Born an ocean apart - one in Indiana, the other in England - Cole Porter and Noel Coward have come to represent the ultimate in sophistication and urbanity. *The Complete Lyrics of Johnny Mercer* Johnny Mercer, Robert Kimball, Barry Day, Miles Kreuger, Eric Davis, 2009-10-20 The seventh volume in Knopf's critically acclaimed Complete Lyrics series, published in Johnny Mercer's centennial year, contains the texts to more than 1,200 of his lyrics, several hundred of them published here for the first time. Johnny Mercer's early songs became staples of the big band era and were regularly featured in the musicals of early Hollywood. With his collaborators, who included Richard A. Whiting, Harry Warren, Hoagy Carmichael, Jerome Kern, and Harold Arlen, he wrote the lyrics to some of the most famous standards, among them, "Too Marvelous for Words," "Jeepers Creepers," "Skylark," "I'm Old-Fashioned," and "That Old Black Magic." During a career of more than four decades, Mercer was nominated for the Academy Award for Best Song an astonishing eighteen times, and won four: for his lyrics to "On the Atchison, Topeka, and the Santa Fe" (music by Warren), "In the Cool, Cool, Cool of the Evening" (music by Carmichael), and "Moon River" and "Days of Wine and Roses" (music for both by Henry Mancini). You've probably fallen in love with more than a few of Mercer's songs-his words have never gone out of fashion-and with this superb collection, it's easy to see that his lyrics elevated popular song into art.

**Eleanor Powell** Margie Schultz, 1994-08-16 Eleanor Powell began her notable career at age 12, with an appearance at a supper show at an Atlantic City hotel. As a teenager, she moved to vaudeville and Broadway, where producers insisted that the classically trained dancer study tap. With minimal training, she became the queen of tap dancing in the 1930s and 1940s, with MGM casting her in some of the best-loved musicals of all time. This book details her life and career. A concise biography overviews the principal events in the life and work of Eleanor Powell. The chapters that follow are devoted to her work in particular media, such as film, radio, and television. Each chapter contains entries for her productions, which provide cast and credit information, plot synopses, criticism, and excerpts from reviews. Appendices provide additional information about her life, and an annotated bibliography summarizes the many writings by and about her.

**Best Songs of the Movies** John Funnell, 2014-12-24 Thanks for the Memory. Swinging on a Star. The Way You Look Tonight. Three great and popular standards of the American songbook--and all three won Oscars for best song. But who wrote these songs? What movies were they written for? Which stars introduced them? In the 25 years covered by this book, 160 songs were nominated for Academy Awards. Some are well known, but many are nearly forgotten. They deserve more lasting recognition. Best Songs of the Movies tells the stories behind all these songs, year by year. After announcing the nominated songs, the text describes the way each song was presented and performed, critiques the lyrics and melody, and provides appropriate historical and biographical insights. One appendix presents brief biographies of all the lyricists and composers responsible for these songs; another lists the Oscar-nominated and winning songs from 1959 through 2003. A bibliography and index complete the volume.

**Fred Astaire** Larry Billman, 1997-08-26 One of the most dynamic figures of the entertainment industry, Fred Astaire's career spanned most of the twentieth century. For some, he brings to mind the world of Broadway. For others, he represents the golden age of the movie musical, particularly because of his eleven-film collaboration with Ginger Rogers. Virtually all of his fans will long remember his effortlessly graceful dance routines. International dance giants have credited his work with inspiring their careers and giving them a model of excellence. His innovations as a choreographer, dance director, and creator of musical sequences forever changed the presentation of dance on film. Though he was always in the public spotlight, he treasured his family and cherished his privacy. For a star of such stature, he was remarkably free from scandal. This reference book is a complete guide to his life and career. The volume begins with a biography that traces his life from

his birth in Omaha in 1899, to his professional debut in 1905, to his Broadway and Hollywood careers, to his death in 1987. A chronology then highlights the chief events of his life. The chapters that follow provide detailed information for his work on stage, film, radio, and television. Each chapter includes entries for individual performances, with entries providing cast and credit information, plot synopses, critical commentary, and excerpts from reviews. The volume also lists his recordings, unfulfilled projects, and other information. An extensive annotated bibliography concludes the work.

*Moonwalk* Michael Jackson, 2010-10-27 The #1 New York Times bestseller! Michael Jackson's one and only autobiography – his life, in his words. With original Foreword by Jacqueline Kennedy Onassis, a new Introduction by Motown founder Berry Gordy, and an Afterword by Michael Jackson's editor and publisher, Shaye Areheart. "I've always wanted to be able to tell stories, you know, stories that came from my soul. I'd like to sit by a fire and tell people stories – make them see pictures, make them cry and laugh, take them anywhere emotionally with something as deceptively simple as words. I'd like to tell tales to move their souls and transform them. I've always wanted to be able to do that. Imagine how the great writers must feel, knowing they have that power. I sometimes feel I could do it. It's something I'd like to develop. In a way, songwriting uses the same skills, creates the emotional highs and lows, but the story is a sketch. It's quicksilver. There are very few books written on the art of storytelling, how to grip listeners, how to get a group of people together and amuse them. No costumes, no makeup, no nothing, just you and your voice, and your powerful ability to take them anywhere, to transform their lives, if only for minutes." –Michael Jackson, in *Moonwalk* From the 1988 edition: Megastar Michael Jackson's singularly brilliant career and intensely private lifestyle have become a magnificent obsession for millions of rock fans and celebrity watchers throughout the world. His double-platinum singles rocket to the top of the music charts with a velocity equaled only by the inevitable accompaniment of wild rumors about his eccentric personal life. Now for the first time, Michael Jackson breaks the fiercely guarded barrier of silence that has surrounded him in a remarkably candid and courageous book — *Moonwalk*. In this intimate and often moving personal account of Michael Jackson's public and private life, he recalls a childhood that was both harsh and joyful but always formidable. Michael and his brothers played amateur music shows and seamy Chicago strip joints until Motown's corporate image makers turned the Jackson 5 into worldwide superstars. Michael Jackson and the Jackson 5 have combined sales of over 200 million albums. He talks about the happy prankster days of his youth, traveling with his brothers, and of his sometimes difficult relationships with his family over the years. He speaks candidly about the inspiration behind his music, his mesmerizing dance moves, and the compulsive drive to create that has made him one of the biggest stars in the music business and a legend in his own time. The Guinness Book of

World Records lists Thriller as the biggest-selling-album of all time. In Moonwalk, Michael Jackson shares his personal feelings about some of his most public friends...friends like Diana Ross, Berry Gordy, Quincy Jones, Paul McCartney, Fred Astaire, Marlon Brando, and Katharine Hepburn. He talks openly about the crushing isolation of his fame, of his first love, of his plastic surgery, and of his wholly exceptional career and the often bizarre and unfair rumors that have surrounded it. Illustrated with rare photographs from Jackson family albums and Michael's personal photographic archives, as well as a drawing done by Michael exclusively for this book, Moonwalk is a memorable journey to the very heart and soul of a modern musical genius. From the Hardcover edition.
