Oh Happy Day Carmen Callil, 2020-11-05 'A triumphant family memoir' Hallie Rubenhold 'Powerfully told...an impressive work' The Times 'Gives a voice to the voiceless' Australian Book Review In this remarkable book, Carmen Callil discovers the story of her British ancestors, beginning with her great-great grandmother Sary Lacey, born in 1808, an impoverished stocking frame worker. Through detailed research, we follow Sary from slum to tenement and from pregnancy to pregnancy. We also meet George Conquest, a canal worker and the father of one of Sary's children. George was sentenced - for a minor theft - to seven years' transportation to Australia, where he faced the extraordinary brutality of convict life. But for George, as for so many disenfranchised British people like him, Australia turned out to be his Happy Day. He survived, prospered and eventually returned to England, where he met Sary again, after nearly thirty years. He brought her out to Australia, and they were never parted again. A miracle of research and fuelled by righteous anger, *Oh Happy Day* is a story of Empire, migration and the inequality and injustice of nineteenth-century England. 'A remarkable tale...drawing chilling parallels to the

inequalities of our times' Observer

Vacuum in the Dark Jen Beagin, 2020-01-28 From the Whiting Award-winning author of *Pretend I'm Dead* and one of the most exhilarating new voices in fiction, a "thoroughly delightfully, surprisingly profound" (Entertainment Weekly) one-of-a-kind novel about a cleaning lady named Mona and her struggles to move forward in life. Soon to be an FX television show starring Lola Kirke. Mona is twenty-six and cleans houses for a living in Taos, New Mexico. She moved there mostly because of a bad boyfriend—a junkie named Mr. Disgusting, long story—and her efforts to restart her life since haven't exactly gone as planned. For one thing, she's got another bad boyfriend. This one she calls Dark, and he happens to be married to one of Mona's clients. He also might be a little unstable. Dark and his wife aren't the only complicated clients on Mona's roster, either. There's also the Hungarian artist couple who—with her addiction to painkillers and his lingering stares—reminds Mona of troubling aspects of her childhood, and some of the underlying reasons her life had to be restarted in the first place. As she tries to get over the heartache of her affair and the older pains of her youth, Mona winds up on an eccentric, moving journey of self-discovery that takes her back to her beginnings where she attempts to unlock the key to having a sense of home in the future. The only problems are Dark and her past. Neither is so easy to get rid of. Jen Beagin's *Vacuum in the Dark* is an unforgettable, astonishing read, "by turns nutty and forlorn...Brash, deadpan, and achingly troubled" (O, The Oprah Magazine). Beagin is "a wonderfully funny writer who also happens to tackle serious subjects" (NPR).

Here We Grow Paige Davis, 2025-07-30 After a lifetime of seeking all things spiritual, wellness, and at times woo-woo, Paige Davis finds herself facing a breast cancer diagnosis at thirty-eight years old. She quickly realizes, however, that cancer is not her crisis point but a landing pad of experiences that's inviting her to integrate her mind, body, and spirit. Ultimately, she embraces her diagnosis through a lens of love rather than as a battle to be fought—a perspective that allows her to find peace in the present moment, and heal from the inside out. In *Here We Grow*, Davis provides a refreshing new paradigm of integrative living that doesn't deny the hardship of a situation, but instead encourages meeting difficulty through embodied heart-centered presence. Utilizing mindfulness, meditation, and mind-body disciplines, she shares a tool kit for transformation as she learns to befriend her body, cope through compassion, face survivor's guilt, create a new normal post treatment, and discover the unexpected awakening of intuition and open-heartedness in the healing journey. Filled with honesty, humor, and present-moment awareness that reveals our true capacity for joy, connection, grace, and resilience, *Here We Grow* is Davis's story of meeting fear and uncertainty with mindfulness, meaning, and the unconditional love inherent in us all.

Ordinary Girls Jaquira Díaz, 2019-10-29 One of the Must-Read Books of 2019 According to O: The Oprah Magazine * Time * Bustle * Electric Literature * Publishers Weekly * The Millions * The Week * Good Housekeeping "There is more life packed on each page of *Ordinary Girls* than some lives hold in a lifetime." —Julia Alvarez In this searing memoir, Jaquira Díaz

writes fiercely and eloquently of her challenging girlhood and triumphant coming of age. While growing up in housing projects in Puerto Rico and Miami Beach, Díaz found herself caught between extremes. As her family split apart and her mother battled schizophrenia, she was supported by the love of her friends. As she longed for a family and home, her life was upended by violence. As she celebrated her Puerto Rican culture, she couldn't find support for her burgeoning sexual identity. From her own struggles with depression and sexual assault to Puerto Rico's history of colonialism, every page of *Ordinary Girls* vibrates with music and lyricism. Díaz writes with raw and refreshing honesty, triumphantly mapping a way out of despair toward love and hope to become her version of the girl she always wanted to be. Reminiscent of Tara Westover's *Educated*, Kiese Laymon's *Heavy*, Mary Karr's *The Liars' Club*, and Terese Marie Mailhot's *Heart Berries*, Jaquira Díaz's memoir provides a vivid portrait of a life lived in (and beyond) the borders of Puerto Rico and its complicated history—and reads as electrically as a novel.

