Passionate Holiness O'Neill Dennis O'Neill, Dennis O'Neill, 2010 NEW 2010 B&W Edition Archbishop Desmond Tutu of Cape Town once said with regard to South Africa's Apartheid policy, One of the ways of helping to destroy a people is to tell them that they don't have a history, that they have no roots. He recently described homophobic discrimination as totally unacceptable and unjust as Apartheid ever was. Unfortunately, it has been particularly difficult for some gay, lesbian, bisexual, and transgendered Christians to remain connected with and identified with their own faith traditions because some of these traditions not only treat them as people of secondary status but teach Christian history as though no people of same-gender attraction or opposite-gender identity had any noteworthy place in it and had made no significant contributions at all to Christian tradition. *Passionate Holiness* tries to remedy this situation by explaining why acquaintance with the stories of Sts. Polyeuct and Nearchus, Sts. Sergius and Bacchus, Christ/Holy Wisdom, Sts. Matrona, Perpetua and Felicity, Brigid and Darlughdach, and many others with whom gender minorities can identify can help them to connect with their own history and spiritual legacy and empower them to face a brighter future with a sense of optimism and inclusion. The story of the removal of the feast of Sts. Sergius and Bacchus from the liturgical calendar of the Roman Catholic Church in 1969 - ironically, the very year New York's Stonewall Riots launched the gay liberation movement - is a particularly revealing example of how far some religious authorities will go to keep gender minorities distanced from their own history. This is all explored in *Passionate Holiness*. It's a marvelous, beautiful book. Ursula Vaughan Williams poet, novelist, and widow of composer Ralph Vaughan Williams It was a fascinating study. Congratulations on a job well done. Andrew M. Greeley priest, sociologist, novelist Many thanks for sending me your book *Passionate Holiness*, which I enjoyed very much. It is a fascinating account of the cult of Holy Wisdom, mixed with stories of various 'distinctive people' and the roles they have played in the history of the Church. It is full of saints, sinners, heretics, martyrs, and those who persecuted them. Some of these people, and the ideas they believed in, have featured in my novels, though there was much that I was not aware of. The material in the Russian and Irish chapters were new to me. You say at the beginning of Chapter VII that the reader may cry out Too much information. Not me! *Passionate Holiness* is a work of remarkable scholarship, and I wish it had been published before I wrote my Byzantine novels, rather than afterwards. If I ever return to Byzantium as a subject, I am sure I will find your book invaluable. The icons that illustrate the book are beautiful. You are lucky to have access to works by such gifted artists. If only my publisher had commissioned something similar for the cover of *Theodore*. Maybe next time! Christopher Harris English novelist, author of *Theodore*, *Memoirs of a Byzantine Eunuch*, and *False Ambassador* Here's something the

antigay modern Roman Catholic Church would like to forget: In the early years of Christianity, homosexual saints were worshipped too, as Dennis O'Neill reminds us. O'Neill is a Chicago-based Catholic pastor who 11 years ago founded The Living Circle, a spirituality center devoted to GLBT people and their friends. In 1995 the Circle hosted an art exhibit entitled Passionate Holiness that displayed such holy icons as Saint Boris and George the Hungarian and Saints Brigid and Darlughdach of Kildare. O'Neill's retelling of such stories, plus striking color illustrations, will surprise and inspire any reader, gay or not. Anne Stockwell Review from The Advocate, May 24, 2005 issue, p. 82. Passionate Holiness is indeed a remarkable book, unlike any other that I know of. Its scope

Student Companion to Eugene O'Neill Steven F. Bloom Ph.D.,2007-06-30 Eugene O'Neill is the only American dramatist ever to have received the Nobel Prize for Literature. He wrote over 50 plays; a number are virtually unknown by the general public; several are considered classics of the American stage; all of them demonstrate, in one way or another, how O'Neill challenged the conventional boundaries of the drama of his time and thereby paved the way for modern American theatre. This volume will provide guides to eight of O'Neill's plays that are most often studied in schools and colleges: The Hairy Ape, Anna Christie, The Emperor Jones, Desire Under the Elms, Ah, Wilderness!, The Iceman Cometh, Long Day's Journey Into Night, and A Moon for the Misbegotten. More than almost any other author in any fictional genre, O'Neill's works are highly autobiographical. The love/hate relationships he had with the members of his own family resonate throughout his dramatic works. The son of an alcoholic and a morphine addict, he struggled with chemical dependency throughout his life, but determined to be an artist or nothing, he eventually gave up drinking and fulfilled his artistic ambitions, transforming the traumatic experiences of his life into compelling drama. O'Neill's drama provides insights into the complexities of human behavior and raises questions about the forces, both external and internal, that shape human lives.

Dowling,2009 This study explores the personal, historical, and artistic influences that combined to form such dark and influential American masterpieces as 'The Iceman Cometh', 'The Emperor Jones', 'Mourning Becomes Electra', 'Hughie', and - arguably the finest tragedy ever written by an American - 'Long Day's Journey into Night'.

Writing Under the Influence Aubrey Malone,2017-12-21 Writers and alcohol have long been associated--for some, the

association becomes unmanageable. Drawing on rare sources, this collection of brief biographies traces the lives of 13 well known literary drinkers, examining how their relationship with alcohol developed and how it affected their work, for better or worse. Focusing on examples like F. Scott Fitzgerald, Ernest Hemingway, Edna St. Vincent Millay, Charles Bukowski and Raymond Carver, the combined biographies present a study of the classic figure of the over-indulging author.
