Mass Communication In Israel Oren Soffer,2014-11-01 Mass communication has long been recognized as an important contributor to national identity and nation building. This book examines the relationship between media and nationalism in Israel, arguing that, in comparison to other countries, the Israeli case is unique. It explores the roots and evolution of newspapers, journalism, radio, television, and the debut of the Internet on both the cultural and the institutional levels, and examines milestones in the socio-political development of Hebrew and Israeli mass communication. In evaluating the technological changes in the media, the book shows how such shifts contribute to segmentation and fragmentation in the age of globalization.

*The Arab Public Sphere in Israel* Amal Jamal,2009-10-16 In this pathbreaking study, Amal Jamal analyzes the consumption of media by Arab citizens of Israel as a type of communicative behavior and a form of political action. Drawing on extensive public opinion survey data, he describes perceptions and use of media ranging from Arabic Israeli newspapers to satellite television broadcasts from throughout the Middle East. By participating in this semi-autonomous Arab public sphere, the average Arab citizen can connect with a wider Arab world beyond the boundaries of the Israeli state. Jamal shows how media aid the community's ability to resist the state's domination, protect its Palestinian national identity, and promote its civic status.

**The World According To Israeli Newspapers** Margret Müller,2017-01-26 Since its outbreak, the Israeli-Palestinian conflict has been shaped by international involvement. These external engagements in the conflict are primarily transmitted to Jewish Israelis through the Israeli mass media. These media portrayals shape not only perceptions of the “global” attitudes towards the conflict, but in so doing they also influence and legitimize domestic political debates and decisions. This research is guided by the question how Israeli newspapers represent international involvement in the Israeli-Palestinian conflict. How is the involvement contextualized and how qualified? Do societal constructs and beliefs shape the media representations and if so, in which manner? Do media representations differ in times of crisis and routine? Margret Müller explores these questions in a content analysis of the four general daily Israeli newspapers’ media coverage during the Gaza flotilla raid 2010.

**The Palestinian Strategic Report 2010/11** Dr. Mohsen Mohammad Saleh,2011-05-23 This annual referential report,

has become an essential classic in the academic realm of Palestinian Studies. It includes the latest and most recent statistical and analytic data on the various developments related to the Palestinian issue. Al-Zaytouna Centre for Studies and Consultations issued its Palestinian Strategic Report 2010/11 (PSR 2010/11) which addresses the developments of the Palestinian issue in 2010/11. The PSR is considered one of the most important scientific studies published annually by Al-Zaytouna Centre. The Report is rich with information, analyses, tables and charts besides strategic visions and future outlooks. It is published for the sixth year in a row and it has become one of the major sources for experts and those interested in the Palestinian issue. It provides a comprehensive coverage of the developments of the Palestinian issue that happened over a year while abiding by strict scientific and professional standards. The Report is 444 medium-sized pages. It is co-authored by 15 researchers specialized in the Palestinian issue, reviewed by four consultants and edited by Dr. Mohsen M. Saleh. The PSR 2010/11 stresses that the uprisings witnessed in the Arab world since early 2011, especially in Egypt, will have a direct impact on the Palestinian issue. The impact will most likely be positive if the uprisings achieved their goals and yielded political regimes which express the real will of the Arab peoples. However, the Report notes that the internal affairs would most probably be the primary concern during the coming period. Regarding the inter-Palestinian reconciliation, PSR 2010/11 asserts that the reconciliation agreement signed in Cairo last May still needs more serious steps to end the division and achieve real reconciliation on the ground. It needs to resolve many obstacles through cooperation between the different parties, away from external interventions and pressures. On the Israeli level, the Report mentions that 2010 has continuously witnessed the inclination of the Israeli society towards the extreme right. It further notes the absence of any breakthroughs in 2011 especially in the light of Israel's rejection for the negotiations with President Mahmud 'Abbas. The agreement signed with Hamas and the PA's attempts to obtain international recognition of the Palestinian State in September 2011 hindered such negotiations. On the international level, the PSR says that the international diplomatic efforts towards the Palestinian issue have failed again in 2010. They could not achieve any significant progress regarding the peace settlement track or the siege imposed on the Gaza Strip. Moreover, PSR 2010/11 includes a large number of figures and statistics on Israeli violations on different levels. During 2010, 98 Palestinians were killed in the West Bank and Gaza Strip (including Jerusalem) by Israeli forces and settlers while 967 Palestinians and international solidarity activists were wounded. On the other hand, Israel's internal security service mentioned that during 2010, 9 Israelis were killed and 28 were wounded in operations carried out by the Palestinians. Concerning settlement building, the Report shows that despite the 10-month Israeli moratorium on settlement building, Israel established 1819 buildings/apartments in 133 settlements all over the West Bank, including Jerusalem; in addition to 1433 mobile homes (caravans). PSR 2010/11 also discusses the increased Israeli attacks on the Islamic and Christian holy sites in Jerusalem and historic Palestine, during 2010. It further shows that the developments during that year revealed that the Judaization of Jerusalem has become the primary battle for Israel due to the

