

Knights Templar In Cyprus

Anne Gilmour-Bryson

A to Z of the Knights Templar Gordon Napier, 2011-10-24 The Knights Templar was the foremost Military Order of the Crusades. In about 1118 these warrior-monks were appointed custodians of Temple Mount, and defenders of Christian pilgrims in the Holy Land. Endorsed by the Catholic Church in 1129, the Order became a favoured cause across Europe. Templar knights, distinguished by their white mantles with red crosses, constituted some of the most disciplined and efficient fighting units in successive crusades. The expanding Order acquired extensive estates in the West, and served as financiers and advisors to the great and good. In the East the Templars garrisoned cities and castles, helping to sustain the Frankish presence in the Orient for almost two centuries. Support for the Order faded after the final loss of the Holy Land. King Philip IV of France, seizing on the Templar's habitual secrecy, plotted their destruction and confiscation of their assets. Bending the Papacy to his will, he secured the arrest and trial of Templars throughout Christendom, on grounds of heresy and diabolical corruption. In France the Inquisition extracted damning confessions from the arrested brethren. In 1312, under continuing pressure from the Philip, Pope Clement V formally disbanded the Order. Two years later the last Grand Master was burned alive in Paris after renouncing his confession. The Order's suppression amid such sinister circumstances gave rise to myth and speculation which keeps the Templar name alive to this day. This highly readable and informative A-Z guide is an invaluable reference to the places, people, and themes of the Crusades, the Knights Templars and their legacy.

Cyprus Samantha Stenzel, 1999 These great-value guides cover destinations far and wide around the globe. Established in 1990, Nelles Guides sought to provide travelers with comprehensive destination coverage in a handy, take-along format. Today, the tradition continues. Nelles Guides are researched and written by local correspondents and are updated regularly. Each book has a well-rounded introduction that delves into the country's history and culture, tempting the reader to explore. The What to See & Do section for each area can cover anything from sightseeing and driving tours to jungle treks and visits to the local museums. You'll find detailed entries for restaurants, shopping, entertainment, festivals and more. All accommodations are categorized by price level, making it easy for the reader to select a place to suit his/her budget. Practical travel issues -- health concerns, climate & clothing, visa requirements, currency, transportation, etc. -- are also addressed.

The Trial of the Templars in Cyprus Anne Gilmour-Bryson, 2021-09-20 This major study includes a translation of all

testimony heard during the Templar trial in Cyprus in 1310 or 1311. The trial is of immense importance to the study of the history of the order because of the large number of Templar witnesses, seventy-six, many of high rank, and the ancillary testimony of fifty-six noblemen, burghers, and members, of the regular and secular clergy. What makes the trial especially significant is that torture appears not to have been used, allowing witnesses to give their opinion of the order free of the usual constraint. A large amount of testimony omitted from the Latin edition appears here for the first time. Witnesses are cross-referenced to other Templar trials, or to Cypriot notarial documents. The work is completed by photographs, maps, an exhaustive index, lists of witnesses, and bibliography.

British imperialism in Cyprus, 1878-1915 Andrekos Varnava, 2017-03-01 This book explores the tensions underlying British imperialism in Cyprus. Much has been written about the British Empire's construction outside Europe, yet there is little on the same themes in Britain's tiny empire in 'Europe'. This study follows Cyprus' progress from a perceived imperial asset to an expendable backwater by explaining how the Union Jack came to fly over the island and why after thirty-five years the British wanted it lowered. Cyprus' importance was always more imagined than real and was enmeshed within widely held cultural signifiers and myths. British Imperialism in Cyprus fills a gap in the existing literature on the early British period in Cyprus and challenges the received and monolithic view that British imperial policy was based primarily or exclusively on strategic-military considerations. The combination of archival research, cultural analysis and visual narrative that makes for an enjoyable read for academics and students of Imperial, British and European history.

The Knights Templar Prof. Kenneth Onapolis, Ph.D., 2019-03-23 The Knights Templar: The Priceless Treasure Discovered Who were the Knights Templar? Did they really exist? Did they discover treasure so valuable that King Philip IV of France was willing to kill them to obtain? If so, what happened to the treasure? Or, did they discover priceless treasure concerning Christianity, which caused Pope Clement V to enlist the help of King Philip to suppress the Templars before they revealed what they had discovered and destroyed the foundation of the Papacy and its claims of universal supremacy? What was this Priceless-Treasure that was discovered by the Knights Templar, which was such a severe threat to the Roman Catholic Church and the Pope that they would be willing to kill the Templars over? Moreover, that men like Jacques de Molay would rather be burned at the stake than renounce? Through the research of Professor Kenneth Onapolis, the answers to all of these questions and more are finally revealed.

