**Before Night Falls** Reinaldo Arenas,2010-12-09 Reinaldo Arenas was born to a poverty-stricken family in rural Cuba. By the time of his death in New York four decades later, he had become one of Cuba's most important poets, an outspoken critic of Castro's regime and one of the leading gay voices of the twentieth century. In *Before Night Falls*, Arenas tells of his odyssey from young rebel fighting for the Revolution, through his suppression as a writer, his disillusionment with Castro, his imprisonment and torture, to his eventual exile from Cuba to New York, where in 1987 he was diagnosed with AIDS. He committed suicide in 1990, ending a life of constant struggle against repression. In a farewell note, Arenas wrote: Due to my delicate state of health and to the terrible depression that causes me not to be able to continue writing and struggling for the freedom of Cuba, I am ending my life ... I do not want to convey to you a message of defeat, but of continued struggle and hope. Cuba will be free. I already am. (signed) Reinaldo Arenas

Before Night Falls Reinaldo Arenas,2020-02-25 The acclaimed memoir of homosexual Cuban author Reinaldo Arenas chronicling his tumultuous yet luminary life, from his impoverished upbringing in Cuba to his imprisonment at the hands of a Communist regime. A Penguin Vitae Edition The astonishing memoir by visionary Cuban writer Reinaldo Arenas is a book above all about being free, said The New York Review of Books--sexually, politically, artistically. Arenas recounts a stunning odyssey from his poverty-stricken childhood in rural Cuba and his adolescence as a rebel fighting for Castro, through his suppression as a writer, imprisonment as a homosexual, his flight from Cuba via the Mariel boat lift, and his subsequent life and the events leading to his death in New York. In what The Miami Herald calls his deathbed ode to eroticism, Arenas breaks through the code of secrecy and silence that protects the privileged in a state where homosexuality is a political crime. Recorded in simple, straightforward prose, this is the true story of the Kafkaesque life and world re-created in the author's acclaimed novels. Penguin Classics launches a new hardcover series with five American classics that are relevant and timeless in their power, and part of a dynamic and diverse landscape of classic fiction and nonfiction from almost seventy-five years of classics publishing. Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives, and welcomes new readers to discover these literary gifts of personal inspiration, intellectual engagement, and creative originality.

**Technofuturos** Nancy Raquel Mirabal,Agustin Laó-Montes,2007-04-19 Technofuturos offers a critical and innovative exploration of the forms of representation found in Latina/o studies. The editors, Nancy Raquel Mirabal and Agustin La-Montes, challenge conventional notions of Latina/o identities, histories, and cultures by historicizing and differentiating the multiple discourses of Latinidad. The essays examine the temporality and spatiality of socio-historical processes, the multiple and varied constellations of power, and the complicated geographies of desire. By analyzing the discursive, performative, and aesthetic dimensions of knowledge, this book contests and reconstructs Latina/o studies. Technofuturos is a captivating and sophisticated read that will appeal to scholars of Latina/o studies and those interested in postcolonial critique.

The night of the new moon, an army of demons rises in force, seeking the deaths of two men with the potential to become the Deliverer—the man prophesied to reunite the scattered remnants of humanity. Arlen Bales, the Warded Man, denies he is the Deliverer, but the more he tries to live as one with the common folk, the more fervently they believe. Among the desert tribes, Ahmann Jardir has proclaimed himself the Deliverer, forging his followers into a mighty demon-killing army. But Jardir’s rise was engineered by his First Wife, Inevera, a cunning and powerful priestess whose motives and past are shrouded in mystery. Once Arlen and Jardir were as close as brothers. Now they are the bitterest of rivals. As humanity’s enemies rise, the two must first contend with the most deadly demons of all—those lurking in the human heart. *Tramps Like Us* Joe Westmoreland, 2025-06-03 A spare, unflinching, generous and lusty masterpiece of adventure writing. —Andrea Lawlor, author of *Paul Takes the Form of a Mortal Girl* A necessary reminder of the beauty of being young and queer and free. This book is a gift. —Imogen Binnie, author of *Nevada* An achievement, in the major category. —Hilton Als, author of *My Pinup* A treasured cult classic following a young gay man crisscrossing 1970s and ’80s America in search of salvation. Now reissued with an introduction from Eileen Myles and an afterword from the author. Abused by his father and stifled by closeted life as a teenager in Kansas City, Joe, the wide-eyed narrator of *Tramps Like Us*, graduates from high school in 1974 and hits the road hitchhiking. But it isn’t until he reunites with Ali, his hometown’s other queer outcast, that