obsession with the “Jewishness of the state” dominating the Israeli mind. Concerning demographic indicators, PSR 2010/11 mentions that at the end of 2010 the number of Palestinians around the world was around 11.14 million people. More than half of them, i.e., 5.75 million (51.6%) live in Diaspora, while the rest, i.e., 5.39 million (48.4%) live in historic Palestine. The latter are distributed by 1.28 million people in the territories occupied in 1948 and 4.11 million in the '67 territories. The Report mentions that if the current growth rates of the Palestinians and the Jews persist, the number of Palestinians and Jews will become on par by 2017 where each will reach around 6.53 million. Thus, in 2020, around 49.2% of the population will be Jews as their number will reach 6.87 million compared to 7.09 million Palestinians. Regarding the economic indicators in the West Bank and the Gaza Strip, the Report shows that events during 2010 has not affected the direct dependence of the Palestinian economy on the Israeli economy. In addition, the isolation of the Palestinian economy from the outside world continued due to the Israeli control of all international exits and Palestinian border crossings besides the Palestinian foreign trade. PSR 2010/11 also refers to the enormous difference between the Palestinian economy in the West Bank and the Gaza Strip on one hand and the Israeli economy on the other. Thus, it shows, for example, that in 2010 the Palestinian GDP per capita was \$1500 (around \$1925 in the West Bank and \$877 in the Strip) compared to \$28,500 in Israel. In addition, the GDP amounted to \$5.73 billion for the Palestinians compared to \$217.13 billion for the Israelis.

**Palestinian Ethnonationalism in Israel** Oded Haklai, 2011-06-15 Arabs make up approximately 20 percent of the population within Israel's borders. Until the 1970s, Arab citizens of Israel were a mostly acquiescent group, but in recent decades political activism has increased dramatically among members of this minority. Certain activists within this population claim that they are a national and indigenous minority dispossessed by more recent settlers from Europe. Ethnically based political organizations inside Israel are making nationalist demands and challenging the Jewish foundations of the state. Palestinian Ethnonationalism in Israel investigates the rise of this new movement, which has important implications for the Palestinian-Israeli conflict as a whole. Political scientist Oded Haklai has written the first book to examine this manifestation of Palestinian nationalism in Israel. Drawing on extensive fieldwork and interviews with key figures, Haklai investigates how the debate over Arab minority rights within the Jewish state has given way to questioning the foundational principles of that state. This ground-breaking book not only explains the transitions in Palestinian Arab political activism in Israel but also presents new theoretical arguments about the relationship between states and societies. Haklai traces the source of Arab ethnonationalist mobilization to broader changes in the Israeli state, such as the decentralization of authority, an increase in political competition, intra-Jewish fragmentation, and a more liberalized economy. Palestinian Ethnonationalism in Israel avoids oversimplified explanations of ethnic conflict. Haklai's carefully researched and insightful analysis covers a neglected aspect of Israeli politics and Arab life outside the West Bank and Gaza. Scholars and policy makers interested in the future of Israel and peace in the Middle East will find it especially valuable.