Cyprus and the International Economy Rodney Wilson, 1992-06-18 This is an evaluation of the external economic relations of the island of Cyprus involving trade, finance and tourism. Cyprus has an increasingly open economy, and a study of its external economic relations is, to a considerable extent, a profile of its modern development.

Historical Dictionary of Cyprus Farid Mirbagheri, Emiliou A. Solomou, 2021-12-10 As a major tourist destination and the most eastern member of the European Union, housing two British Sovereign Bases and sitting at the intersection of three

continents, Cyprus attracts international attention in more ways than one; hence the complex web of converging and conflicting outside interests that has marked and scarred the country's history. Since 2009, when the previous edition appeared, further big changes have occurred with the United Nations-led efforts to bring about a settlement to the Cyprus problem as well as the latest on the exploration of hydrocarbon in the eastern Mediterranean seabed. *Historical Dictionary of Cyprus, Second Edition* contains a chronology, an introduction, and an extensive bibliography. The dictionary section has several hundred cross-referenced entries on important personalities, politics, economy, foreign relations, religion, architecture, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Cyprus.

The Proceedings Against the Templars in the British Isles, 2018-04-20 In October 1307 all the brothers of the military religious Order of the Temple in France were arrested on the instructions of King Philip IV and charged with heresy. In November, Pope Clement V instructed King Edward II of England to do likewise. This volume provide the first full translation of the four surviving texts of the trial proceedings that followed in Britain and Ireland, complementing the edition published in volume 1. The trial of the Templars was the first major heresy trial in the British Isles, and the proceedings reveal the Episcopate's attempts to deal with this unprecedented situation, the varying procedures followed in different countries, and how testimonies were recorded and summarised for the Church Councils which eventually decided the fate of the Order of the Temple. The testimonies given during the trial contain a wealth of information about religious beliefs among the lay population of the British Isles (both the Templars and outsiders who gave evidence during the trial), national and international mobility of lay religious, the social function of the order of the Temple in the British Isles and its relations with society at large, and the organisation and operations of the Order of the Temple at a local, national and international level. Detailed introductions to each volume describe the manuscripts and how the material was compiled and arranged, and discuss the course of the proceedings and the value of the evidence they contain. Appendices in this volume also list the names of all the Templars mentioned during the proceedings, Templar houses and the locations of the proceedings in London.

Knights Templar Encyclopedia Karen Ralls, 2007-01-01 Historian Ralls has written an authoritative source book on the fascinating history behind the most famous military religious order of the Crusades--the Knights Templar. This encyclopedia also includes a wealth of information on the key Templar people, places, events, and more.

Cyprus Marc Dubin, 2002 Covering both the North and the South of Cyprus with equal detail and objectivity, this guide includes features on the island's turbulent history and current politics. It provides accounts of the island's attractions, from the popular beach resorts to the remote hillside villages, and reviews of the best places to eat, drink and sleep for every budget.

The Templar's Curse Evelyn Lord, 2014-05-22 On the 18th March 1314, in Paris, Jacques de Molay, Grand Master of the Knights Templar, and Geoffroi de Charney, preceptor of the Knights Templar in Normandy, are led to the stake. Before the pyre at their feet is set alight, Jacques de Molay speaks to the watching crowd, proclaiming a curse on those who had wrongly condemned them. A month later Pope Clement V, who had helped to condemn the Knights Templar, died. Their chief persecutor, Philip IV of France, followed him to the grave a few months later. And famine, plague and revolt were to follow. Was the Templar's curse coming home to roost? The Templar's Curse shows the Knights Templar under arrest, torture and trial, followed by penance for life. Chronicling the dissolution of the order after the trial in 1307, this fascinating new book investigates the consequences of the Templar's persecution and their mysterious legacy. Curses, cruelty, political intrigue, revenge...the true story of the Knights Templar is better than fiction!

The Trial of the Templars in Cyprus Anne Gilmour-Bryson, 1998 This major study includes a translation of all testimony heard during the Templar trial in Cyprus in 1310 or 1311. The trial is of immense importance to the study of the history of the order because of the large number of Templar witnesses, seventy-six, many of high rank, and the ancillary testimony of fifty-six noblemen, burghers, and members, of the regular and secular clergy. What makes the trial especially significant is that torture appears not to have been used, allowing witnesses to give their opinion of the order free of the usual constraint. A large amount of testimony omitted from the Latin edition appears here for the first time. Witnesses are cross-referenced to other Templar trials, or to Cypriot notarial documents. The work is completed by photographs, maps, an exhaustive index, lists of witnesses, and bibliography.

A Brief History of the Knights Templar Helen Nicholson, 2014-03-07 Much has been written about the Knights Templar in recent years. A leading specialist in the history of this legendary medieval order now writes a full account of the Knights of the Order of the Temple of Solomon, to give them their full title, bringing the latest findings to a general audience. Putting many of the myths finally to rest, Nicholson recounts a new history of these storm troopers of the papacy, founded during the crusades but who got so rich and influential that they challenged the power of kings.

