The Disney Apprentice (HB) Chuck Shields, 2019-10-11 The Disney Apprentice (HB) By: Chuck Shields Carl Bongirno, retired President of Walt Disney Imagineering: "It was a real pleasure working with Chuck for the last 10 years of my career with Disney." When he was transferred from Disneyland to Walt Disney Imagineering as Vice President of Human Resources he hit the ground running. He headed up the team that hired 2500 employees and had to indoctrinate, integrate and assimilate all of them in a very short period of time. At the conclusion of major projects (EPCOT & Tokyo Disneyland) he and his team then successfully provided outplacement for all the employees who were laid off. The Disney Apprentice is a book that once started is difficult to put down. I've just read it again and enjoyed it as much as I did the first time. If you are in business or deal with people on any level this book is mandatory for you to read. It is not only educational it is very entertaining.
