Find Me André Aciman, 2019-10-29 A New York Times Bestseller In this spellbinding exploration of the varieties of love, the author of the worldwide bestseller *Call Me by Your Name* revisits its complex and beguiling characters decades after

their first meeting. No novel in recent memory has spoken more movingly to contemporary readers about the nature of love than André Aciman's haunting *Call Me by Your Name*. First published in 2007, it was hailed as "a love letter, an invocation . . . an exceptionally beautiful book" (Stacey D'Erasmus, *The New York Times Book Review*). Nearly three quarters of a million copies have been sold, and the book became a much-loved, Academy Award-winning film starring Timothée Chalamet as the young Elio and Armie Hammer as Oliver, the graduate student with whom he falls in love. In *Find Me*, Aciman shows us Elio's father, Samuel, on a trip from Florence to Rome to visit Elio, who has become a gifted classical pianist. A chance encounter on the train with a beautiful young woman upends Sami's plans and changes his life forever. Elio soon moves to Paris, where he, too, has a consequential affair, while Oliver, now a New England college professor with a family, suddenly finds himself contemplating a return trip across the Atlantic. Aciman is a master of sensibility, of the intimate details and the emotional nuances that are the substance of passion. *Find Me* brings us back inside the magic circle of one of our greatest contemporary romances to ask if, in fact, true love ever dies.

Lie With Me Philippe Besson, 2020-04-07 “I remember the movement of his hips pressing against the pinball machine. This one sentence had me in its grip until the end. Two young men find each other, always fearing that life itself might be the villain standing in their way. A stunning and heart-gripping tale.” —André Aciman, author of *Call Me by Your Name* A New York Times Book Review Editor’s Choice The critically acclaimed, internationally beloved novel by Philippe Besson—“this year’s *Call Me By Your Name*” (Vulture) with raves in The New York Times, The New Yorker, The Wall Street Journal, NPR, Vanity Fair, Vogue, O, The Oprah Magazine, and Out—about an affair between two teenage boys in 1984 France, translated with subtle beauty and haunting lyricism by the iconic and internationally acclaimed actress and writer Molly Ringwald. In this “sexy, pure, and radiant story” (Out), Philippe chances upon a young man outside a hotel in Bordeaux who bears a striking resemblance to his first love. What follows is a look back at the relationship he’s never forgotten, a hidden affair with a boy named Thomas during their last year of high school. Thomas is the son of a farmer; Philippe the son of a school principal. At school, they don’t acknowledge each other. But they steal time to meet in secret, carrying on a passionate, world-altering affair. Despite the intensity of their attraction, from the beginning Thomas knows how it will end: “Because you will leave and we will stay,” he says. Philippe becomes a writer and travels the world, though as this “tender, sensuous novel” (The New York Times Book Review) shows, he never lets go of the relationship that shaped him, and every story he’s ever told. “Beautifully translated by Ringwald” (NPR), this is “Philippe Besson’s book of a lifetime...an elegiac tale of first, hidden love” (The New Yorker).

Maurice David Greven,2023-09-15 Maurice, James Ivory's 1987 adaptation of the E.M. Forster novel, follows an Edwardian man's journey from the awakening of his desire for and love of men to self-acceptance. One of the most politically resistant films of the 1980s, Maurice dared to depict a young man's coming-out story and a happy ending for its lovers, Maurice and Alec. James Ivory and producer Ismail Merchant, a couple whose cinema is synonymous with period film adaptation, released Maurice during the first AIDS decade, a time of flagrant transatlantic homophobia. Criticism following its release described Ivory as a superficial and staid director, while the film was received as a regression to the uncinematic and overly faithful style that characterized the early adaptations by Merchant Ivory Productions. Offering a close reading of Forster's novel and an analysis of Ivory's distinctive visual style, Richard Robbins's indelible score, and the performances of James Wilby, Hugh Grant, and Rupert Graves, David Greven argues that the film is a model of sympathetic adaptation. This study champions the film as the finest of the Merchant Ivory works, making a case for Ivory's underappreciated talents as a director of great subtlety and intelligence, and for the film as one worth recuperating from its detractors. Understanding Maurice as a fully realized work of art and adaptation, this volume offers insight into how a stunning novel of gay love became a classic of queer film.

