Helen Keller Really Lived Elisabeth Sheffield,2014-09-30 The newest novel by Elisabeth Sheffield, the award-winning author of *Gone* and *Fort Da* What does it mean to really live? Or not? Set in eastern, upstate New York, *Helen Keller Really Lived* features a fortyish former barfly and grifter who must make a living in the wake of her wealthy husband's death, and who finds work in a clinic helping women seeking reproductive assistance. The other main character is the grifter's dead ex-husband, a Ukrainian hooker-to-healer success story, who prior to his demise was a gynecologist and after, an amateur folklorist, or ghostlorist, who collected and provided scholarly commentary on the stories of his fellow "revenants." Their intertwined stories explore the mistakes, miscarriages, inadequacies, and defeats that may have led to their divorce, including his failure (according to her) to "fully live." As it investigates the theme of what it means to "really live" or not, Elisabeth Sheffield's brilliant new novel is also an exploration of virtual reality in the sense of the experience provided by literature. It is a novel awash in a multitude of voices, from the obscenity-laced, Nabokovian soliloquys of the dead Ukrainian doctor, to the trade-school / midcentury-romance-novel-constrained style of his dead mother-in-law.

Lang Downs Ariel Tachna,2016-07-29 Welcome to Lang Downs, a safe haven for the lost and hurting. In *Inherit the Sky*, Caine Neiheisel comes to Lang Downs hoping for a fresh start, if foreman Macklin Armstrong is willing to help. Chris Simms is barely managing to keep himself and his brother safe in Chase the Stars, when the men of Lang Downs offer him the chance he's needed... and maybe a chance at romance as well. In *Outlast the Night*, Sam Emery is out of a job and a marriage and looking for a refuge when he contacts his brother Neil at Lang Downs; Jeremy Taylor is looking for refuge, too, but can he find it at a rival station? In *Conquer the Flames*, firefighter Thorne Lachlan comes to Lang Downs to defend it against a raging grassfire and meets Ian Duncan, but their own flames might fizzle if they can't find a way to trust each other. In *Cherish the Land*, Seth Simms and Jason Thompson have been best friends for years, but when Seth comes back to Lang Downs to stay, his dangerous secrets might drive them apart.

Inherit the Sky Ariel Tachna,2012-02-20 Lang Downs: Book One Caine Neiheisel is stuck in a dead-end job at the end of a dead-end relationship when the chance of a lifetime falls in his lap. His mother inherits her uncle's sheep station in New South Wales, Australia, and Caine sees it as the opportunity to start over, out on the range where his stutter won't hold him

back and his willingness to work will surely make up for his lack of knowledge. Unfortunately, Macklin Armstrong, the foreman of Lang Downs who should be Caine's biggest ally, alternates between being cool and downright dismissive, and the other hands are more amused by Caine's American accent than they are moved by his plight... until they find out he's gay and their amusement turns to scorn. It will take all of Caine's determination—and an act of cruel sabotage by a hostile neighbor—to bring the men of Lang Downs together and give Caine and Macklin a chance at love.

Alaskan Summer Marilou Flinkman,2013-06-01 Laurette Martel accepts a summer job with Southeast Alaska Maritime, unsure what her future holds. Now, in a strange and beautiful land, Laurette concentrates on her job, while she finds her heart becoming distracted by Ryan Nichols. Ryan is a wounded man. The death of his father dealt Ryan a harsh blow in high school, made worse in college when his mother left him in Sitka to begin a new life for herself in Chicago. His faith shaken, Ryan struggles with bitterness. But something about Laurette dares his heart to hope again. Could the warmth of God's mercy melt Ryan's heart and unite him with Laurette? Or will their affections be lost in the Alaskan summer?

To Begin Again William R. Furr,2014-02 Anton Rheba, Barbara's father, is in love with Clara Haines, his secretary, but she is married to Ronald Haines. Michael is asked to help with the situation as a human-relations expert, and Barbara tries to help also, without being asked. Contrasting a new love with a mature love, the portrayals are of the human spirit, amid the passionate and overpowering forces that destroy the soul and grind ambitions to dust. As a record of a life dedicated to come as near to complete happiness as possible, in spite of the vexations that beset us all, the climax is the true test of the greatest controversial issue of all time.

DRAGONS OF THE APOCALYPSE THE SAINTS' TREASURE Terry Hughes,2023-04-06 After crossing the Atlantic Ocean, Ethan Sayer and his three daughters are now faced with finding the four remaining Saint's Treasures. God told Ethan that he and his three daughters would travel with His four emissaries and reveal treasures which would be a test for the

Gentile world. Ethan believes they will be in nations that he was sent with one of God's angels. It will be an around-the-world trip, and one nation is still a mystery! The only deadline was given by Ethan's wife, Have Lyndsay and Alicia back in time to register for their college classes. Come along on this around-the-world mission and meet kings, queens, princes, princesses, and other world leaders. Visit distant lands and, more importantly, meet the people that live there. These are the people to whom God sent His emissaries. They are the real treasure in a fallen world. The challenge for the Sayers is that the emissaries are the Dragons of the Apocalypse, and they are to ride these dragons across oceans, mountains, and over hostile countries. Ethan Sayer has looked at pioneers of early flight as his guides to accomplish his mission. Ethan feels an urgency that his oldest daughter does not share. She wants to enjoy the journey, but Ethan feels he must complete the work as quickly as possible. Join this family as they experience a world full of joy and sometimes sorrow. They will make friends with great and small alike, but it is not all blissful, but that is life.

LITTLE MRS. COLLINS: Charlotte Lucas; A young lady without Pride or Prejudice Peggy Tulip, 2019-02-05

Charlotte Collins, wife of the Parson and mistress of Hunsford Parsonage for not yet one year, was a very happy woman indeed who occasionally pinched herself at disbelief at the sudden, extraordinary change in circumstances that had made her so. She admired Rosings, a large handsome dwelling some hundreds of yards down the lane from the Parsonage, but only the exterior. She considered everything within it too large and too grand for human comfort. Since she went infrequently, she demonstrated a proper respect, and then returned gratefully to the beloved Parsonage. Since she saw little to admire and much to criticise, she simply reminded herself, frequently, that Lady Catherine against all expectation and logic had bestowed a valuable Benefice upon an unknown, untried priest. Thus, at a remove, giving Charlotte the home and life that she loved and cherished. Her gratitude for that was beyond expressing.
