Tiffany Parker

Two Minutes Jorge Moreno,2021-12-08 The world is not over for David when Sonia dumps him for a fitness instructor ten years younger than him; now's the time to enjoy all of those things he'd always wanted to do at least until she realizes her mistakes and decides to go back to her quiet boring life. The only issue is that for David the expression If anything can go wrong it will is a reality more than a thought; to the point where he can't believe it when something good happens. And if you don't believe it, ask Laura.

Mom's Fallen and I Can't Get Up: Learning to Care for Yourself, While Caring for Your Elderly Parents D. Collins,2017-05-18 This book takes a humorous and realistic view of caring for your parents as they age and its effects on the entire family. Being in the Sandwich Generation can be trying at times. You are raising your kids at home and then taking care of your parents as they age. They both need your time and attention, often simultaneously. This is both a beautiful and challenging time of life for the elderly and the caregiver. Sometimes you cry, and sometimes to laugh. The author has many

years experience caring for elderly parents as well as juggling home and work life. From running to the hospital to running to soccer games, the experiences are first hand accounts of how fun and sad life can be when caring for ones parents. The author is part of the 'Sandwich Generation'. Sandwiched between their kids and their parents and caring for both.

Covering every aspect of pregnancy and newborns, You Forgot to Mention gives advice on topics family and friends may “forget to mention” to expecting parents. From projectile vomiting to uterine massages to nipple creams, readers can count on this book to live up to its title. Advice on baby clothing, stimulating labor, and C-sections will have readers taking notes, and laughing as they do, as they prepare for their new baby to come home.

A Son For A Billionair Ebunoluwa Ademide,2022-04-27 Ivy Rivera, eighteen years old was known to be the girl from the wrong side of the river. Everyone in Winslow, Arizona, a small town where she grew up looked down on her and she was labeled a jinx. Ivy Rivera's life changed after spending a whole night with a stranger who showed her love and attention she had never received even from her parents. Soon Ivy found out that she was pregnant, and to avoid being mocked by people, she left the small town to start a new life in Los Angeles. Ivy Rivera locked up her past life to focus on her career as a photographer. Her top priority was to give her child the life he deserved and the love she never received as a child from her parents. One day, Ivy found the stranger she had a night with ten years ago. Feelings would stir up but would Ivy be willing to let the stranger near her son? Would she set things aside and let love overpower the doubt and fear she has been keeping for years? An eye-opening love story and family drama.

The Identity Revolt Robert Hupsel,2022-04-06 The future will always be yours, and no matter what, you will be the only one in charge of it. However, in our childhood, our destination is something unpredictable, because someone might set or draw an uncertain line that would make big impact to our future. How would you feel when you see that you are the only one different? The real story takes place in 1958 in São Miguel Paulista, Brazil. The display in me cover book reveals that the Identity Revolt is dragged by a huge balloon, carrying so many secrets, involving several people who only see their side, who do not worry if they will hurt someone or not especially of their own blood. As it was mentioned above, Richard’s future had so many plots without any remorse. He starts to face the effect of those plots, even when he was only five years old, growing on a totally and completely different neighborhood that had nothing to do with his native way. His story was hiding for more than two decades. After many things tried to direct him which way to go, he realized that he needed to put an end to that mystery. He decides go and uncover about everything that was creating a huge revolt about of his own identity, which was

the starting point, which was on the other side of the world, a different country with a different language and culture. That decision took him to find out the whole truth about his identity, and it almost cost him his life, when he ended up in a deep coma, after he discovered all terrible things, especially where he came from. He did whatever it took to gain back all his power, and everyone involved in that mystery, one way or another, has paid for what they did, the hard way, but they did. The strange thing was that after many years, they realized what they had lost, so they tried to get closer to Richard, but he didn't want to get involved with them; after all he wanted to forget all those people and live in peace with only one identity

