A Tiny Universe Joy Usher,2018-05-31 A Tiny Universe is a textbook which is based on Thema Mundi, a symbolic chart of the planets positions at the beginning of humankind's existence. Thema Mundi has existed as the teaching tool for astrological techniques since Hellenistic times and traditional sources from Greek, Persian, Arabic and Hebrew origins used the mythical representation of the Birth-chart of the Universe as a model for their evolving theories on astrology over the centuries. A Tiny Universe explores the seven original planets and their meanings and discusses the planets role, both in general through the time periods of life, and specifically through the astrology chart. The judgement of a planets condition under the terms of the Essential and Accidental Dignities is featured and the Friendships and Enmities which exist between various planets is discussed in the book. Thema Mundi embraces the process of life which begins with the four qualities, leads to the roots which we call the elements, and completes its journey at the twelve zodiac signs. The final chapters highlight the importance of the twelve houses which set the planets into specific areas of an individual's life through the astrology chart. A Tiny Universe takes a modern look at a very old chart as Thema Mundi introduces the planets, the qualities, the signs, and the houses, to the reader who is interested in astrology from the novice astrologer, to the practitioner, who wishes to gain a deeper understanding of the origins of their craft.

If I Was a Toy Sarah Smith,2018-06-01 Welcome to Sally's world, where the impossible becomes possible. Where imagination has no boundaries. Travel with her and her friends through countless journeys from the Amazon rain forest to the end of the universe with fun, laughter, a tinge of sadness and learn along the way. Witness Sally's transformation into a lion with an attitude, her doll Sarah transforms into a bird as mad as a March hare. A cross dressing frog Trichobatrachus and his long -suffering Brother Robusius. They begin their adventure to find a name for a little elephant as only Parents together can name their babies, and with her Mother Rebecca Alice Pompadour Numpty by her side off they go into the great unknown. You will meet a crocodile called Gum Drop with a bad case of halitosis, a heart as big as the sun, with a philosophy in life to smile, think, give, laugh, love, dream and not to look back as he wasn't going that way. A family of giraffes that will have you laughing you socks off, but that is okeydokey as a very big pink hairy yak called Zak likes to wear a pretty one. Follow these animals and more and build up a kaleidoscope of wonderful colours and memories, to enjoy whenever you wish.

A Life Worth Living Bernard Sabella, 2017-12-14 Amidst a sometimes confusing barrage of news about the Middle East, Dr. Bernard Sabella, a Palestinian Christian, offers an enlightening, often humorous, personal narrative accompanied by reflections on lessons learned from his life in a conflict zone. Displaced from his home in infancy with his refugee family and educated in Jerusalem's Old City before pursuing university studies in the US, he blossomed into a committed educator, scholar, member of the Palestinian Parliament, and director of a church aid agency. Throughout his life Dr. Sabella has never lost his focus on the goal of promoting peace through understanding, and he has never been diverted from his path of absolute nonviolence. *A Life Worth Living* speaks with a voice worth listening to, alternately anecdotal and analytical, touching our hearts while pondering the past, present, and future of the Holy Land.

Hearing Jesus Kourtney Govro, 2023-01-10 "You can never go wrong studying, Jesus," Dr. Darrel Bock told me. This has become one of my favorite phrases. The Bible is one of the most accessible, understandable, and yet completely complex books ever written. It is filled with stories, advice, love letters, prophecy, poems, and prose. It is history in all its rawness combined with a promise that started when time began and was fulfilled with Jesus. With him as our focus, we cannot go wrong. If you have ever wondered, "Who is this Jesus?", "What does He stand for?", "What does it mean to be a follower of Christ?", or "What makes Him different than religion?", then I encourage you to take a journey through the Sermon on the Mount. Nothing speaks to the heart of the Messiah's mission more than it does.
