

Race With The Devil 1975 Movie

Rick Worland

Robin Wood on the Horror Film Robin Wood, 2018-11-12 Robin Wood's writing on the horror film, published over five decades, collected in one volume. Robin Wood—one of the foremost critics of cinema—has laid the groundwork for anyone writing about the horror film in the last half-century. Wood's interest in horror spanned his entire career and was a form of popular cinema to which he devoted unwavering attention. *Robin Wood on the Horror Film: Collected Essays and Reviews* compiles over fifty years of his groundbreaking critiques. In September 1979, Wood and Richard Lippe programmed an extensive series of horror films for the Toronto International Film Festival and edited a companion piece: *The American Nightmare: Essays on the Horror Film* — the first serious collection of critical writing on the horror genre. *Robin Wood on the Horror Film* now contains all of Wood's writings from *The American Nightmare* and nearly everything else he wrote over the years on horror—published in a range of journals and magazines—gathered together for the first time. It begins with the first essay Wood ever published, *Psychoanalysis of Psycho*, which appeared in 1960 and already anticipated many of the ideas explored later in his touchstone book, *Hitchcock's Films*. The volume ends, fittingly, with *What Lies Beneath?*, written almost five decades later, an essay in which Wood reflects on the state of the horror film and criticism since the genre's renaissance in the 1970s. Wood's prose is eloquent, lucid, and convincing as he brings together his parallel interests in genre, authorship, and ideology. Deftly combining Marxist, Freudian, and feminist theory, Wood's prolonged attention to classic and contemporary horror films explains much about the genre's meanings and cultural functions. *Robin Wood on the Horror Film* will be an essential addition to the library of anyone interested in horror, science fiction, and film genre.

The Horror Film Rick Worland, 2024-09-16 A lively and reliable narrative account of the horror genre, featuring new and revised material throughout *The Horror Film: An Introduction* surveys the history, development, and social impact of the genre. Covering American horror cinema from its earliest period to the present, this reader-friendly volume explores the many ways horror movies have been received by filmmakers, critics, and general audiences throughout the decades. Concise, easily accessible chapters describe historical instances of the genre's social reception based on primary research, analyze landmark films such as *Frankenstein*, *Invasion of the Body Snatchers*, and *The Texas Chain Saw Massacre*, and more. Incorporating recent scholarship on the genre, the second edition of *The Horror Film* contains new discussion and context for Hollywood horror films in the 1980s and 1990s, as well as notable developments in the genre such as “torture porn,” found-

footage horror, remakes and reboots of past horror films, zombies, and the “elevated horror” debate. This edition explores the rise of new filmmakers such as Ari Aster, Robert Eggers, and Jordan Peele, surveys horror films made by women and African American filmmakers, and investigates contemporary issues in the production and consumption of horror films. Combining historical narrative with close readings of significant works, *The Horror Film: Covers major works in the genre such as Cat People, Halloween, and Bram Stoker's Dracula Examines important antecedents including gothic literature and the Grand Guignol Theater Offers thorough analyses of the style, context, and themes of specific horror milestones Provides examples of close analysis that can be applied to a wide range of other horror films Discusses important representative titles across the genre's evolution, including more recent films such as 2017's Get Out The Horror Film: An Introduction, Second Edition*, is an ideal textbook for undergraduate surveys of the horror genre and other courses in American film history, and an invaluable resource for scholars, lecturers, and general readers with an interest in the subject.

Horror Films of the 1970s John Kenneth Muir, 2012-11-22 The seventies were a decade of groundbreaking horror films: *The Exorcist*, *Carrie*, and *Halloween* were three. This detailed filmography covers these and 225 more. Section One provides an introduction and a brief history of the decade. Beginning with 1970 and proceeding chronologically by year of its release in the United States, Section Two offers an entry for each film. Each entry includes several categories of information: Critical Reception (sampling both '70s and later reviews), Cast and Credits, P.O.V., (quoting a person pertinent to that film's production), Synopsis (summarizing the film's story), Commentary (analyzing the film from Muir's perspective), Legacy (noting the rank of especially worthy '70s films in the horror pantheon of decades following). Section Three contains a conclusion and these five appendices: horror film clichés of the 1970s, frequently appearing performers, memorable movie ads, recommended films that illustrate how 1970s horror films continue to impact the industry, and the 15 best genre films of the decade as chosen by Muir.