Sounds of Vacation Jocelyne Guilbault, Timothy Rommen, 2019-08-30 The contributors to *Sounds of Vacation* examine the commodification of music and sound at popular vacation destinations throughout the Caribbean in order to tease out the relationships between political economy, hospitality, and the legacies of slavery and colonialism. Drawing on case studies from Barbados, the Bahamas, Guadeloupe, Saint Martin, and Saint Lucia, the contributors point to the myriad ways live performances, programmed music, and the sonic environment heighten tourists' pleasurable vacation experience. They explore, among other topics, issues of authenticity in Bahamian music; efforts to give tourists in Barbados peace and quiet at a former site of colonial violence; and how resort soundscapes extend beyond music to encompass the speech accents of local residents. Through interviews with resort managers, musicians, and hospitality workers, the contributors also outline the social, political, and economic pressures and interests that affect musical labor and the social encounters of musical production. In so doing, they prompt a rethinking of how to account for music and sound's resonances in postcolonial spaces. Contributors. Jerome Camal, Steven Feld, Francio Guadeloupe, Jocelyne Guilbault, Jordi Halfman, Susan Harewood, Percy C. Hintzen, Timothy Rommen

Air Traffic Gregory Pardlo, 2018-04-10 From the beloved Pulitzer Prize-winning poet: an extraordinary memoir and blistering meditation on fatherhood, race, addiction, and ambition. Gregory Pardlo's father was a brilliant and charismatic man--a leading labor organizer who presided over a happy suburban family of four. But when he loses his job following the famous air traffic controllers' strike of 1981, he succumbs to addiction and exhausts the family's money on more and more ostentatious whims. In the face of this troubling model and disillusioned presence in the household, young Gregory rebels. Struggling to distinguish himself on his own terms, he hustles off to Marine Corps boot camp. He moves across the world, returning to the United States only to take a job as a manager-cum-barfly at his family's jazz club. *Air Traffic* follows Gregory as he builds a life that honors his history without allowing it to define his future. Slowly, he embraces the challenges of being a poet, a son, and a father as he enters recovery for alcoholism and tends to his family. In this memoir, written in lyrical and sparkling prose, Gregory tries to free himself from the overwhelming expectations of race and class, and from the tempting yet ruinous legacy of American masculinity. *Air Traffic* is a richly realized, deeply felt ode to one man's remarkable father, to fatherhood, and to the frustrating yet redemptive ties of family. It is also a scrupulous, searing examination of how manhood

can be fashioned in our cultural landscape.

Layla believes she was right to stand up for herself against a bully, but it's landed her a suspension - not the way she (or her parents) would have wished to begin her time at her fancy new school! The Selfless Act of Breathing JJ Bola,2023-02-21 Michael Kabongo is a British-Congolese teacher living in London on the cusp of two identities. On paper, he seems to have it all: He's beloved by his students, popular with his coworkers, and the pride and joy of a mother who emigrated from the Congo to the UK in search of a better life. But behind closed doors, he's been struggling with the overwhelming sense that he can't address the injustices he sees raging before him--from his relentless efforts to change the lives of his students for the better to his attempts to transcend the violence and brutality that

marginalizes young Black men around the world. Then one day he suffers a devastating loss, and his life is thrown into a tailspin. As he struggles to find a way forward, memories of his fathers' violent death, the weight of refugeehood, and an increasing sense of dread threaten everything he's worked so hard to achieve. Longing to escape the shadows in his mind and start anew, Michael decides to spontaneously pack up and go to America, the mythical land of the free, where he imagines everything will be better, easier--a place where he can become someone new, someone without a past filled with pain. On this transformative journey, Michael travels everywhere from New York City to San Francisco, partying with new friends, sparking fleeting romances, and splurging on big adventures, with the intention of living the life of his dreams until the money in his bank account runs out. Written in spellbinding prose, with Bola's trademark magnetic storytelling, *The Selfless Act of Breathing* takes us on a wild ride to odd but exciting places as Michael makes surprising new connections and faces old prejudices in new settings--

The Matt and Noelle Letters Dan Tice, 2014-02-07 I could imagine that most senior citizens approaching seventy years of age might look back on their life and wish that they had accomplished more. The author of this book would be no exception. But praise the Lord, he has very few regrets. He has had the great privilege to see God do things in his life he never expected that He would, and he has a wife and family that bless him every day things that money could never have purchased, even if he did have more of it. In the book of Acts, as Peter and John were walking through the temple courts in Jerusalem, a crippled beggar asked them for money. Peter's answer to him was simply, I have no silver and gold, but what I do have I give to you... (Acts 3:6, ESV). I would tell my family the same thing. What I do have, money can't buy. And they can have it too. God can be just as real for them as He has always been for us. And when He promises them, I am with you, they will never lack any good thing. If I were being totally honest, I do have one major regret in life: I wish I could have told more people about Jesus, and would have been a bolder witness. But I am praying that, by God's grace, the books I have written will perhaps accomplish what I didn't. People that I haven't met, in places that I never went, can still read what I have written. And like that little boy's lunch in Jesus' hands, five loaves of bread and two fish, or maybe even my four books and one life, can still feed a multitude. With God, all things are possible! Hallelujah!
