau who, speaking of John Brown, challenged a hostile crowd Is it not possible that an individual may be right and a government wrong? Through decades of award-winning scholarship on the Civil War, Edward L. Ayers has himself ventured beyond the interpretative status quo to recover the range of possibilities embedded in the past as it was lived. Here he turns that distinctive historical sensibility to a period when bold visionaries and critics built vigorous traditions of dissent and innovation into the foundation of the nation. Those traditions remain alive for us today.

**Jewish Soldiers in the Civil War** Adam D. Mendelsohn, 2022-11-15 Offers an engaging account of the experiences of Jewish soldiers in the Union Army during the Civil War What was it like to be a Jew in Lincoln’s armies? The Union army was as diverse as the embattled nation it sought to preserve, a unique mixture of ethnicities, religions, and identities. Almost one Union soldier in four was born abroad, and natives and newcomers fought side-by-side, sometimes uneasily. Yet though scholars have parsed the trials and triumphs of Irish, Germans, African Americans, and others in the Union ranks, they have remained largely silent on the everyday experiences of the largest non-Christian minority to have served. In ways visible and

invisible to their fellow recruits and conscripts, the experience of Jews was distinct from that of other soldiers who served in Lincoln's armies. Adam D. Mendelsohn draws for the first time upon the vast database of verified listings of Jewish soldiers serving in the Civil War collected by The Shapell Roster, as well as letters, diaries, and newspapers, to examine the collective experience of Jewish soldiers and to recover their voices and stories. The volume examines when and why they decided to enlist, explores their encounters with fellow soldiers, and describes their efforts to create community within the ranks. This monumental undertaking rewrites much of what we think we know about Jewish soldiers during the Civil War.

The Political Outtakes Pasquale De Marco, 2025-05-23 The Political Outtakes is a hilarious and informative journey through the quirky, unconventional, and downright bizarre side of American political history. From the campaign trail to the White House, from Capitol Hill to the international stage, this book delves into the fascinating stories, unforgettable characters, and mind-boggling facts that have shaped the American political landscape. Whether you're a political junkie, a history buff, or simply someone who enjoys a good laugh, this book is sure to leave you entertained from cover to cover. If you like this book, write a review on google books!

**Lee In the Shadow of Washington** Richard B. McCaslin, 2001-10-01 ?

**The Geopolitics of American Insecurity** Francois Debrix, Mark Lacy, 2009-01-13 This edited volume examines the political, social, and cultural insecurities that the United States is faced with in the aftermath of its post-9/11 foreign policy and military ventures. The contributors critically detail the new strategies and ideologies of control, governance, and hegemony America has devised as a response to these new security threats. The essays explore three primary areas. First, they interrogate the responses to 9/11 that resulted in an attempt at geopolitical mastery by the United States. Second, they examine how the US response to 9/11 led to attempts to secure and control populations inside and outside the United States,

resulting in situations that quickly started to escape its control, such as Abu Ghraib and Katrina. Lastly, the chapters investigate links between contemporary regimes of state control and recently recognized threats, arguing that the conduct of everyday life is increasingly conditioned by state-mobilized discourses of security. These discourses are, it is argued, ushering in a geopolitical future characterized by new insecurities and inevitable measures of biopolitical control and governance.

A Year of Quotes and Facts Atish Sharma, 2020-12-21 This is the Black and White Version of the Book A Year of Quotes and Facts. It's The Same Book Just Easy to Get and Having More Quantity. In this book I have listed finest quotes from very famous and noteworthy people. Every month represents a special section like first month of the year is about opportunity we get to do something good this year. There are 12 main categories in the book. For all days facts from history are hand picked for you to learn more about world. This Book dedicated to everyone who Believe in good and bright future. ## **American Civil War Quotes Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you

can explore and download free American Civil War Quotes PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it

possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free American Civil War Quotes PDF books and manuals is

convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of American Civil War Quotes free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About American Civil War Quotes Books**

1. Where can I buy American Civil War Quotes books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
