Renée de la Torre

Poemas Y Reflexiones Cristianas Pedro Casados,2011-10-31 En algn momento de nuestra vida todos necesitamos la ayuda, el consejo, o la orientacin de alguien ms; a veces dichos empujoncitos los encontramos en las palabras de alguien, un orador, o medio de comunicacin. Pero tambin la podemos encontrar por medio de los libros. La parte escrita ha tenido tanto xito desde antes de Cristo; en la antigedad el pueblo de Israel se guiaba por los escritos de sus antepasados y una prueba de ello es el Antiguo Testamento que cuenta con miles de aos. Estos poemas-reflexiones estn dedicados con amor a todos los cristianos en general, es decir a todo creyente en Cristo sin distincin de credo e iglesia. Recibe el mensaje hermano/a y no te fijes para quien fue escrito, pues es para todos los cristianos del mundo entero.

Preparación a la primera comunión Catholic Church. Archdiocese of Yucatán (Mexico). Secretariado Diocesano de Evangelización y Catequesis,2008

La mujer de las águilas Marian Ortiz,2019-11-20 Las Águilas, una hacienda mezcalera y ganadera, considerada una de las más prósperas de la Revolución, se ha convertido en un cascarón vacío. Isabel, nieta de Alonso Huerta, Asume el reto de repararla. Desafiará los convencionalismos sociales y luchará contra los elementos de la naturaleza: lluvia, heladas, sequía, viento... pero tendrá que descubrir cómo enfrentar la melancolía, el miedo y la soledad. Durante la restauración, aparecerán en su vida personas que sacudirán su existencia. Presenciará bienvenidas que le quitarán el aliento y despedidas que le harán cuestionar sus creencias. Mientras se encuentra inmersa en su proyecto de revivir la hacienda de Las Águilas, estalla la guerra Cristera, atrapando a Isabel y sus seres más queridos, en un remolino sombrío. La novela danza delicadamente entre la devastación y los días soleados del altiplano; entre los escombros y los mezquites; entre la desolación y los aromas de una huerta de frutales. Minetras nos dejamos mecer por la cadencia del relato, presenciaremos cómo Isabel se reconstruye a sí misma a la par de La Hacienda.

La esfera de las rutas Álvaro Ruiz Abreu,2014-02-27 La esfera de las rutas es una invitación a leer no solamente el verso luminoso, alado y místico de Carlos Pellicer (1897-1977), sino también la prosa que escribió en largos epistolarios, conferencias que dictó en México y otros países, y una prosa al margen claramente poética. Es un trabajo que resume la vida y la obra de Pellicer y la examina desde una perspectiva analítica, explorando la intertextualidad en que se apoya. Desde sus cartas de amor, hasta las de corte nacionalista y político, Pellicer parece el mismo defensor de una escritura al servicio de los miserables de la tierra.

Reconfiguración de las identidades religiosas en México Renée de la Torre , México vive una recomposición religiosa que tiene como principal característica un incremento en su diversidad de religiones. Además de católicos, también hay evangelios (protestantes, pentecostales y cristianos) , bíblicos (donde se encuentran testigos de Jehová, mormones y adventistas) y sin religión (que agrupa a agnósticos, ateos, espirituales, sin iglesias, indiferentes , creyentes sin iglesia, entre otros). La recomposición incluye las reconfiguraciones de las formas de creer, valor y practicar que cada vez responden más a modalidades transversales, múltiples, fluías y dinámicas. En este libro se analizan los datos de la Encuesta Nacional sobre Creencias y Prácticas Religiosas en México (Encreer) levantada el 2016, los cuales nos permiten describir quiénes son los principales grupos religiosos en el país. Establecemos comparativos para descubrir los rasgos que marcan sus diferencias y sus semejanzas. Analizamos sus trayectorias de cambios religiosos, en qué cree y cuáles son sus jerarquías de valores, qué y cómo practican su religiosidad, qué tan tolerantes son con los otros y qué orientaciones tiene hacia la vida pública y los temas de debate político, como la participación de los religiosos en la política, el aborto o el matrimonio homosexual.

Ciencias políticas y sociales ,1959

Un clero en transición Rodolfo Aguirre Salvador,2013-04-22 Un sector importante de la sociedad novohispana, citado a menudo en la historiografía debido a sus vínculos, a su indudable influencia en la vida religiosa, social, política y cultural de la época es, por supuesto, el clero secular. A partir de la idea de que sobre este sector hay lagunas notables en cuanto a su conocimiento -básicamente debidas a la tendencia a establecer generalizaciones que abarcan amplios espacios temporales y también al escaso trabajo de archivo-, el autor del presente libro se dio a la tarea de analizar un periodo histórico poco conocido de la Iglesia en Nueva España como lo fue la primera década del siglo XVIII en lo relativo al clero secular del

arzobispado de México y a su relación con la sociedad, las instituciones, las parroquias y la política eclesiástica de Felipe V. Así, Rodolfo Aguirre Salvador nos entrega en *Un clero en transición. Población clerical, cambio parroquial y política eclesiástica en el arzobispado de México, 1700-1749*, un estudio serio, riguroso y ameno sobre los intentos del monarca Borbón por reconfigurar la Iglesia; sobre cómo fue impactado el clero por esa transición política y social, y sobre como él mismo fue protagonista de ese cambio.
