Uncle Tom's Cabin Harriet Beecher Stowe, 2022-05-02 The book opens with a Kentucky farmer named Arthur Shelby facing the loss of his farm because of debts. Even though he and his wife Emily Shelby believe that they have a benevolent relationship with their slaves, Shelby decides to raise the needed funds by selling two of them—Uncle Tom, a middle-aged man with a wife and children, and Harry, the son of Emily Shelby's maid Eliza—to Mr. Haley, a coarse slave trader. Emily Shelby is averse to this idea because she had promised her maid that her child would never be sold; Emily's son, George Shelby, hates to see Tom go because he sees the man as his friend and mentor. When Eliza overhears Mr. and Mrs. Shelby discussing plans to sell Tom and Harry, Eliza determines to run away with her son. The novel states that Eliza made this decision because she fears losing her only surviving child (she had already miscarried two children). Eliza departs that night, leaving a note of apology to her mistress. As Tom is sold, Mr. Haley takes him to a riverboat on the Mississippi River and from there Tom is to be transported to a slave market. While on board, Tom meets Eva, an angelic little white girl. They quickly become friends. Eva falls into the river and Tom dives into the river to save her life. Being grateful to Tom, Eva's father Augustine St. Clare buys him from Haley and takes him with the family to their home in New Orleans. Tom and Eva begin to relate to one another because of the deep Christian faith they both share.

Uncle Tom's Cabin Harriet Beecher Stowe, 2009-04-15 Easily the most controversial antislavery novel written in antebellum America, and one of the best-selling books of the nineteenth century, *Uncle Tom's Cabin* is often credited with intensifying the sectional conflict that led to the Civil War. In his introduction, David Bromwich places Harriet Beecher Stowe's novel in its Victorian contexts and reminds us why it is an enduring work of literary and moral imagination.

Harriet Beecher Stowe: Three Novels (LOA #4) Harriet Beecher Stowe, 1982-05-06 In this Library of America volume are the best and most enduring works of Harriet Beecher Stowe, "the little woman," as Abraham Lincoln said when he met her in 1861, "who wrote the book that made this great war." He was referring, with rueful exaggeration, to *Uncle Tom's Cabin* (1852), which during its first year had sold over 300,000 copies. Contemporary readers can still appreciate the powerful effects of its melodramatic characterizations and its unapologetic sentimentality. They can also recognize in its treatment of racial violence some of the brooding imagination and realism that anticipates Faulkner's rendering of the same theme. Stowe was charged with exaggerating the evils of slavery, but her stay in Cincinnati, Ohio, where her father (the formidable Lyman Beecher, head of the Lane Theological Seminary) gave her a close look at the miseries of the slave communities across the Ohio River. People in her circle of friends were continually harboring slaves who escaped across the river from Kentucky on the way, they hoped, to Canada. Two other novels, along with *Uncle Tom's Cabin*, show the range and variety of her literary accomplishment. *The Minister's Wooing* (1859) is set in Newport, Rhode Island, after the Revolution. It is a romance based in part on the life of Stowe's sister, and it traces to a happy ending the conflicts in a young woman between adherence to Calvinistic rigor and her expression of preference in the choice of a marital partner. The third novel, *Oldtown Folks* (1869), confirms Stowe's genius for the realistic rendering of ordinary experience, her talent for social portraiture with a keen satiric edge, and her subtlety in exploring a wide group of themes, from child-rearing practices and religious controversy to romantic seduction and betrayal. But finally, it is the old town and a way of life that no longer exists that is the true subject of this elegiac novel. Uncle Tom's Cabin Harriet Beecher Stowe, 2017-09-25 *Uncle Tom's Cabin*; or, *Life Among the Lowly*, is an anti-slavery novel by American author Harriet Beecher Stowe. Published in 1852, the novel helped lay the groundwork for the Civil War, according to Will Kaufman. Stowe, a Connecticut-born teacher at the Hartford Female Seminary and an active abolitionist, featured the character of Uncle Tom, a long-suffering black slave around whom the stories of other characters revolve. The sentimental novel depicts the reality of slavery while also asserting that Christian love can overcome something as