Mom's Love Caridad,2020-11-05 Caridad became an adult at a very early age, being responsible for helping her parents put food on the table while going to school and working a full time job. She got married and divorced a couple of time, and then turned her life into hard partying, too much drinking, and drug abuse. Realizing she had to change, she fought hard to reach sobriety and provide a stable life for her three children. Caridad succeeded, but her son Lorenzo seemed doomed to repeat his mother's mistakes. Addiction and run-ins with the law dogged his footsteps until the fateful day he shot and killed a man. Lorenzo acted in self-defense, but it made no difference. Convicted of second-degree murder, he faced life in prison without parole. Caridad was devastated, but Lorenzo would find God behind bars and successfully fight his inner demons. Even son, Caridad's only son had no chance of seeing the outside world again - at least, that's what Caridad thought. But a miracle was about to happen... a one-in-a-million event offering Lorenzo a second chance.

Where Are the Heroes? Penny Ruth,2018-02-12 Our most important relationship should be our relationship with God. There is no excuse for the distance between the Holy Spirit and us if you know that Jesus is Lord. With a mix of powerful, personal testimony and prophetic poems, Where Are the Heroes gives prophetic warning to the church, shares personal testimonies of God's power and love, and encourages a deeper relationship with Jesus in order to become the hero God calls each person to be.

Psycho in the Shower Philip J. Skerry,2009-04-01 With this book, Philip Skerry makes an ambitious and largely successful effort to restore perspective to the debate that has swirled around *Psycho* since Hitchcock first ripped back the shower curtain of our expectations in 1960 and plunged his knife into the collective cinematic consciousness. - John Baxter, *Film International* *Psycho in the Shower* is a multi-dimensional study of *Psycho*'s astonishing shower scene. Philip J. Skerry shows how it may be the most significant and influential film scene of all and substantiates this claim by providing chapters on the evolution of the scene in Hitchcock's career, with particular focus on his methods for creating suspense and terror in the audience. In tracing the evolution of the shower scene, the author discusses and analyzes many films (both Hitchcockian and otherwise) that lead up to *Psycho*. The book places the shower scene in the cultural and social contexts of American popular culture of the 1950s and 1960s, arguing that it helped to create a revolution in both sensibility and cinematic style. Several unique dimensions help to set this study apart from other books on *Psycho* and Hitchcock: extensive and detailed

interviews with people who worked on the film, including star Janet Leigh and screenwriter Joseph Stefano (the last significant interviews before their deaths); a close study of Hitchcock's employment of mise en scene and montage in the scenes leading up to the famous shower murder; a shot by shot analysis of the scene itself and a discussion of the numerous controversies surrounding it; and a provocative and insightful account of the writing of the book itself, which provides a unique look at the author's creative process. The book culminates with examples of how the shower scene has become embedded in the matrix of contemporary culture and the remarkable ways in which the scene affected people on first viewing.

Going Back Amanda Paradis, 2024-05-16 It is never easy going backward in life, back to where you started and swore you would never be again, Jessie thought as she made her way onto the interstate. She remembered reading a book once that said that very statement. But here she was, heading back to the place where she started out. A place she left in her rearview mirror a long time ago. Ten years had passed since the day she moved away from home. That day, Jessie vowed never to return to the sleepy town of her youth. The town she thought of as a black hole. The kind that sucked you in and held you there forever. Only few were lucky enough to make it out, and even fewer to stay gone from there for good. Jess would never guess what twists and turns waited for her. Let alone Bradford, an old high school acquaintance, who would change her life forever. Some ghosts we bury don't stay buried forever.

