Love at the Garden Tomb R.F. Whong,2022-08-03 Lily Young is content to leave love to others more qualified. Betrayed and kicked out of her family home in Taiwan at sixteen, she can't afford to get hurt again. Josh Ying has his own share of life's adversities. Growing up in Hong Kong with a sick older brother, he is the invisible child until he makes a bold demand that leads to a dire consequence. Constant interactions at Ohio State University bring two desolate souls together. Yet personal hardship and circumstances beyond their control, plus unresolved guilt and resentment, scatter them in different directions. Years later, they run into each other again at the Garden Tomb in Israel. Under the spell of the Jerusalem Syndrome (a set of mental phenomena that involves religious, psychosis-like experiences), will they jeopardize their hearts again?

The Weekend that Changed the World Peter Walker,2000-01-01 This Book answers key questions that surround Jesus' death and argues that the events of that fateful weekend in Jerusalem changed the world forever. Layer upon layer of detail draws the reader into the frightening hours leading up to Jesus' death. The volume traces the movements of all involved in his tragic execution and follows the story to the empty tomb, examining the improbability that anyone could be raised from

death. Walker discusses at length the location of Jesus' burial, drawing on the evidence of the Gospels, archaeology, and church history, and focuses on the two likely sites: the Garden Tomb and the church of the Holy Sepulchre. Walker also explores the impact of Jesus' resurrection on Christians then and now, noting how the message of the Garden Tomb has been a source of inspiration to millions of people from all over the World: He Is Not Here, For He Is Risen.

The End Of Earth Philip N. Moore, 2024-11-01 In this eye-opening exploration, discover how Moses' ancient prophecies on Israel, the coming of Jesus, and the End Times have striking connections to modern-day events. Delve into how these timeless predictions align with the unexpected rise of Donald Trump, Nostradamus' cryptic visions, and the eerie legacy of the Kennedy curse. With meticulous research, this book unravels a complex web of prophetic clues, leading to the conclusion that the mystery surrounding the assassination of JFK and its aftermath has finally been solved. Prepare to be astonished as you uncover the undeniable threads that tie together history's greatest mysteries with prophetic foresight. Is it coincidence, or is there a higher plan at work?

The Trials, Crucifixion, and Burial of Jesus of Nazareth Woodrow Michael Kroll, 2024-09-19 No event in the history of humankind has elicited more comment or sparked more controversy than the trials, crucifixion, and burial of Jesus of Nazareth. *The Trials, Crucifixion, and Burial of Jesus of Nazareth* investigates each of these events in much detail from the historical, archaeological, theological, geographical, and biblical viewpoints. The book distinguishes between the late-night, hurriedly called meeting of a quorum of Sanhedrin members and the official meeting in the Chamber of Hewn Stone the next morning. It examines the ten charges made against Jesus and why they changed so often throughout his trial. It also investigates the twenty-five obvious irregularities from Jewish law that were evident in Jesus' trial. Explored is the legitimacy of applying Mishnaic law to a first-century trial. Every suggested location for the trial and crucifixion of the Master is explored along with the question "Did Jesus really die, and does it matter?" Finally, a complete inventory of Jesus' physical, emotional, and spiritual suffering between Gethsemane and Golgotha is provided along with appropriate comments. This book is something of a one-stop shop for all things related to the trials, crucifixion, and burial of Jesus.