destructive as enslavement of fellow human beings. Uncle Tom's Cabin was the best-selling novel of the 19th century and the second best-selling book of that century, following the Bible. It is credited with helping fuel the abolitionist cause in the 1850s. In the first year after it was published, 300,000 copies of the book were sold in the United States; one million copies in Great Britain. In 1855, three years after it was published, it was called the most popular novel of our day. The impact attributed to the book is great, reinforced by a story that when Abraham Lincoln met Stowe at the start of the Civil War, Lincoln declared, So this is the little lady who started this great war. The quote is apocryphal; it did not appear in print until 1896, and it has been argued that The long-term durability of Lincoln's greeting as an anecdote in literary studies and Stowe scholarship can perhaps be explained in part by the desire among many contemporary intellectuals ... to affirm the role of literature as an agent of social change. The book and the plays it inspired helped popularize a number of stereotypes about black people. These include the affectionate, dark-skinned mammy; the pickaninny stereotype of black children; and the Uncle Tom, or dutiful, long-suffering servant faithful to his white master or mistress. In recent years, the negative associations with Uncle Tom's Cabin have, to an extent, overshadowed the historical impact of the book as a vital antislavery tool. The book opens with a Kentucky farmer named Arthur Shelby facing the loss of his farm because of debts. Even though he and his wife Emily Shelby believe that they have a benevolent relationship with their slaves, Shelby decides to raise the needed funds by selling two of them—Uncle Tom, a middle-aged man with a wife and children, and Harry, the son of Emily Shelby's maid Eliza—to a slave trader. Dred, a Tale of the Great Dismal Swamp (1856), by Harriet Beecher Stowe Harriet Beecher Stowe, 2016-05-20 Dred: A Tale of the Great Dismal Swamp is the second popular novel from American author Harriet Beecher Stowe. It was first published in two volumes by Phillips, Sampson and Company in 1856. Although it enjoyed better initial sales than her previous, and more famous, novel Uncle Tom's Cabin, it was ultimately less popular. Dred was of a more documentary nature than Uncle Tom's Cabin and thus lacked a character like Uncle Tom to evoke strong emotion from readers. Dred is the story of Nina Gordon, an impetuous young heiress to a large southern plantation, whose land is rapidly becoming worthless. It is run competently by one of Nina's slaves, Harry, who endures a murderous rivalry with Nina's brother Tom Gordon, a drunken, cruel slaveowner. Nina is a flighty young girl, and maintains several suitors, before finally settling down with a man named Clayton. Clayton is socially and religiously liberal, and very idealistic, and has a down-to-earth perpetual-virgin sister, Anne. In addition to Harry (who, as well as being the administrator of Nina's estate, is secretly also her and Tom's half-brother), the slave characters include the devoutly Christian Milly (actually the property of Nina's Aunt Nesbit), and Tomtit, a joker-type character. There is also a family of poor whites, who have but a single, devoted slave, Old Tiff. Dred, the titular character, is one of the Great Dismal Swamp maroons, escaped slaves living in the Great Dismal Swamp, preaching angry and violent retribution for the evils of slavery and rescuing escapees from the dog of the slavecatchers. The response to Stowe's first work greatly impacted her second anti-slavery novel. Uncle Tom's Cabin drew criticism from abolitionists and African-American authors for the passive martyrdom of Uncle Tom and endorsement of colonization as the solution to slavery. Dred, by contrast, introduces a black revolutionary character who is presented as an heir to the American revolution rather than a problem to be expatriated. Dred can thus be placed within an African-American literary tradition as well as a political revision of the sentimental novel (see David Walker's Appeal (1829) and Frederick Douglass's The Heroic Slave (1852)). One often-overlooked subplot involves Judge Clayton, who issues a proslavery opinion that absolves the man who attacked Cora's slave Milly of liability. This judge was constrained by the law from providing relief; this fit with Stowe's belief that law and judges-and religious leaders, too-could not be expected to help end slavery. It was humane sentiments rather than the rule of law that would be the lever for antislavery action. The novel is also interesting in the historical context of

runaway slave communities surviving for a long time in swamp areas. Swamps were places where runaway slaves could hide, and therefore became a taboo subject, particularly in the south. The best hiding places were found on high ground in swampy areas. The novel also contains detailed descriptions of the wetlands in the Dismal Swamp and is therefore also interesting in the context of the way in which African Americans relate to the natural environment.