**The Palestinian-Arab Citizens of Israel: Towards the Internationalisation of National Aspirations** Ilham

Shahbari,2021-01-28 The relations between the Israeli state and its Arab citizens have been distorted by the perception that national security concerns require the full rights of citizenship to be restricted for members of the Arab community. However, the national security of the state can also be affected by a poor reputation in the international community, which plays a vital role in sustaining the existence of the state. This created a space for Arab intelligentsia to use internationalisation as a means to promote their cause. This study is designed to explore and analyse the internationalisation process and its impact regarding the Arab community in Israel. It is a beneficial source to academics, experts, policymakers, journalists and other experts and interested members of the public.

**The War on Women in Israel** Elana Maryles Sztokman,2014-09-16 THIS EYE-OPENING LOOK AT THE RISING OPPRESSION OF ISRAELI WOMEN OFFERS A RALLYING CRY FOR HOW WOMEN EVERYWHERE CAN FIGHT BACK. ACROSS ISRAEL—one of the world's most democratic countries—women are being threatened and abused as ultra-Orthodox Jewish factions seek to suppress them. In this stunning exposé, award-winning author and leading Jewish women's activist Elana Sztokman reveals the struggles of Israeli women against this increasing oppression, from segregation on public buses—in a move Hillary Clinton called reminiscent of Rosa Parks—to being silenced in schools and erased from newspapers and ads. This alarming patriarchal backlash isn't limited to Israel either: its repercussions endanger the rights and freedoms of women from Afghanistan to America. But there's hope as well: courageous feminist activists within the Orthodox world are starting to demand systemic change on these fronts, and, with some support from non-Orthodox advocates, they're creating positive reforms that could help women everywhere. Blending interviews with original investigative research and historical context, Sztokman traces the evolution of this struggle against oppression and proposes solutions for creating a different, more egalitarian vision of religious culture and opportunity in Israeli society and around the world. Fearless and inspiring, *The War on Women in Israel* brings to light a major social and international issue and offers a rousing call to action to stop the repression of women in Israel and worldwide.

**The Palestine pound and the Israel pound** Robert David Ottensooser,1955

*The Palestine Strategic Report 2016-2017* Dr. Mohsen Mohammad Saleh ,2018-11-19 This annual referential report, has become an essential classic in the academic realm of Palestinian Studies. It includes the latest and most recent statistical and analytic data on the various developments related to the Palestinian issue. \*\*

*Israel's 70th Anniversary: Insights and Perspectives* Regina Polak,2020-09-07 The aim of the volume is to offer interdisciplinary insights unknown to many into the interior of the religious, cultural and political laboratory that is Israel. Europe can learn a lot from Israel: The handling of religious diversity within the country; the meaning of the Hebrew language; the integration of more than a million Jewish immigrants; the development of a dynamic economy; a flourishing

education and science system; a rich culture in the field of literature and above all film; and last but not least the lively, constant and conflictual struggle for democracy. Additionally, the question of Israel-related anti-Semitism is debated from the perspective of Jewish studies, social sciences and Catholic theology.

**The Use of New Media by the Palestinian Diaspora in the United Kingdom** Amira Halperin, 2018-11-07 This book presents pioneering research on the impact of new media on the Palestinian Diaspora, and is the result of unprecedented access to the Palestinian community in the United Kingdom. It explores issues of politics, conflict resolution, new media and daily life experiences of the dispersed Palestinian people. The research is linked to the contemporary phenomenon of the large immigration wave from the Middle East and Africa to Europe, and the increasing use in internet and smart phone applications by immigrants. As the book shows, new technology empowers the Palestinian people, enables their global visibility, and strengthens democratic values in this society. It deals with the impact of new media on the Palestinian Diaspora, from the emergence of satellite television channels and the internet to the development of social networks and smart phone applications. During the research period, internet and smart phone usage of Palestinians in the UK was higher than the usage in Gaza and the West Bank. In recent years, there has been a significant increase in the use of digital and information technology in Gaza and the West Bank. The book will primarily appeal to international scholars specializing in media, the Middle East, diaspora and migration, political science, and peace and conflict studies. It will also be of interest to those involved in politics and new media, as well as government decision-makers, and legislators.

