Last Moment fabulousqueenangel, At the last chance, in the final moment, in the final chapter of the story of life, grief and suffering prevail, ever since everything was lost. In the end, comes regret. When the time has come to realize and know the truth, it's already too late to feel it. To feel the love that knows no bounds. In a person's life, there are many trials, many problems. But you can overcome them if you trust yourself and have faith in Him. Life's wheel keeps turning, round and round, repeating, yet we continue to live, to love, and to be loved. There are times when certain things, memories, or whatever it may be, must be forgotten, must be erased from our minds because they bring pain when recalled, or evoke anger and guilt in life. Some are brought together by destiny, some are separated, but there are memories that cannot be erased for a lifetime. A past that should be revisited, remembered, and valued as long as it's in our minds. 'In the final moment of my life, I am with her. In the final moment, I held her. In the final moment, I saw her smile. And in the final moment, we will leave this world peacefully and together, heading to the afterlife. And in the next life, it will still be her and me, until the last moment of my life.' True love will never disappear, but if it's a lie, it will. In the name of love, anything can be done, no matter what. A love tested by fate, hindered by destiny, but fought for until the last moment of love. Inspired by the song 'Huling Sandali' by the band December Avenue, a story filled with love, liberation, appreciation, and sacrifice for family, friends, and the beloved. And a love that is fought for, even unto death. 'Love can sacrifice everything, true love never fades, unless it was a lie.' Huling Sandali.

Knowing Who I Am Nianell, 2012-10-15 Wherever she goes the popular South African recording artist and celebrity Nianell offers this important, inspiring message: Every one of us should love ourselves. When we learn how to love ourselves unconditionally, we will be able to experience a life worth living and also inspire and touch the people around us. Then we not only make a difference in our own lives, but also in the lives of others. In her first book, *Knowing Who I Am*, Nianell tells how she has learned to love herself. She takes the reader on a journey through her life, from being a shy, withdrawn schoolgirl to becoming the acclaimed singer/songwriter she is today. Like most people, Nianell has had to face challenges, and she offers an honest and unpretentious account of her personal experience of suffering, the struggle to belong, love, womanhood, being a mother of triplets, and being a star. Her personal stories, many shared with the public for the first time, illustrate how she discovered who she really is and how she came to the point of accepting herself and her worth. Nianell's descriptions of her experiences will touch your heart, inspire you, and help you realize the value of accepting and loving yourself as you are. *Knowing Who I Am* is an enjoyable combination of biography and inspiration. It is a reading and growing experience that will remain with you long after you have finished the book. The eBook comes with a special link so you can download some of Nianell's most inspiring songs.

Stories to Tell Richard Marx, 2021-07-06 *National Bestseller* Legendary musician Richard Marx offers an enlightening, entertaining look at his life and career. Richard Marx is one of the most accomplished singer-songwriters in the history of popular music. His self-titled 1987 album went triple platinum and made him the first male solo artist (and second solo artist overall after Whitney Houston) to have four singles from their debut crack the top three on the Billboard Hot 100. His follow-up, 1989's Repeat Offender, was an even bigger smash, going quadruple platinum and landing two singles at number one. He has written fourteen number one songs in total, shared a Song of the Year Grammy with Luther Vandross, and collaborated with a variety of artists including NSYNC, Josh Groban, Natalie Cole, and Keith Urban. Lately, he's also become a Twitter celebrity thanks to his outspokenness on social issues and his ability to out-troll his trolls. In *Stories to Tell*, Marx uses this same engaging, straight-talking style to look back on his life and career. He writes of how Kenny Rogers changed a single line of a song he'd written for him then asked for a 50% cut—which inspired Marx to write one of his biggest hits. He tells the uncanny story of how he wound up curled up on the couch of Olivia Newton-John, his childhood crush, watching *Xanadu*. He shares the tribulations of working with the all-female hair metal band Vixen and appearing in their video. Yet amid these entertaining celebrity encounters, Marx offers a more sobering assessment of the music business as he's experienced it over four decades—the challenges of navigating greedy executives and grueling tour schedules, and the rewards of connecting with thousands of fans at sold-out shows that make all the drama worthwhile. He also provides an illuminating look at his songwriting process and talks honestly about how his personal life has inspired his work, including finding love with wife Daisy Fuentes and the mystery illness that recently struck him—and that doctors haven't been able to solve. *Stories to Tell* is a remarkably candid, wildly entertaining memoir about the art and business of music.
