Midnight Chronicles Betty Roberts, 2018-03-06 In late January of 2009, author Betty Roberts needed to confront what

she had suspected for weeks and even months. Her husband, Paul, was in the early stages of Alzheimer's. A member of the Apollo team who helped put the man on the moon, he was now forgetting how to live like a man on earth. In *Midnight Chronicles*, she shares her husband's journey as he deals with Alzheimer's day after day. Told in journal format through the eyes of his nurse/caregiver/wife, it relates the effect on his life and on the lives of his family from the early, undiagnosed stage one to the disability of stage seven. Betty covers, in detail, the seven stages of Alzheimer's and what they did to handle and combat each stage as it occurred. Offering firsthand insight into this disease, *Midnight Chronicles* shares the details of Betty's life with Paul, including the challenges, the choices, the tears, the fears, the grief, but most of all the love.

One Life One Chance Luke Richmond, 2018-02-19 Born to nomadic parents and humble beginnings, Luke Richmond grew up running wild and free in the Australian outback. After finishing school, he joined the Australian Army and served his country overseas as a qualified infantry soldier – an experience that sparked in him an unrelenting desire for adventure. But when he leaves the army Luke finds himself broke and adrift in London, caught up in the soulless world of drug and alcohol addiction. When he wakes up in a police cell with no memory of how he got there, he knows he has hit rock bottom, and makes the snap decision to turn his life around. Within days he is in Thailand, training his mind and body at a Muay Thai boxing camp in the jungles of Phuket. In suffering Luke finds his salvation, and he decides to make the most out of life by seeking adventure in remote corners of the world. Since then Luke has climbed the highest mountains on six continents, set a new world record for ocean rowing across the Atlantic, battled -60 degree temperatures in the Antarctic, witnessed death at high altitude, was held captive in the humid jungles of West Papua and has thrown himself from cliffs in the adrenalin-fueled world of BASE jumping. More than an awe-inspiring story of endurance and adventure, *One Life One Chance* will ultimately remind you that we only have one shot, so don't waste a second of it.

Life Without Limits Nick Vujicic, 2012-06-05 ECPA BESTSELLER—Over one million copies sold! • What Would Your Life be Like if Anything Were Possible? Born without arms or legs, Nick Vujicic overcame his disabilities to live an independent, rich, fulfilling, and “ridiculously good” life while serving as a role model for anyone seeking true happiness. Now an internationally successful motivational speaker, Nick eagerly spreads his message: the most important goal is to find your life's purpose and to never give up, despite whatever difficulties or seemingly impossible odds stand in your way. Nick tells the story of his physical disabilities and the emotional battle he endured while learning to deal with them as a child,

teen, and young adult. “For the longest, loneliest time, I wondered if there was anyone on earth like me, and whether there was any purpose to my life other than pain and humiliation.” Nick shares how his faith in God has been his major source of strength, and he explains that once he found a sense of purpose—inspiring others to better their lives and the world around them—he found the confidence to build a rewarding and productive life without limits. Let Nick inspire you to start living your own life without limits. Nick offers practical advice for realizing a life of fulfillment and happiness by building trust in others, developing supportive relationships, and gaining strength for the journey. He encourages the reader by showing how he learned to accept what he could not control and focus instead on what he could. Includes a Life Without Limits Personal Action Plan to help anyone determine their unique path to a successful life.