The Rough Guide to Cyprus Jos Simon, 2013-06-03 The Rough Guide to Cyprus is the definitive guide to this alluring, sun-drenched island. Illustrated throughout with striking full-colour photographs, the guide offers detailed background on everything from the holiday playgrounds of Agia Napa and Pafos to off-the-beaten-track mountain hikes and vineyard tours. Crystal clear maps help you explore both north and south sides of the island, with full information on border crossings and day-trip suggestions. Detailed listings review everything from boutique hotels to youth hostels while our unrivalled contextual background gives you the inside track on Cypriot history plus full accounts of all the sights from stunning Byzantine churches to Roman temples, Ottoman mosques to Venetian forts. Make the most of your time with The Rough Guide to Cyprus. Now available in PDF format.

Cypria Alex Christofi, 2024-05-09 A WATERSTONES BOOK OF THE YEAR 2024 A brilliant exploration of Cyprus's long history of cultural resilience. Superbly composed. -- Guardian Poetic...Compelling -- New Statesman One of National Geographic's Summer Reads 2024 Think of a place where you can stand at the intersection of Christian and Arab cultures, at the crossroads of the British, Ottoman, Byzantine, Roman and Egyptian empires; a place marked by the struggle between fascism and communism and where the capital city is divided in half as a result of bloody conflict; where the ancient olive trees of Homer's time exist alongside the undersea cables which link up the world's internet. In *Cypria*, named after a lost Cypriot epic which was the prequel to *The Odyssey*, British Cypriot writer Alex Christofi writes a deeply personal, lyrical history of the island of Cyprus, from the era of goddesses and mythical beasts to the present day. This sprawling, evocative and poetic book begins with the legend of the cyclops and the storytelling at the heart of the Mediterranean culture. Christofi travels to salt lakes, crusader castles, mosques and the eerie town deserted at the start of the 1974 war. He retells the particularly bloody history of Cyprus during the twentieth century and considers his own identity as traveler and returner, as *Odysseus* was. Written in sensitive, witty and beautifully rendered prose, with a novelist's flair and eye for detail, *Cypria* combines the political, cultural and geographical history of Cyprus with reflections on time, place and belonging.

The Templars and their Sources Karl Borchardt, Karoline Döring, Philippe Josserand, Helen Nicholson, 2017-01-20 Even 700 years after the suppression of the Order of the Temple and the execution of the last grandmaster, Jacques de Molay, there is no shortage of publications on this influential military order. Yet unlike other medieval institutions the Templars are subject to speculative fiction and popular myth which threaten to swamp the fruits of scholarly endeavour. Fortunately, recent years have produced a thriving academic scholarship which is challenging these myths. More and more sources are currently being edited, particularly those for the trial of the Templars (1307-1312). Others are still awaiting in-depth study, among them, surprisingly, the greater part of the charters that cover more than 150 years of the Order's history. The papers in this volume step into this gap and critically evaluate new directions in Templar studies on the basis of as-yet unedited source material. Open issues and desiderata regarding the sources are discussed and from a range of inspiring results a new status quaestionis is proposed that will not only provide a better understanding of the Order's archaeological, economical, religious, administrative and military history, but also set new points of departure for the editing of charters and administrative documents. The papers here are grouped into six sections, focusing on the headquarters of the Order, its charters, manpower and finance, religious life and finally the suppression and the Order's afterlife.

The Lost Treasure of the Templars James Becker, 2015-07-07 The New York Times bestselling author of *The Templar Brotherhood* presents the first novel in a thrilling series about the powerful secrets of the Knights Templar—and a conspiracy too shocking to believe... In a quiet English seaside town, antiquarian bookseller Robin Jessop has acquired an odd medieval volume. What appears to be a book isn't a book at all, but a cleverly disguised safe, in which she finds a single rolled parchment, written in code. For encryption expert David Mallory, the text is impenetrable. Until an invaluable clue opens the door to a mystery, and a conspiracy, stretching back seven centuries, when the most powerful man in Europe declared war on the most powerful clan, the Knights Templar. Now, Jessop and Mallory find themselves on a global hunt for an unsurpassed treasure and this much closer to the keys to secrets that could change history, topple an empire, and bury them both alive. Because they're not only the hunters. They're also the hunted.

The Top Books of the Year **Knights Templar In Cyprus** The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Let's delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. **Knights Templar In Cyprus : Colleen Hoover's "It Ends with Us"** This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. **Knights Templar In Cyprus : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo"** This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. **Discover the Magic : Delia Owens' "Where the Crawdads Sing"** This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is

drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