Snuff Mark McKenna, 2022-10-15 *Snuff* (1976) occupies a unique place in cinematic history, as the first commercially successful film to capitalise upon the myth of the ‘snuff’ movie. By blending cinema vérité styling with a media moral panic, savvy producer Allan Shackleton’s blending of a long-forgotten exploitation film with a newly filmed bloody, if unconvincing conclusion, only served to consolidate the belief that somewhere, at some time, someone was killed on camera in an attack that was as much about the sexual gratification of the film’s intended audience, as it was about the commercial rewards for those producing the film. In the years since its release, the film has been routinely cited as ‘evidence’ of the snuff movie’s existence, contributing to a cultural history that exists outside of the film. This book explores the production, distribution and exhibition of the film *Snuff*, alongside that cultural history, considering how a scarcely seen exploitation film contributed to a popular understanding of the snuff movie. It assesses the cultural, cinematic and political legacy of the film and asks whether the established definition of what might constitute a snuff movie, that was defined 45 years ago, is sufficient in an attention

economy that is based upon participatory culture.

The Movie Lover's Tour of Texas Veva Vonler, 2005-08-04 Texas movies are as vast as the Lone Star State. This book offers readers the chance to visit Texas vicariously by viewing movies filmed in and about the state that reflect Texas history, cultures, and landscapes. Suggested itineraries, maps, and lists of unique shooting locations make this book a travel guide. Anecdotes about the experiences of the movie makers during the filming add unique interest for the movie fan.

The Thrill of Repulsion William Burns, 2016-08-28 A collection of lists, reviews, and interviews about the horror genre in film and beyond Includes categorical lists and in-depth articles covering horror movies, literature, television, graphic novels, and music Horror is a dominant form of cultural expression in the 20th/21st centuries

Dirty Real Peter Stanfield, 2024-07-06 The story of how the movies assumed a gritty facade in the name of authenticity, with working actors transforming into artists, poets, painters, troubadours, and filmmakers—both on- and off-screen. This is the tale of how Hollywood, inspired by the success of *Easy Rider*, sold a cycle of films as the new dirty real. Dennis Hopper, Peter Fonda, Monte Hellman, Jack Nicholson, Kris Kristofferson, and Sam Peckinpah, among others, parlayed a nostalgia for the gutter and donned bohemian personae, pulling on soiled shirts and scuffed boots to better counter the glamour and phoniness of Tinseltown. The result was a generation of movies, including *The Hired Hand*, *Five Easy Pieces*, *Two-Lane Blacktop*, *The Last Picture Show*, and *Pat Garrett and Billy the Kid*. With great care for the historical record and displaying a refined critical acuity, Peter Stanfield captures that pivotal moment when Hollywood tried to sell a begrimed vision of itself to the world.

Horror Films FAQ John Kenneth Muir, 2013-08-01 (FAQ). *Horror Films FAQ* explores a century of ghoulish and grand horror cinema, gazing at the different characters, situations, settings, and themes featured in the horror film, from final girls, monstrous bogeymen, giant monsters and vampires to the recent torture porn and found footage formats. The book remembers the J-Horror remake trend of the 2000s, and examines the oft-repeated slasher format popularized by John Carpenter's *Halloween* (1978) and *Friday the 13th* (1980). After an introduction positioning the horror film as an important and moral voice in the national dialogue, the book explores the history of horror decade by decade, remembering the women's liberation horrors of the 1970s, the rubber reality films of the late 1980s, the serial killers of the 1990s, and the xenophobic terrors of the 9/11 age. *Horror Films FAQ* also asks what it means when animals attack in such films as *The Birds* (1963) or *Jaws* (1975), and considers the moral underpinnings of rape-and-revenge movies, such as *I Spit on Your Grave* (1978) and *Irreversible* (2002). The book features numerous photographs from the author's extensive personal archive, and also catalogs the genre's most prominent directors.

Leonard Maltin's 2013 Movie Guide Leonard Maltin, 2012-09-04 NEW More than 16,000 capsule movie reviews, with more than 300 new entries NEW More than 13,000 DVD and 13,000 video listings NEW Up-to-date list of mail-order and

High on the Hogs David Stidworthy, 2024-10-09 Bikers are typically portrayed on film as dangerous, rebellious outlaws. But, to be fair, they have also been portrayed as cool, philosophical thinkers and confused, sensitive hunks. American-International handled the earliest portrayals in Motorcycle Gang and Dragstrip Riot in the fifties, and then satirized them in Eric Von Ripper and his gang in the beach movies that were popular in the sixties. From then on, biker films were known for their shock value, and when they lost their shock value, they ran out of road. This filmography covers 58 biker films, and provides a synopsis, an analysis by the author, and cast and production credits for each film. Included are such films as Angel Unchained, The Angry Breed, The Born Losers, C.C. and Company, Chrome and Hot Leather, The Dirt Gang, Easy Rider, Five the Hard Way, The Hard Ride, Hell's Angels on Wheels, Hell's Chosen Few, The Limit, The Loners, The Miniskirt Mob, Motor Psycho, Outlaw Riders, Rebel Rousers, The Savage Seven, The Takers, The Wild Angels, The Wild Rebels, and Wild Riders.

