CHAPTER 37 Madam? The woman immediately recognized Bai He, and called out to her in disbelief. She was clearly very surprised to see Bai He come to the door. A few months ago, the entire family of Grand Officer Zhou finally found a place to live. At first, when the family property was confiscated, because Grand Officer Zhou was still inside, he managed to hide some small banknotes under his armpit. Because the amount was not much, he was able to hide them. After arriving at Doanh Chau, he exchanged the banknotes for silver, redeemed the entire family, and then bought a new house, which was considered stable again. But life could no longer be the same as when they lived in the previous mansion. For more than a year, the entire family had to eat frugally. They could no longer drink bird's nest when they were thirsty, or have a chef cook delicious food like before.

*Kadam: Stages of the Path, Mind Training, and Esoteric Practice, Part One* Jamgon Kongtrul Lodro Taye,2024-04-02 A comprehensive selection of texts central to the Kadam lineage of Tibetan Buddhism, including topics like Mind Training, Stages of the Path, and esoteric tantric instructions. The Treasury of Precious Instructions by Jamgön Kongtrul Lodrö Taye, one of Tibet's greatest Buddhist masters, is a shining jewel of Tibetan literature, presenting essential teachings from the entire spectrum of practice lineages that existed in Tibet. In its eighteen volumes, Kongtrul brings together some of the most important texts on key topics of Buddhist thought and practice as well as authoring significant new sections of his own. The Kadam lineage derives from the teachings and practices taught by the Indian master Atiśa and his Tibetan students. Atiśa spent twelve years in Tibet and left a scholarly and devotional lineage that would be significant to all traditions of Tibetan Buddhism, but particularly the Geluk, the tradition of the Dalai Lamas, which fashioned themselves as the New Kadam tradition. Jamgön Kongtrul's catalog to The Treasury of Precious Instructions classifies Kadam literature into five categories: treatise, instruction, esoteric practice, ancillary works, and associated works. The first two are the main topics covered in this volume: Lamrim, or Stages of the Path, and Lojong, or Mind Training. These two Kadam teachings continue to exert a significant influence on Tibetan Buddhism and therefore represent the legacy of the Kadam tradition. The first centers around "The Lamp for the Path to Enlightenment," written by the eleventh-century Indian master Atiśa who spent twelve years in Tibet, and this volume also includes stories of Atiśa's life and travels. The second set of teachings consists of aphorisms known as the Seven-Point Mind Training, meant to be used as contemplative practices to develop compassion and transform the mind. These selections show not only the foundational texts of the Kadam tradition but also the widespread impact these teachings continued to have across traditions.

**Hungry Forest** Nguyen Trong Luan,2022-03-08 Writing on war with author Nguyen Trong Luan is like looking at the back of a medal. The work is full of lively details. But it doesn't make us feel confused. Because its "red string" is very outstanding - fighting optimism, the joy of living, passionate affection for the homeland. At the last page of the novel "Hungry Forest", all the hardship, hunger, and death seem to pass by. For me, only the victorious smiles of ordinary but great soldiers remained. That's the success of the writer who wore the soldier's uniform: Nguyen Trong Luan. (Literary Critic Bui Viet Thang)
