**Orbs** Klaus Heinemann, 2010-10-04 People all over the world are fascinated by orbs – the opaque circular features that appear unexpectedly in photographs – but now that so much serious research and study has been done on the topic, the big question is this: what does their appearance mean? This book shows that these fascinating circles of light are not just interesting phenomena, but that they are here for a specific purpose – to bring us messages of hope. Written by orb expert and physicist Klaus Heinemann, together with his wife Gundi Heinemann, a healing arts practitioner, this book is a grounded and visionary presentation of facts and experiences in orb photography. Inside you will find convincing new results to convert the sceptic, and numerous reports of meaningful orb experiences from people all over the world. *Shamanic Transformations* Itzhak Beery, 2015-08-17 Inspiring accounts from renowned contemporary working shamans about their first moments of spiritual epiphany • With contributions by Sandra Ingerman, Hank Wesselman, John Perkins, Alberto Villoldo, Lewis Mehl-Madrona, Tom Cowan, Lynn Andrews, Linda Star Wolf, and others • Also includes shamanic awakening experiences from those with unique shamanic paths--teachers, mothers, social workers, academics, and even rappers How does one receive the “call” to enter onto the shamanic path? What causes some people to change their safe, uneventful, and ordinary lives and start on a spiritual search? For many it is a singular instant, a flash when the mystical reveals itself and the person is drawn into the world of shamanic power. For a few, it is a more gradual awakening, filled with numinous events that build upon one another until the calling of the shamanic path can no longer be ignored. In this book of remarkable stories, we learn firsthand about the many different forms of the “aha” moment of shamanic awakening, whether they arise from ceremony, near-death experiences, dream messages, or entheogenic substances. We travel alongside Sandra Ingerman, Hank Wesselman, John Perkins, Alberto Villoldo, Lewis Mehl-Madrona, Tom Cowan, Lynn Andrews, Linda Star Wolf, and other well-known shamanic practitioners as they begin their transformations into the prominent shamans we know them as. We experience the real-life shamanic epiphanies of those with unique shamanic paths--teachers, mothers, social workers, academics, healers, and even rappers who have all experienced a moment in time in which they were awakened and the shamanic path showed itself to them. As each of these unique and beautiful stories of unexpected realization, insight, and

inspiration unfolds, we see how these single moments--usually entirely unexpected--are able to transform the individual's life, clearing their vision and allowing a new consciousness to emerge. As a whole, this collection paints a breathtaking portrait of the intricacies of the shamanic path and the paradigm shift of which we all are part.

**Soul Medicine** Dawson Church, 2012-07-01 The cutting edge of medicine today is not to be found in invasive therapies like drugs and surgeries. It is in the disciplines that used to be regarded as soft medicine: prayer, intention, energy healing, acupuncture, and similar therapies. Overwhelming evidence from hundreds of scientific studies are showing that these safe, non-invasive approaches are often more effective, sometimes many times more effective, than conventional medicine. Two of the pioneers in the field, Dr. Norman Shealy, founder of the American Holistic Medical Association and world-famous neurosurgeon, and Dr. Dawson Church, one of the foremost writers and researchers in vibrational healing, and the editor or author of many books on the subject, explain the fundamentals of energy medicine, its many applications to common ailments, and the latest scientific research.

*Life Beyond 100* C. Norman Shealy, M.D., Ph.D., 2006-12-28 Using today's most leading-edge therapies and breakthroughs in the science of longevity, C. Norman Shealy, one of the pioneering holistic physicians of our time, shows how we can healthfully age to one hundred, and beyond. The idea of living well beyond one hundred years--and enjoying those years in good health--used to be the stuff of science fiction. No longer. C. Norman Shealy, M.D., Ph.D., whom Caroline Myss calls a wizard-genius-scientist-mystic-physician, offers *Life Beyond 100: Secrets of the Fountain of Youth*. In this deeply learned and revolutionary book, Dr. Shealy provides a new concept of longevity, one that reveals that we can live far longer than current science suggests. Basic healthy living and the use of alternative therapies have long been touted as the way to well-being, but Dr. Shealy takes these tenets a step further. From the physiology of stress and its effect on the human mind and body to the importance of DHEA; from the proven techniques of photostimulation and biofeedback training to groundbreaking suggestions for alleviating depression; from Shealy's electromagnetic framework of life to his recommendations for optimal health, *Life Beyond 100* presents a detailed roadmap to achieve healthy aging--or youthfulness. The result of years of clinical practice and cutting-edge research, *Life Beyond 100* also exposes the fallacies behind many of the claims made by the medical establishment and the pharmaceutical industry. Shealy argues that rather than increasing people's life expectancy, these two groups create the opposite effect, consigning hundreds of thousands of people to an often miserable and premature old age by treating symptoms with an antidote-prescription medicine--that is often worse than the ailment itself. As a counterpoint, *Life Beyond 100* provides the most ambitious--yet medically grounded and commonsensical--longevity program available. Easy to follow and supported by advanced research, Dr. Shealy's guide to uncovering the secrets of youthful aging redefines the concept of human longevity and offers a new vision of healthy living to one hundred and beyond.

**The Power of Soul** Zhi Gang Sha,2012-12-11 For the first time, Dr Sha teaches readers how to increase their longevity, attain wealth and prevent illness through a fusion of Eastern and Western medicine and philosophy that will revolutionize their understanding of healing. Heal the soul first, and the mind and body will follow. This third book in his bestselling Soul Power series dives deep into spiritual mysteries and reveals ancient secrets and lessons that readers can apply to every area of the daily routine, clearing up negative energy, blockages and discovering their capacity for unconditional love and forgiveness.

**Psychic Integrity** Melissa Leath, 2011-11-02 As a fresh and incisive book, Psychic Integrity probes the esoteric world of communicating with spirit beings and psychic phenomena. Mystifying concepts are explained in straightforward ways so the general public, as well as clients and novice psychics, can understand and become familiar with them. A major portion of the book takes you through the development process of becoming a reliable and honest psychic or medium. Do mediums really speak to the dead? Are psychics really able to divine the future, or do they use a parlor trick called cold reading? Find out now. Once highly respected and revered, the age-old tradition of divination is now often ridiculed as fraudulent. Deception, ego, greed, and ignorance have given the term psychic a bad reputation. Its time to change that perception. This book, as a guide for high standards of integrity, brings back the honor and reverence of psychics and mediums. Rev. Melissa Leath has taken an often misunderstood subject and brought it into the NOW with sensible words, forthright honesty and wisdom. Thank you Rev. Leath for illuminating a subject that has long needed it and for doing it with integrity and professionalism. - Tammi WyndRavin Rager, numerologist to the stars and radio talk show host In the field of Psychics, Intuitives, Channelers and Mediums, Melissa Leath proves she has deep Psychic Integrity and has produced a well-documented book that educates

the public. Buyer Beware is now ... Buyer Be Aware. Read this book today if you are a seeker of truth on all dimensions! - Liz Sterling of Sterling Communication Services, radio talk show host Thank you, Melissa, for your hard work and commitment in making this important book available to the practitioners in our industry. - Denise and George Tucker; Psychic Fair Emporium; Sunrise, Florida
