The Ultimate Sales Bible Todd Speciale, 2024-07-19 “Add to cart folks, ADD TO CART, buy the book and get one for all your friends! And once you’ve done that, add one more. Todd Speciale has knocked this one out of the park and the true secrets to sell (the right way) are all INSIDE THIS BOOK!” - Danelle Delgado, The Millionaire Maker “INVEST in yourself right now, get this book... absorb the information and take immediate and direct action with it! Knowledge without action is worthless.” - Jason Sisneros, Chairman - Anton Jae Global Ever tried to hustle your way through a high-stakes poker game, knowing that the month's rent was on the line? Ever used the velvet touch of persuasion to angle your next pool shot or card play, ensuring the game's outcome before the final move? That's where I crafted my mastery in sales. Some get their sales savvy from polished boardrooms or prestigious MBA programs. Me, I learned the art of sales, persuasion and negotiating in the streets. Every move was calculated, and every game was a lesson in negotiation. The streets were my Ivy League, teaching me more about the human psyche and persuasive moves than any traditional classroom ever could. In this book, I reveal how the art of the hustle—from setting up poker games to guaranteeing wins in pool by sheer negotiation prowess—sculpted me into a sales titan. But this isn't just about my glory days on the streets. It's about translating that raw, unfiltered skill into a sales methodology so potent that today, I'm recognized as one of the nation's premier sales trainers, molding elite sales teams and advising the behemoths of the corporate world. While many said I was just a gambler, they didn't see the strategist within. My stories of perseverance, grit, and the raw energy of someone who's played against the house and walked away with the jackpot will prove to you that the world of sales isn't just about transactions; it's about strategy, audacity, and setting the stage for the win. Let's turn the tables on convention and beat the odds together.

Grace in Horror Modestus Ngwu, O.P., 2022-11-03 Life is filled with questions for which we struggle to find answers. Most of them tend to arise when facing uncertainty, powerlessness, or hopelessness while lying on a hospital bed. It is not

infrequent to hear family members, friends, and even the clergy offering comfort by almost compulsively using phrases like, aEURoeEverything happens for a reason,aEUR or aEURoeIt is GodaEUR(tm)s will.aEUR While well intended, these words tend to provide little solace to the afflicted. Propelled by the fear of judgment by those whom they hold in high regard, they push down the pain of feeling abandoned by God and adrift in their faith journey. In a quest to seek some comfort, it is easy to find books on grace that are plentiful in favor, joyfulness, and merry-making advice. However, what if there were more to grace? Unapologetic about his own internal struggle while witnessing unspeakable suffering, Fr. Modestus Ngwu produced an honest, insightful, and provocative piece that provides a transformative and compassionate approach to grace. Grounded on authentic pastoral care, he invites the reader to get acquainted with and draw strength from the beautifully crafted and detailed stories derived from his many experiences. The indestructibility of GodaEUR(tm)s infinite grace, hope, and love during periods of suffering are the cornerstones of his book *Grace in Horror*. Father ModestusaEUR(tm) book reveals how grace is truly present and active in what might appear to be utter horror. aEURMost Rev. Ronald W. Gainer, Bishop of Harrisburg This reflection is highly recommended for anyone in health care, for anyone who asks, why does a good God allow suffering and for anyone who seeks to delve deeper into the mysteries of Grace. It is a compelling read that offers much to reflect and meditate upon. aEURElizabeth E. Fraenhoffer, MD, OCDS

Domo's Quotes of Inspiration Part 1 D.J. Domo ,2023-07-24 On a daily we all go through things. Some expected and some unexpected. Some we can control the outcome and others we can't. As I went back and thought about my hard times and the quotes I came up with while trying to press forward through all my tribulations and trials. These quotes seem to make a lot of sense today. So why not share them, and hopefully they can help you right along with words of inspiration. For so long after dealing with my hard times I've always been someone who people can come to talk to. We all need someone to vent to. Not everyone is genuine with that listening ear either. I've given real advice and am not judgmental while giving it. I allow people to see things both ways and advise them of what I would do. When I approach the conversation with the advice, I give I don't force a person to take my advice and use it. The final choice is up to you to make the final decision in whatever choice you choose to use and I'm going to support you every which way. Everyone needs, deserves, and go looking for encouragement. That happens often. So why not a better way to incorporate quotes with genuine words of encouragement to inspire someone within this book.
