**Walk On Water** Deborah B. McDermet, 2022-02-03 Most of us settle. We live average, safe, mediocre lives. But does that kind of living reflect what God has called us to? The abundant life that Jesus promised his followers is nothing less than amazing when we realize that God is working in us so that we may "be conformed to the image of his Son" (Romans 8:29). Jesus did not live an ordinary life, and nor should we! Walk on Water invites believers to rise above the norm. This daily devotional takes a fresh look at the Word of God. Be inspired by the lives of Esther, Daniel, Jonah, and others. Be challenged with Jesus' no-nonsense conversations with the Pharisees and the disciples. Be emboldened through the honest emotions that pour from the hearts of the writers of the Psalms. In addition to daily devotionals, twelve true stories (experienced by Deb

herself) are added at the end of each month to encourage and humor the soul.

**God's SCRIPTures** Robert F. Dinger, 2023-05-03 The printed word in the Holy Scriptures reveals all the truths that God in His infinite wisdom wants us to know. The Bible tells us that all creation in heaven and on earth is destined to follow a preset plan that is under God's total control. This book explains that preset plan as God's Script. God's Script reveals several themes that run from Genesis to Revelation. God's Script will show you how you personally have a role in God's eternal mystery drama.

The Warrior Within Luanne Botta, 2019-01-08 You have a voice in this culture...a culture that is literally spinning out of control. The Warrior Within will strengthen, encourage and challenge you to be the young man God has called you to be. Not a perfect man, but a man who trusts and believes his God. The Warrior Within addresses many topics: how the media is selling seduction to capture your mind and heart through pornography; wisdom in friendships; the girls in your life; the battle of sexting; becoming that warrior within. This book speaks candidly about sexual integrity. (I know you just rolled your eyes!) But the culture has thrown so many lies at you for years regarding this topic, and it is necessary to be up front and honest about it. To be a warrior within and a warrior for your generation, it is imperative that you understand the fight. You are the most influential player for your generation.

*Understanding Adolescent Immigrants* Mary Amanda Stewart, 2017-02-13 As the immigrant population grows in countries such as the United States, so does the number of newcomer immigrant students in middle and high schools. Many scholars have noted that the education immigrant adolescents receive has a great bearing on the future of the nation. *Understanding Adolescent Immigrants: Moving toward an Extraordinary Discourse for Extraordinary Youth* highlights the voices of these young people by sharing the stories of seven newcomer youths aged 13 to 20 years in U.S. high schools. By learning their histories, present situations, and dreams for the future, we can understand both these students' unique

contribution to their new country and their schools' roles in helping them achieve success.

Behold, the Son of God William H. Wetmore, 2017-06-19 Christians in every age have acknowledged the importance of Paul's Epistle to the Romans. Martin Luther called it really the chief part of the New Testament, and truly the purest gospel. In addition, Samuel Taylor Coleridge regarded Romans as the most profound book in existence: others have described it as the cathedral of the Christian faith. The epistle is a Christian manifesto of freedom through Jesus Christ. It is the fullest, plainest, and grandest statement of the gospel in the New Testament. Throughout the centuries, this epistle has been recognized as perhaps the most complete theological statement regarding the Gospel of God. Paul is the great theologian who presented the gospel in theological terms which remain unmatched and which elevate the gospel message to a greater level of understanding. This epistle has five main themes: the first is the redefinition of the basis of salvation which is not based on the Law, but by grace alone and faith alone in Christ Jesus; the second is the redefinition of the people of God not according to physical birth but by spiritual birth and by faith; the third is the righteousness that is based on faith in God; the fourth is the doctrine of election; the fifth is the explanation of Christian behavior as based on Christian belief.

**Becoming Myself; Becoming His** Kay Watson, 2009-10 - 'Now with God's help, I shall become myself.' Spiritual growth is a pursuit. It does not happen naturally or without effort. Just like the athlete who trains for a competition, we too must train our hearts and minds to be like Jesus. Our spiritual muscles, like our physical ones, become weak and ineffective when they are not stretched and exercised regularly. Often, Christians may find they are caught up in the 'generality' of living a religious lifestyle, but to truly become the Lord's, we must give him time to work with us. Our days may be so filled with activity and service that we seldom take the time to ask ourselves who it is that God created us to be. If you long for the discipline, order, and focus that Christ speaks of in the Word, then you are longing to discover who God created you to be. See yourself through God's eyes in *Becoming Myself, Becoming His*. Author Kay Watson lives in Pensacola, Florida, with Scott, her husband of twenty-eight years, and two sons. She has taught in church for over twenty-five years, written curriculum for women and children, and has served as the Women's Ministry Coordinator for the Gateway Church of Christ.

**Look at It This Way** Jan Silvius, 2010-05-12 Each person has his or her own particular way of looking at life: a kind of grid that helps readers process whatever comes their way. Though this grid can be a helpful tool, far too often it is a weight around the neck. So what can be done about it? How can readers change their perspectives-replacing the grid that drags them down with one that equips them to face life's challenges and live victoriously? In *Look at It This Way*, author and speaker Jan Silvius explores, in-depth, vital truths that can help Christians reframe the way they think: breaking them out of their self-pity, anger, depression, anxiety and hopelessness, and equipping them to deal with the events, circumstances and people in their lives in a healthy and positive way. Jan highlights such key truths as "Whatever happens, it's one event in a lifetime of events," "For every choice there is a consequence," "God isn't angry with you," "The last chapter has not been written," and eight others. Deeply rooted in Scripture, these valuable insights will give readers hope and real help for managing their thinking, showing how they can, at last, move forward with the courageous and grace-filled life God intended them to live.

**Peace** Becky Thompson, 2020-09-08 The bestselling author of *Love Unending* and *Midnight Mom* Devotional reassures anxious women that even if you can't shake off fear, your faith is not broken. For years, Christian women have been told, If

you just prayed more, had more faith, and trusted Jesus, you'd have more peace. But what does it mean when a Christian momma continues to worry? How does she reconcile her feelings of fear with her faith in God? And how does she raise her children in a home full of peace when she feels anything but peaceful? Becky Thompson, a best-selling author with a degree in biblical studies, knows firsthand what it is like to suffer from the crippling effects of anxiety--a condition she has struggled to overcome for most of her life. For her and many others, the fear she faces is not a faith issue. It's a physical one that affects over 40 million adults in the US. As Becky examines the relationship between the promise of peace in Scripture and the reality of life, motherhood, and anxiety, she brings both a practical and spiritual approach to the discussion of anxiety and how it impacts your mind, body, and spirit. Peace meets moms in the forest of fear where they have felt isolated and alone and walks them toward hope, reminding them that there are millions of other women who walk the same dark, uncertain trails they do and there isn't something wrong with their faith because they can't shake the fear. Peace is a lifeline for the Christian mom desperate for solid advice based on sound doctrine and presented in a way that makes her feel understood and far less alone on her journey toward healing.