**Devoted Resistance** David Sperber, 2025-04-17 What is Jewish-feminist art, and how does it contribute to the spaces of art, society, and religion? Devoted Resistance examines the nature, methods of operation, and contribution of the feminist art movement, which has developed in traditional Jewish spheres since the late 1990s in the two major Jewish centers – the United States and Israel. The book analyzes critical Jewish feminist art and the different fields in which it operates; it explores the interrelationships between feminist Jewish art and feminist theories; the connection between critical discourse and feminist activism in observant Jewish worlds; and feminist artists and artwork in these spaces. Devoted Resistance highlights aspects common to feminist Jewish artists who create from traditional spheres and amalgamate the “social” with the “theological,” connecting private experience with community existence. It offers new and vital contextual understandings regarding the relationship between feminist art and Jewish Identity, illuminating their relationship through Jewish religion rather than merely Jewish ethnicity. By doing so, the book demonstrates how art, theology, feminism, and critical thinking interwind.

**The Seventh Million** Tom Segev, 2024-09-04 A Ha'aretz columnist sheds critical light on the complex relationship between Israel and the Holocaust in this frank and eye-opening history ( The New York Times Book Review). The Seventh Million is the first book to show the decisive impact of the Holocaust on the identity, ideology, and politics of Israel. Drawing

on diaries, interviews, and thousands of declassified documents, Tom Segev reconsiders the major struggles and personalities of Israel's past, including David Ben-Gurion, Menachem Begin, and Nahum Goldmann. Through examination of critical moments such as the Exodus affair, the Eichmann trial, and the case of John Demjanjuk, Segev argues that the nation's legacy has been molded and manipulated in accordance with the ideological requirements of the state. *The Seventh Million* uncovers a vast and complex story and reveals how the bitter events of decades past continue to shape the experiences not just of individuals but of a nation. Richly documented and written with great passion. — Elie Wiesel, Los Angeles Times Book Review

**A Check List of American Newspapers in the Library of Congress** Library of Congress. Periodicals Division, 1929  
**Jewish Humor** Arie Sover, 2021-04-06 This book details the evolution of Jewish humor, highlighting its long history from the period of the Bible to the present day, and includes a wide spectrum of styles that are expressed in various works and fields, including the Bible, the Talmud, poetry, literature, folklore, jokes, movies, and television series. It focuses upon three socio-geographic regions where the majority of Jewish people lived during the 18th to 21st centuries and where Jewish humor was created, developed and thrived: Eastern Europe, the United States and Israel. The text is a complicated mosaic based on three central components of Jewish life: historical experience, survival, and wisdom. It shows that one cannot understand Jewish humor without referring to the various factors which led the Jewish people to create their unusual sense of humor.

**Liberalization and Culture in Contemporary Israel** Ari Ofengenden, 2018-09-15 In this book Ari Ofengenden examines the ways that Israel's integration into global economy has affected its main stream culture. Ofengenden uses works of Israeli film, literature, and television, from the past 30 years to conceptualize the changes in Israel's culture. He analyzes the central phenomena associated with Israel's integration into the global economy including: the demise of realism and the rise of commercial culture, the production of film, television, and novels for western audiences, and the critiques of capitalism in media. Ofengenden also explores the refiguring national identity through critique of masculinity. The book also discusses the affect globalization and marketization has had on modern narratives of the Arab-Israeli conflict.