Joe finds a partner in crime. When the two of them finally wash up in New Orleans, they discover a hedonistic paradise of sex, drugs, and music, a world that only expands when they move to San Francisco in 1979. Told with openhearted frankness, Joe Westmoreland's *Tramps Like Us* is an exuberantly soulful adventure of self-discovery and belonging, set across a consequential American decade. In New Orleans and San Francisco, and on the roads in between, Joe and Ali find communities of misfits to call their own. The days and nights blur, a blend of LSD and heroin, new wave and disco, orgies and friends, and the thrilling spontaneity of youth—all of which is threatened the moment Joe, Ali, and seemingly everyone around them are diagnosed with HIV. But miraculously, the stories survive. As Eileen Myles writes, "I love this book most of all because it is so mortal." Back in print after two decades and with an introduction by Myles and an afterword by the author, *Tramps Like Us* is an ode to a nearly lost generation, an autofictional chronicle of America between gay liberation and the AIDS crisis, and an evergreen testament to the force of friendship.

*Interdisciplinary/multidisciplinary Woolf* Ann Martin, Kathryn Holland, 2013 Edited collection from acclaimed contemporary Woolf scholars, linking link inter- and multidisciplinary scholarship to the intellectual and creative projects of Virginia Woolf and her modernist peers.

**Becoming Reinaldo Arenas** Jorge Olivares, 2013-04-11 *Becoming Reinaldo Arenas* explores the life and work of the Cuban writer Reinaldo Arenas (1943–1990), who emerged on the Latin American cultural scene in the 1960s and quickly achieved literary fame. Yet as a political dissident and an openly gay man, Arenas also experienced discrimination and persecution; he produced much of his work amid political controversy and precarious living conditions. In 1980, having survived ostracism and incarceration in Cuba, he arrived in the United States during the Mariel boatlift. Ten years later, after struggling with poverty and AIDS in New York, Arenas committed suicide. Through insightful close readings of a selection of Arenas's works, including unpublished manuscripts and correspondence, Olivares examines the writer's personal, political, and artistic trajectory, focusing on his portrayals of family, sexuality, exile, and nostalgia. He documents Arenas's critical engagement with cultural and political developments in revolutionary Cuba and investigates the ways in which Arenas challenged literary and national norms. Olivares's analysis shows how Arenas drew on his life experiences to offer revealing perspectives on the Cuban Revolution, the struggles of Cuban exiles, and the politics of sexuality.

Next Steps to a Free Cuba Marc S. Ellenbogen, Jochen Wittmann, 2017-04-05 The Global Panel Foundation and The Prague Society for International Cooperation are committed to bringing people together to discuss and broaden our knowledge. We will use our experience to apply new concepts and frameworks for sustainable development in Cuba. During a series of public policy sessions in Berlin, Germany, diverse groups of Cuban human rights activists and dissidents, politicians, businessmen and academics were brought together. They discussed concepts, frameworks, cases, tools, and the best practices to cope with the emerging challenges to Cuba. Building on the foregoing, this work collects contributions by

authors covering Cuban as well as Central European perspectives. The articles have been grouped into six parts according to the schedule of public policy sessions: Cubans meet Bundestag; Leadership in Cuba; Lessons learnt from 1989/90; The Cuba Strategy from a German perspective, and Cuba from a Czech and Latvian perspective. Initiatives for Change in Cuba close the publication. This work gives an outlook for further activities relating to democratize Cuba.

