

Summer In The Country

Jeannette Leonard Gilder, Joseph Benson Gilder

A Summer in the Country Marcia Willett, 2010-04-01 Marcia Willett's previous novel, *A Week in Winter*, her first to be published in the United States, received a rousing welcome from readers and reviewers alike. Her new novel, *A Summer in the Country*, introduces an equally beguiling cast of characters whose lives become intricately entwined at Foxhole, a charming and cozy country house on the wild edges of the Devon moors. Brigid Foster has inherited Foxhole from her father, and has created two guest cottages, which she rents during the holidays to tourists. Brigid's delight at welcoming Louise Parry, one of her regular summer visitors, is tempered by the irritating presence of Brigid's monumentally judgmental mother, Frummie. Having abandoned Foxhole (and Brigid) forty years earlier, Frummie makes no secret of her disdain for the glorious natural splendor of her surroundings, nor of her preference for Brigid's flightily but fabulous half-sister, Jemima. Jemima, meanwhile, has problems of her own. When a stranger begins lurking in the isolated byways of the lonely countryside, Brigid turns to her oddly elusive father-in-law for comfort and protection. But both Brigid and Louise Parry are hiding certain essential facts, and each woman's fragile sense of haven and security is threatened by disclosure. *A Summer in the Country* is the story of the enduring, but often painful love that exists between mothers and daughters, fathers and sons, and husbands and wives. It describes with exquisite sensitivity and tenderness the precarious journey each of us undertakes as one generation makes way for the next, as each indelible and priceless relationship grows, changes, blossoms, or dies. Marcia Willett writes novels that will last.

Summer on the Bluffs Sunny Hostin,2021-05-04 New York Times Bestseller! The View cohost and New York Times bestselling author Sunny Hostin dazzles with this brilliant novel about a life-changing summer along the beaches of Martha's Vineyard. Welcome to Oak Bluffs, the most exclusive Black beach community in the country. Known for its gingerbread Victorian-style houses and modern architectural marvels, this picturesque town hugging the sea is a mecca for the crème de la crème of Black society—where Michelle and Barack Obama vacation and Meghan Markle has shopped for a house for her mom. Black people have lived in this pretty slip of the Vineyard since the 1600s and began buying property in the 1800s, making this posh town the embodiment of “old money.” Thirty years ago, Amelia Vaux Tanner and her husband built a house high on the bluffs, a cottage they named Chateau Laveau. For decades, “Ama” played host to American presidents, Wall Street titans, and cultural icons. But her favorite guests have always been her three “goddaughters:” Esperanza “Perry” Soto, a beautiful, talented Afro-Latina lawyer with Ama’s strong, yet guarded personality; Olivia Jones, a gifted Wall Street analyst with Ama’s brilliant, logical mind; and Billie Hayden, a gifted marine biologist and rule-breaker with Ama’s courageous free spirit. Growing up, these three goddaughters from different backgrounds came together each summer at Chateau Laveau. As

adults, the cottage is a place this trio of successful yet very different women go to escape, to slow down from their hectic lives, share private time with Ama, and enjoy the gorgeous weather, cool water, and stunning views Oak Bluffs offers. This summer on the Bluffs, however, will be different. An era is ending: Ama, now nearing seventy-one, is moving to the south of France to reunite with her college sweetheart. She has invited Perry, Olivia, and Billie to spend one last golden summer together with her the way they did when they were kids. And when fall comes, she is going to give the house to one of them. Each of the women wants the house desperately. Each is grappling with a secret she fears will hurt her and her chances. By the end of summer, old ties will fray, new bonds will be created, and these three found sisters will discover they aren't the only ones with something to hide. Ama has a few secrets of her own. What she has to give them is far more than property. Between Memorial Day and Labor Day, she will tell these surrogate daughters she fiercely loves and protects everything they never knew they needed to know.
