

Henrietta Clark Horne Cause Of Death

Jean Fagan Yellin, John C. Van Horne

The Abolitionist Sisterhood Jean Fagan Yellin, John C. Van Horne, 2018-05-31 A small group of black and white American women who banded together in the 1830s and 1840s to remedy the evils of slavery and racism, the antislavery females included many who ultimately struggled for equal rights for women as well. Organizing fundraising fairs, writing pamphlets and giftbooks, circulating petitions, even speaking before promiscuous audiences including men and women—the antislavery women energetically created a diverse and dynamic political culture. A lively exploration of this nineteenth-century reform movement, *The Abolitionist Sisterhood* includes chapters on the principal female antislavery societies, discussions of black women's political culture in the antebellum North, articles on the strategies and tactics the antislavery women devised, a pictorial essay presenting rare graphics from both sides of abolitionist debates, and a final chapter comparing the experiences of the American and British women who attended the 1840 World Anti-Slavery Convention in London.