**Queer Opera** Andrew Sutherland, 2023-03-27 In *Queer Opera*, Andrew Sutherland argues that operas often reflect characteristics of the society and epistime in which they are written but that they also do much more than that; operas have agency. LGBTQ+ social, cultural, and political issues have become an increasingly defining feature of twenty-first century life, and as agency for change, composers have turned to opera to underscore the lived queer experience. Sutherland posits that operas written before the sexual revolution of the mid-twentieth century utilized a codified language both in the libretto and score, communicating with those observers open to a queer reading. He explores the growing trend of local, small-scale, independent opera companies seen around the world towards the end of the first decade of the twenty-first century and argues that this has emboldened queer artists to reclaim opera as a queer space. He further argues that for several centuries, opera houses have been safe havens for queer composers, librettists, performers, and designers, and yet it is only relatively recently that any serious attempt at queer representation in operatic works has begun to be realized. In this book, he examines narratives and music of selected operas to walk through queer history in Western societies and shines a light on how many of opera's well-known characters, based on historical figures who represent pivotal moments in the queer story, are responsible in a variety of ways for the continued struggle for queer acceptance.

*Book Lust* Nancy Pearl, 2009-09-29 What to read next is every book lover's greatest dilemma. Nancy Pearl comes to the rescue with this wide-ranging and fun guide to the best reading new and old. Pearl, who inspired legions of literateurs with *What If All (name the city) Read the Same Book*, has devised reading lists that cater to every mood, occasion, and personality. These annotated lists cover such topics as mother-daughter relationships, science for nonscientists, mysteries of all stripes, African-American fiction from a female point of view, must-reads for kids, books on bicycling, chick-lit, and many more. Pearl's enthusiasm and taste shine throughout.

**One-Way Tickets** Alicia Borinsky, 2012-08-31 In *One-Way Tickets*, Borinsky offers up a splendid tour across 20th-century literatures, providing a literary travelogue to writers and artists in exile. She describes their challenges in adjusting to new homelands, issues of identity and language, and the brilliant works produced under the discomforts and stresses of belonging nowhere. Speaking with the authority of first-hand experience, Borinsky relates the story of her own family—Eastern European Jews, with one-way tickets to Buenos Aires, refugees from the countries that “spat them out and massacred those who stayed on.” Borinsky herself becomes an exile, fleeing Argentina after the take-over of a bloody military dictatorship. She understood, then, her grandfather's lessons: “There's nothing like languages to save your life, open your mind, speed you

away from persecution.” As a writer of poetry, fiction, and essays, the author also knows intimately the struggles of writing from between worlds, between languages. In these pages, we encounter Russian Vladimir Nabokov, writing in English in the United States; Argentine writer Julio Cortázar in Paris; Polish writer, Witold Gombrowicz in Buenos Aires; Alejandra Pizarnik, Argentine writer for whom exile is a state of mind; Jorge Luis Borges, labyrinthine traveler in time and space; Isaac Bashevis Singer, a Jewish writer in New York driven from Poland by the Nazis; Latino writers Oscar Hijuelos, Cristina Garcia, and Junot Diaz; and Clarice Lispector, transplanted from Ukraine, to Brazil, to Europe, and the United States. Not surprisingly, these charismatic and artistic people, as well as many others in Borinsky’s nearly encyclopedic associations, inhabit equally intriguing circles. She introduces us to a wide range of friends and lovers, mentors and detractors, compatriots and hosts. We come away with a terrific breadth of knowledge of 20th-century literature and culture in exile—its uneasy obsessions, its difficult peace, its hard-won success.

The Generation of '72 Brantley Nicholson, Sophia A. McClennen, 2014-03-21 Caught between the well-worn grooves the Boom and the Gen-X have left on the Latin American literary canon, the writing intellectuals that comprise what the Generation of '72 have not enjoyed the same editorial acclaim or philological framing as the literary cohorts that bookend them. In sociopolitical terms, they neither fed into the Cold War-inflected literary prizes that sustained the Boom nor the

surge in cultural capital in Latin American cities from which the writers associated with the Crack and McOndo have tended to write. This book seeks to approach the Generation of '72 from the perspective of cosmopolitanism and global citizenship, a theoretical framework that lends a fresh and critical architecture to the unique experiences and formal responses of a group of intellectuals that wrote alongside globalization's first wave.