**Arab and Jew** David K. Shipler, 2015-11-10 WINNER OF THE PULITZER PRIZE • “A rich, penetrating, and moving portrayal of Arab-Jewish hostility, told in human terms.”—Newsday Now expanded and updated • “The best and most comprehensive work there is in the English language on this subject.”—The New York Times In this monumental work, extensively researched and more relevant than ever, David Shipler delves into the origins of the prejudices that exist between Jews and Arabs that have been intensified by war, terrorism, and nationalism. Focusing on the diverse cultures that exist side by side in Israel and Palestine, Shipler examines the process of indoctrination that begins in schools; he discusses the effects of socioeconomic differences, the clashes of Israeli and Palestinian historical narratives, religious conflicts

between Islam and Judaism, views of the Holocaust, and much more. And he writes of the people: the Arab woman in love with a Jew, the retired Israeli military officer now disillusioned, the Palestinian militant devoted to violent means, the Israeli and Palestinian schoolchildren who reach across the divides in search of reconciliation. Their stories, and the hundreds of others, reflect not only the reality of “wounded spirits” but also the healing inside minds necessary for eventual coexistence in the promised land.

The Handbook of Israel's Political System Itzhak Galnoor, Dana Blander, 2018-07-26 There is growing interest in Israel's political system from all parts of the world. This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre-state period to the present. The themes covered include: political heritage and the unresolved issues that have been left to fester; the institutional framework (the Knesset, government, judiciary, presidency, the state comptroller and commissions of inquiry); citizens' political participation (elections, political parties, civil society and the media); the four issues that have bedevilled Israeli democracy since its establishment (security, state and religion, the status of Israel's Arab citizens and economic inequities with concomitant social gaps); and the contours of the political culture and its impact on Israel's democracy. The authors skilfully integrate detailed basic data with an analysis of structures and processes, making the Handbook accessible to both experts and those with a general interest in Israel.

Colonial Copyright Michael D. Birnhack, 2012-10-04 When the British Empire enacted copyright law for its colonies and called it colonial, or Imperial, copyright, it had its own interests in mind. Deconstructing the imperial policy regarding copyright offers a startling glimpse into how this law was received in the colonies themselves. Offering the first in-depth study from the point of view of the colonized, this book suggests a general model of Colonial Copyright as it was understood as the intersection of legal transplants, colonial law, and the particular features of copyright, especially authorship. Taking as a case study the story of Mandate Palestine (1917-1948), the book details the untold history of the copyright law that became the basis of Israeli law, and still is the law in the Palestinian Authority. It queries the British motivation in enacting copyright law, traces their first, indifferent reaction, and continues with the gradual absorption into the local legal and cultural systems. In the modern era copyright law is at the forefront of globalization but this was no less true when colonial copyright first emerged. By shining a light on the introduction and reception of copyright law in Mandate Palestine, the book illuminates the broader themes of copyright law: the questions surrounding the concept of authorship; the relationship between copyright and the demands of progress; and the complications of globalization.

**String Processing and Information Retrieval** Liliana Calderon-Benavides, Cristina Gonzalez-Caro, Edgar Chavez, Nivio Ziviani, 2012-09-13 This book constitutes the refereed proceedings of the 19th International Symposium on String Processing and Information Retrieval, SPIRE 2012, held in Cartagena de Indias, Colombia, in October 2012. The 26 full papers, 13 short papers, and 3 keynote speeches were carefully reviewed and selected from 81 submissions. The following topics are covered:

fundamentals algorithms in string processing and information retrieval; SP and IR techniques as applied to areas such as computational biology, DNA sequencing, and Web mining.

### **Haaretz Newspaper In Hebrew Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Haaretz Newspaper In Hebrew has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Haaretz Newspaper In Hebrew has opened up a world of possibilities. Downloading Haaretz Newspaper In Hebrew provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around

heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Haaretz Newspaper In Hebrew has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Haaretz Newspaper In Hebrew. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Haaretz Newspaper In Hebrew. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Haaretz

Newspaper In Hebrew, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Haaretz Newspaper In Hebrew has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Haaretz Newspaper In Hebrew Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make

sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Haaretz Newspaper In Hebrew is one of the best book in our library for free trial. We provide copy of Haaretz Newspaper In Hebrew in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Haaretz Newspaper In Hebrew. Where to download Haaretz Newspaper In Hebrew online for free? Are you looking for Haaretz Newspaper In Hebrew PDF? This is definitely going to save you time and cash in something you should think about.