New York, 1987-04

Horror Films by Subgenre Chris Vander Kaay, Kathleen Fernandez-Vander Kaay, 2016-02-02 More horror movies are produced and released each year than any other film genre. While horror enjoys broad popularity, many hardcore fans voraciously consume films from their favorite subgenres while avoiding others entirely. This says something interesting about the films and their audiences. This primer and reference guide defines and explores 75 alphabetically listed subgenres of horror film, from Abduction to Witchcraft and two Zombie subgenres. Each sizeable entry provides a critical survey of the subgenre, a detailed examination of its characteristic elements and themes, and a discussion of three or four exemplary titles as well as other titles of interest.

The Highway Horror Film Bernice M. Murphy, 2014-03-12 The Highway Horror Film argues that 'Highway Horror' is a

hitherto overlooked sub-genre of the American horror movie. In these films, the American landscape is by its very accessibility rendered terrifyingly hostile, and encounters with other travellers almost always have sinister outcomes.

New York Times Film Reviews ,1969

New York Magazine ,1981-01-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

A Cut Below Scott Drebit,2024-01-23 Horror films have been around for more than 100 years, and they continue to make a large impact on popular culture as they reflect their contemporary zeitgeist. Between the mid-1950s and mid-1980s, drive-in theaters were at their peak of popularity, and each decade brought forward new challenges and themes. This book explores 60 B horror films, divided into 12 fun and uniquely-themed categories. Chapters discuss how the Atomic Age, the Vietnam War, the women's liberation movement and other current events and social issues affected these films. Films covered include Willard, The Fly, Santa Sangre and many more.

Leonard Maltin's 2015 Movie Guide Leonard Maltin,2014-09-02 NEARLY 16,000 ENTRIES INCLUDING 300+ NEW ENTRIES AND MORE THAN 13,000 DVD LISTINGS Summer blockbusters and independent sleepers; masterworks of Alfred Hitchcock, Billy Wilder, and Martin Scorsese; the timeless comedy of the Marx Brothers and Buster Keaton; animated classics from Walt Disney and Pixar; the finest foreign films ever made. This 2015 edition covers the modern era, from 1965 to the present, while including all the great older films you can't afford to miss—and those you can—from box-office smashes to cult classics to forgotten gems to forgettable bombs, listed alphabetically, and complete with all the essential information you could ask for. NEW: • Nearly 16,000 capsule movie reviews, with 300+ new entries • More than 25,000 DVD and video listings • Up-to-date list of mail-order and online sources for buying and renting DVDs and videos MORE: • Official motion picture code ratings from G to NC-17 • Old and new theatrical and video releases rated **** to BOMB • Exact running times—an invaluable guide for recording and for discovering which movies have been edited • Reviews of little-known sleepers, foreign films, rarities, and classics • Leonard's personal list of Must-See Movies • Date of release, running time, director, stars, MPAA ratings, color or black and white • Concise summary, capsule review, and four-star-to-BOMB rating system • Precise information on films shot in widescreen format • Symbols for DVDs, videos, and laserdiscs • Completely updated index of leading actors

The Encyclopedia of Fantastic Film R. G. Young,2000-04 Thirty-five years in the making, and destined to be the last word in fanta-film references! This incredible 1,017-page resource provides vital credits on over 9,000 films (1896-1999) of horror,

fantasy, mystery, science fiction, heavy melodrama, and film noir. Comprehensive cast lists include: directors, writers, cinematographers, and composers. Also includes plot synopses, critiques, re-title/translation information, running times, photographs, and several cross-referenced indexes (by artist, year, song, etc.). Paperback.

Consuming Images Gary D. Rhodes, 2020-01-07 The American television commercial has an aesthetic and historical dynamic linking it directly to cinematic and media cultures. Consuming Images: Film Art and the American Television Commercial establishes the complex vitality of the television commercial both as a short film and as an art form. Through close and comparative readings, the book examines the influence of Hollywood film styles on the television commercial, and the resulting influence of the television commercial on Hollywood, exploring an intertwined aesthetic and technical relationship. Analysing key commercials over the decades that feature new technologies and film aesthetics that were subsequently adopted by feature filmmakers, the book establishes the television commercial as a vital form of film art.

The Encyclopedia of Film James Monaco, 1991 An alphabetical reference on the major film figures (stars, producers, directors, writers, et al.), past and present. Each entry provides a substantial career biography and a complete listing of all films the individual has been involved with. Annotation copyrighted by Book News, Inc., Portland, OR