Pop Culture Matters Martin F. Norden,Robert E. Weir,2019-03-05 We immerse ourselves daily in expressions of popular culture—YouTube videos, hip hop music, movies, adverts, greeting cards, videogames, and comics, to name just a few possibilities—and far too often we pay only scant critical attention to them. The essays in this collection redress this situation by probing a wide range of topics within the field of popular culture studies. Written in engaging and jargon-free prose, contributions critically examine various offerings in film, television, social media, music, literature, sports, and related areas. Moreover, they often pay special attention to the ways in which these pop culture artefacts intersect with issues of race, ethnicity, gender, sexual orientation, age, and ability. Providing a rich mixture of broad perspectives and intriguing case studies, the essays form a compelling mosaic of findings and viewpoints on popular culture. Exploring everything from toxic masculinity in twenty-first century television programmes to gendered greeting cards and adult colouring books, this provocative volume is essential reading for anyone interested in that fabricated and all-pervasive environment we call

popular culture.

Criminalisation of Dissent in Times of Crisis Anna Di Ronco, Rossella Selmini, 2024-12-26 This book provides a wide-ranging, global exploration of policies and practices which have sought to undermine dissent during recent and less recent social, political, economic and health 'crises'. Examining various cases of activism and opposition from both the Global North and the Global South, and drawing on multi-disciplinary insights, this book analyses the many ways in which state and non-state actors have targeted dissent, activism and protest, including by vulnerable groups. This includes strategies that have silenced dissenting opinions, restricted the right to protest, intensified policing practices and the surveillance of activists, imposed onerous administrative fines, criminalised and prosecuted dissenters, and even killed activists. Fundamentally, this volume considers 'criminalisation' as a process that develops on a continuum of control and repressive practices that aim to undermine dissent. It contributes to the broader discussion on criminalisation processes, policing, the rule of law, and the quality of our democracies.

True Materialism Jensen Suther,2025-09-16 In recent years, there has been an explosion of interest in both Marxism and German Idealism across the humanities, but the discourse around the two traditions has grown stagnant and is still defined by the same century-old debates—materialism versus idealism, history versus logic, revolution versus reform. With this exciting new work, Jensen Suther endeavors to transform this discourse by presenting an unprecedented systematic vision of the possibility of a Hegelian Marxism, grounded in Aristotle's logic of living form. Through engagement with three titans of literary modernism—Franz Kafka, Thomas Mann, and Samuel Beckett—Suther pursues not only an account of Hegel's materialism but also a new critique of capitalist modernity. Breaking with the received view of Marx's relation to German Idealism, the book argues that the materialist critique of capitalist production is inseparable from Hegel's idea that the demand for freedom is a demand for mutual recognition. The implication for Marxist criticism is that literary works cannot be understood apart from the political struggle for both recognition and new forms of social production. Anyone invested in socialist politics, the future of literary theory, the history of philosophy, and the study of modernism will want to contend with the way Suther rethinks Marxist theory and literary criticism from the ground up, starting with their foundations in Hegelian thought.

Paranoid Systems of History Bachi Gongadze,2024-05-24 Structured similarly to the writing styles of ancient and medieval texts, *Paranoid Systems of History* explores basic ideas and principles which cannot be argued or disputed by anyone in a Cartesian way—the idea of something that is evident and obvious in itself. Bachi Gongadze writes in an honest, almost confessional way, to evoke provocative new ideas and theories on the state of the world and the phenomena within it. The concepts and ideas are shaped by the thoughts of one man, Gongadze, and the philosophers and great writers of the eras, and written during the assumed last days of Gongadze's life, providing unique ideas which provide readers to reshape their own thinking as well as new thoughts on events throughout history, to reflect on these moments at a new angle. About the Author Bachi Gongadze was born and raised in Georgia and arrived in the USA fifteen months ago, due to finding new treatments for congenital heart disease. At thirty-five, Gongadze has had five surgeries, and after moving, is now on the mend. Gongadze has spent his life writing and translating from English to Russian to Georgian. *Paranoid Systems of History* is his first published work. Now in the USA, he can share thoughts and ideas that would not be as accepted within his home country. In his spare time, he enjoys reading, playing and watching chess, movies, and music. He is married and has a three-year-old daughter.