His for the Summer (OWYM/Son's Best Friend) Aubrey London, 2023-01-08 Maren finds herself irresistibly drawn to Dalton, the gorgeous and charismatic friend of her son. Their paths had never crossed until now, but their connection sparks uncharted territory. Even a single conversation ignites a fire within her, leaving her physically yearning and emotionally conflicted as she struggles to resist Dalton's charming advances. And then Dalton presents Maren with an enticing proposition—a passionate summer fling with no strings attached. Tempted by his promises, Maren must navigate the blurred lines of lust, love, and her own inhibitions. Can she surrender to her deepest, darkest desires and allow herself to be swept away in this scintillating affair, or will the fear of consequences and society's judgment keep her from embracing what could be the most exhilarating summer of her life?

Hidden Reality Susan Knier, 2025-01-14 What do a winsome young history teacher, a laconic hitchhiker, a shy widow in a bowling league and a night janitor in a law firm have in common? These stories explore the lingering truth that our perceptions sometimes obscure an underlying and starkly different reality. The short fiction also presents daring visions of our future, including the end of racism, the abolition of retirement and the rise of the androids. Additionally, this volume features a selection of the author's poetry and a dream gallery that spans genres ranging from suspense to social commentary to humor and chilling dystopian scenarios.

Tales From Peterson Prep Casper Hutchinson ,2024-11-18 Chris Sanderson never asked to be born the son of a wealthy businesswoman who rarely spends time with him. Nor did he want to be sent to a fancy private boarding school halfway across the country, where he doesn't know anyone. Chris wants to share a dorm with a total stranger even less. Only, that's before he learns the dorm he'll be staying in is actually a small cabin on campus with a roommate named Nathaniel—who turns out to be a hottie who wears black leather and sunglasses regularly and rides around on a motorcycle. Nathaniel tells Chris he is popular with the ladies back home but that he isn't interested in any of them. Chris soon finds out why. Elliot Peterson is the well-brought-up son of an oil tycoon and is eager to prove himself at the academy his father and grandfather studied at. He wants nothing interfering with his studies—or his ambition to become president of the student senate. Only, a distraction soon arrives in the form of an irresistibly cute fellow freshman named Jacob, who has no sense of direction and seems like he won't survive without a little help getting to classes and maybe a study buddy? Dennis Rochester has come to Peterson Prep from a small town in Alabama. His upbringing is modest compared to his classmates, and—to make matters worse—he's still coming to terms with the fact he's gay, something that will undoubtedly be made worse by sharing a dorm with a bunch of guys his age. Luckily, the charming Michael O'Neil—one of his new dormmates, who is great at keeping secrets—will be there to guide him along the way. Then there's Abigail Sanderson, who has come to Peterson Prep disguised as a boy to make sure her cousin Chris is doing okay away from home. She ends up being dormmates with an incredibly hot hunk named Tanner, who happens to be on the academy basketball team.

Skill Building for ESL and Special Education Kristine Setting Clark,2016-09-13 Simply English is an ESL curriculum adaptable for elementary through adult learners. Its goal is to help the limited and/or non-English speaker achieve fluency in English words that are essential for everyday life. Simply English can also be incorporated into Special Education programs for students who need help with spelling, definitions of words, and correct application of grammatical structures. The forty-four units are organized, presented and applied to everyday, real-life situations. They include whole class and small group activities. Each unit contains the following material: Competency Goals, Vocabulary: Listen, Read, Say, and Structures and Skill Building. The Student Workbook to be used along with the Student Textbook will give you practice with spelling, word definitions and correct application of grammatical structures.

Remarriage: His Billionaire Ex-wife Part XIII H.D.Cynthia, Will you re-marry me? He asked lying on the hospital bed

after surviving an attempted murder. Yes. A thousand times! She nodded with tears in her eyes. Jessica had dreamed of this moment for more than 10 years! She had had a crush on Lucas at 14 when he saved her from a group of gangsters. Eight years later, she married him despite all opposition from her parents and friends. But Lucas chose to save and defend another woman rather than her in face of danger. Sick of this toxic marriage, Jessica decided to leave and embark on the journey of vengeance. Three months later, she came back, as a billionaire CEO instead of that country girl in his eyes...
