Pull Me Under Kelly Luce, 2016-11-01 Elle's 33 Best Books of the Year A Searing Debut Novel from One of the Most Imaginative Minds in Fiction Chizuru Akitani is the twelve-year-old daughter of the famous violinist and Japanese "Living National Treasure" Hiro Akitani. Overweight and hafu (her mother is white), she is tormented by her classmates and targeted by the most relentless bully of them all, Tomoya Yu. When Chizuru's mother dies suddenly her father offers her no comfort and she is left feeling alone and unmoored. At school, her bully's cruelty intensifies, and in a moment of blind rage, Chizuru grabs a Morimoto letter opener from her teacher's desk and fatally stabs Tomoya Yu in the neck. For the next seven years, Chizuru is institutionalized. Her father visits her just twice before ultimately disowning her. Upon release, Chizuru flees Japan for a new identity and life in the United States. Determined to outrun her murderous past, she renames herself Rio, graduates from nursing school, marries a loving man, and soon has a daughter. But when a mysterious package arrives on her doorstep in Boulder, Colorado, announcing the death of her father, Rio feels compelled to return to Japan for the first time in twenty years, leaving her husband and her daughter confused and bereft. Going back to her homeland, and to the scene of her complicated past, feels like stepping into a strange and familiar dream. When she unexpectedly reconnects with Miss Danny, who had been her beloved teacher at the time of the stabbing, long-kept secrets are unearthed, forcing Rio to confront her past in ways she never imagined, and to decide if she will reveal to her family who she once was. Full of atmospheric and illuminating descriptions of Japan and its culture, *Pull Me Under* is an affecting exploration of home, identity, and the limits of forgiveness. Kelly Luce has written a bold and psychologically complex first novel that grips and dazzles from start to finish.

Gimme Shelter Mary Elizabeth Williams, 2009-03-03 Of course I want a home, writes Mary Elizabeth Williams, I'm American. Gimme Shelter is the first book to reveal how this primal desire, encoded into our cultural DNA, drove our nation to extremes, from the heights of an unprecedented housing boom to the depths of an unparalleled crash. As a writer and parent in New York City, Williams is careful to ground her real-estate dreams in the reality of her middle-class bank account. Yet as a person who knows no other way to fall in love than at first sight, her relationship with the nation's most daunting housing market is a passionate one. Williams's house-hunting fantasy quickly morphs into a test of endurance, as her search for a place to live and a mortgage she can afford stretches into a three-year odyssey that takes her to the farthest reaches of the boroughs and the limits of her own patience. Welcome to the tracks, she declares at the outset of yet another weekend tour of blindingly bad, wildly overpriced properties. Let's go to the wrong side of them, shall we? As her own quest unfolds, Williams simultaneously reports on the housing markets nationwide. Friends and family members grapple with real estate agents and lenders, neighborhood and quality-of-life issues, all the while voicing common concerns, as expressed by this Maryland working parent of three: The market was so hot, there were no houses. We looked for years at places the owners wouldn't even clean, let alone fix up. How frustrating is the process? Williams likens it to hearing the opening bars of a song you think is 'Super Freak.' And then it turns out to be 'U Can't Touch This.' Told in an engaging blend of factfinding and memoir, Gimme Shelter charts the course of the real estate bubble as it floated ever upward, not with faceless numbers and

documents but with the details of countless personal stories -- about the undeniable urge to put down roots and the lengths to which we'll go to find our way home.

Shielded by God'S Power Ivy Christian, 2017-07-11 Domestic violence as defined by the National Coalition Against Domestic Violence as the willful intimidation, physical assault, battery, sexual assault, or other abusive behavior that is used to overpower and control another person. Domestic violence takes on many forms, both visible and hidden. And according to studies, it affects one person every twenty seconds. Domestic violence is not a new problem in America, but one that has sadly existed for decades. And while the majority of victims are female, domestic violence knows no income bracket, demographic, age, race, or religion; domestic violence occurs in every facet of society. Despite the many groups working to help victims of domestic abuse, the problems persist. Domestic violence is more commonly seen in situations where someone (the abuser) believes that behaviors such as physical, verbal, emotional, religious, sexual, or economical abuse is acceptable and justifiable. Adding to the perceived justification of abuse is the victims inability to see the denigrating acts as abuse. Then when they do identify the problem, they feel trapped by their circumstances be it due to fear, lack of funds, poor physical, or various psychological issues and are unable to leave the situation. More disturbing than the obvious problems of domestic abuse is that there have been connections made between domestic violence specifically sexual abuse in children and satanic influences/forces. This type of abuse is referred to as satanic ritual abuse (SRA). The abuses suffered due to satanic influences are often more severe forms of physical and sexual abuse, especially in the form of child pornography, prostitution, and being used for snuff films. These abuse victims are often so brainwashed that they don't dare speak out. And while there are those who would like to ignore the connections between abuse and satanic forces, the fact remains that abuse is not something promoted in scripture! The believer is told to care for the helpless and to lift up the fallen, not knock them down and beat them up. In homes where children are abused, they often grow up to become adults who struggle with

relationships, authority figures, and problem-solving. Worse, abused children often become adult abusers, thus perpetuating the problem. Studies have also found that children who see their mother abused are more likely to develop PTSD (post-traumatic stress disorder). Also interesting is that there is now a correlation between childhood domestic violence and adult health conditions like arthritis, ischemic heart disease (IHD), chronic obstructive pulmonary disease (COPD), liver disease, irritable bowel syndrome, chronic pain, pelvic pain, ulcers, and migraines. Psychological challenges include depression, severe anxiety panic attacks, and a feeling of worthlessness. As you read Ivys story, you will discover that she could easily be the poster child for domestic violence. She spent fifteen years living in a situation where mental, physical, emotional, and sexual abuse was part of her daily life. She then entered a marriage that ultimately, albeit differently, was more of the same. But Ivys story does not end as it began. She heard about a Savior who loved her unconditionally. And while initially Ivy did not understand her Saviors love, in time, she learned the meaning of real love and acceptance. As you read her story, you will see how she looked and worked to eventually overcome the challenges brought on by domestic abuse. If you have been abused or know someone who is or has been in an abusive situation, then Ivys story can help. It will provide hope and help as you see that while domestic abuse is horrific, there is One who can overcome the hold abuse has on a persons life. Dont let abuse keep you or a loved one from enjoying life. Take the step now to begin the first day of the rest of your life. Metadata: Surviving domestic violence does not come easy. Shielded by Gods Power reminds us that domestic violence can be overcome by real love.
