Gilbert A. PIERCE

A Far Better Thing JD Wilburn, 2021-02-09 Detective Bo Alexander knows the perils of drugs and alcohol all too well, and she's made it her mission to keep people safe. Cass Halliburton grew up in the Voleurs, the most ruthless motorcycle outlaw club in the world, and she's in Galveston Island to watch over the national expansion of her business. Bo's assigned to the task force looking to take her down, and Cass plans on making sure Bo keeps her nose out of club business. But the clues aren't adding up, and the attraction surging between them only makes things more dangerous. When Bo stumbles on a secret far more threatening than anyone anticipated, a stranger in the shadows wants payback. Bo and Cass are on opposite sides of the law, and their battle of wills may not only decide their chances at love, but also their fate.

In Dialogue with Dickens Rosemarie Bodenheimer, Philip Davis, 2024-02-01 Written in the form of a back-and-forth dialogue between the two authors, this book is about the relationship between feeling and thinking in Dickens's novels. It presents Dickens as a psychological thinker, whose generative thought may be conscious, unconscious, half-conscious, or in transit between one state and another. This Dickens is always in live process, improvizing from one monthly number to the next, subtly revizing as he goes, shifting moods, tenses, and tones from one paragraph or sentence to the next, as what he writes sparks off what he suddenly, newly, thinks. The chapters approach this inquiry through close readings of chosen passages, including studies of telling revisions in Dickens's manuscripts that reveal the power of his deepened second thoughts. They also draw on selected moments from his personal letters and prefaces when these more casual writings prove to be sketches or rehearsals for thoughts and feelings that achieve new life when they are transformed into fiction. The book concentrates on four novels of his great middle period: *Dombey and Son*, *David Copperfield*, *Bleak House*, and *Little Dorrit*, while making excursions into earlier and later Dickens novels, notably *A Tale of Two Cities* and *Our Mutual Friend*. The experiment of intense but informal conversation between the authors also models the relationship between feeling and thinking in the act of reading and responding to powerful moves in fiction.

Word 2007: The Missing Manual Chris Grover, 2006-12-21 Microsoft Word has grown considerably in power, sophistication and capability over the past decade, but one thing that hasn't changed since the early '90s is its user interface. The simple toolbar in version 2.0 has been packed with so many features since then that few users know where to find them all. Consequently, more and more people are looking for insider tips that will allow them to use these advanced and often

hidden features. Microsoft has addressed this problem in Word 2007 by radically redesigning the user interface with a tabbed toolbar that makes every feature easy to locate and use. Unfortunately, Microsoft's documentation is as scant as ever, so even though you will be able to find advanced features, you might not know what to do with them. Word 2007: The Missing Manual, written specifically for this version of the software, explains basics like how to create documents, enter and edit text, format, print, and fax. You will also learn how to create sophisticated page layouts, insert forms and tables, use graphics, and create book-length documents with outlines and Master Documents. Coverage also includes how to share documents with other people and programs, create web pages, automate documents with fields, and automate tasks with macros and the Visual Basic scripting language. This book shows you how to do it all.

The Gospel According to Dan Brown Jeff Dunn, Craig Bubeck, 2006 Using their knowledge of how stories work, Dunn and Bubeck compare the gospel stories of the Bible to Brown's myths. They show that the two worldviews are worlds apart.-- Inside jacket cover.
