El poblamiento rural de Dianum, Lucentum, Ilici y la ciudad romana de La Vila Joiosa (siglos II a.C.-VII d.C.)

Carolina Frías Castillejo,2010 Esta obra tiene como objetivo realizar una aproximación a las formas de explotación de los recursos naturales en los territorios de las ciudades romanas situadas en la provincia de Alicante: Dianum, Lucentum, Ilici y La Vila Joiosa mediante el análisis del poblamiento rural y de las características que definen su espacio productivo. Para ello se ha elaborado un exhaustivo corpus donde los asentamientos rurales aparecen localizados en su contexto geográfico e histórico, con las referencias bibliográficas actualizadas y últimas interpretaciones. Asimismo, se lleva a cabo un análisis de las actividades productivas y los modos de poblamiento desarrollados en estas ciudades desde el siglo II a.C. hasta el VII d.C. Este estudio supondrá una útil herramienta de trabajo para posteriores investigaciones sobre la arqueología rural romana del sur de la Tarraconense, además de permitir el avance en la investigación a partir de las hipótesis de trabajo propuestas.

Carolina Frías Castillejo (Madrid, 1977) es licenciada con grado en Historia por la Universidad de Alicante. En la actualidad forma parte del equipo de investigación de la Villa de Rufio (Giano dell'Umbria, Italia) y del proyecto de excavación y puesta en valor de la Villa Romana de l'Albir (l'Alfàs del Pi, Alicante).

Humanidades digitales y pedagogías culturales Ricard Huerta,Amparo Alonso Sanz,2021-01-07 Este libro recoge una serie de reflexiones y análisis sobre los retos y oportunidades que nos ofrecen las pedagogías culturales y las humanidades digitales en la era actual. Cuando hablamos de pedagogía cultural nos referimos al estudio de la dimensión educativa de la cultura para el desarrollo personal y social. Esta concepción se ha visto impulsada y a su vez transformada por lo digital, lo que hace replantearnos sus perspectivas. Desde las humanidades digitales, agrupamos disciplinas vinculadas a las dinámicas culturales y sociales en red para invitar a reflexionar sobre el modo en que nuestras comunidades se ven afectadas.

Memorias de los museos arqueológicos provinciales,1945

El mundo funerario romano en el País Valenciano Ricardo González Villaescusa,2001 La obra tiene como base el inventario prolífico de cuantas evidencias sobre el mundo funerario se han encontrado en el País Valenciano. La objetividad de las diferentes noticias no es fruto de la simple confrontación de una documentación dispar, en ocasiones antigua, otras más reciente, realizada con informes de excavaciones, con objetos conservados en los museos o conocidos solamente por publicaciones; sino que estas unidades heterogéneas son cuidadosamente reexaminadas a la luz de una reflexión personal, sin perjuicio, cuando ello es posible, de investigaciones complementarias que acaban conformando mucho más que un simple catálogo. A partir del análisis cronológico y tipológico el autor extrae una serie de conclusiones que pone en relación con cuanto sabemos sobre estas prácticas en otras zonas del Imperio romano. Como fundamento teórico del estudio, el autor presenta una exhaustiva discusión de las principales tesis defendidas desde la antropología, la historia y la filosofía, sobre la actitud ante la muerte y ante los ritos funerarios. En este apartado incluye, al mismo tiempo, el análisis de las fuentes literarias antiguas sobre el particular, poniéndolo en relación con la evidencia arqueológica que presenta. Elaborando un marco teórico de aproximación a la arqueología funeraria romana para extraer conclusiones sobre la sociedad que generó los restos arqueológicos.

El nomen Pompeius en Hispania Luis Amela Valverde,2021-04-16 Pompeius es uno de los gentilicios romanos más frecuentes y abundantes de Hispania, que recuerda a Cn. Pompeyo Magno (cos. I 70 a.C.), uno de los líderes políticos y militares más importantes de la República tardía, El presente libro trata de las causas de la presencia de este nomen en nuestra Península así como su posible relación con la clientela pompeyana.
