101 Ways Black Women Can Learn to Love Themselves Jamie Walker,2002 Heart and Soul magazine 101 Ways is like talking to your sister when she's got all the right answers. Black Issues Book Review An ambitious...guide to personal growth and fulfillment through the practice of loving one's self. Walker touches upon topics as diverse as respecting your elders and loving your hair, devoting each chapter to a single principle. Walker often seems to be thinking out loud, as if she's writing a journal entry or letter to a close friend...The very completion of this 101-chapter volume is no small feat and should serve as an inspiration to aspiring writers. Midwest Book Review An impressively practical self-help guide written especially to aid black women to get in touch with their spiritual side, experience a zest for life, and achieve a personal liberation. Walker articulately and persuasively takes the position that true healing does not come overnight, but rather it gradually evolves over time, once we learn not to look outward for validation and approval, and only when we embrace the love of God. 101 Ways Black Women Can Learn To Love Themselves is definitely recommended as being an unusually powerful, emotionally charged, and uplifting personal improvement and self-help guide. Kanika A. Wade, The Rawsistaz Book Reviewers As a black woman on her own personal journey, I found this book to be powerful, very emotional, and moving to read. I felt that the author at times was speaking directly to me, providing the encouragement and strength that I need as I move forward into

new horizons. Jamie Walker offers a book that with an open heart, many can and will find healing. As a young black woman, I am thankful that Ms. Walker heeded the call and wrote a book that all black women, regardless of age should read. Venus Noble Jamie Walker is insightful and wise way beyond her years. A page turner would not describe the inability to put this book down! There is wit and humor in every single passage! No Black woman's bookshelf should be without this manual of self worth and respect. Though apparently geared toward Black women, it is useful for any woman who will open her mind to learning about herself and growing. Social Worker/Activist; Oakland, California Joy Parham, Assistant to the Librarian; UC Merced I believe this is a necessary and encouraging message Jamie is sending out to Black women, especially our young Black women. Most of us didn't tap into our inner selves until we had experienced numerous trials and tribulations in life. We didn't see the value in the valley. This is definitely a book I will add to my collection. Esther Cooper Jackson, co-founder of Freedomways magazine An excellent resource! Columbus Metropolitan Main Library (representing ten branches) A Must Read! BOOK SUMMARY Self-love is the only kind of love that can every truly heal and rescue us, causing us to be more open in all of our other relationships, activities, and endeavors. 101 Ways Black Women Can Learn to Love Themselves this book is about self-actualization, the power of sisterhood, the healing power of sharing our own stories, and the beauty o
