**Better Off Wed** Laura Durham,2009-10-06 The murder of a particularly difficult mother-of-the-bride has cast a pall on wedding planner Annabelle Archer's latest triumph -- and suspicion falls heavily on her sometime-business partner and friend Richard Gerard. Annabelle knows that even her trusted wedding emergency kit won't be able to salvage their careers if she and Richard can't find the real culprit. It's no easy task since the slain matron was perhaps the most hated socialite in D.C., but Annabelle navigates through the city's colorful wedding industry and powerful social scene on the deadly trail of a killer. Always the bridal consultant and never the bride, she's seen her fair share of bouquet tosses. But there's no telling what surprises a ruthless killer will throw her way if she gets too close.

The Brookvilles Rianna Shaikh,2016-06-07 A rendezvous in France finds Sophie Becks in a whirlwind of romance entwined with family gossips and overstated chateaux. Her overly austere father and her mother, the First Lady of the Brookvilles, push her in the direction of accepting the proposal of Luc: a Frenchman with exquisite taste for life's fineries and a lifestyle she is well accustomed to. While Sophie and her cousin Pierre jaunt to the coast of St. Jean Cap Ferrat in France, will she be tempted to reunite with her ex--an Arabian playboy--or steady herself for the oath of I do? A life of decision awaits. Most importantly, she must choose between the love that once beckoned or her upbringing in an elite society that most can only dream of. Destiny is calling--will Sophie Becks be able to keep up in her Christian Louboutins? Or will her father's last request throw her into a life untraveled? Quelle vie!

Wanted Caren Gallimore,2018-11-24 Caitlyn Daniels didn't plan to fall in love, least of all with a wanted outlaw. However, when Dakota Cabe rides into town, she loses her heart to him for she sees the man beneath the tough façade of a hard-hearted desperado. When the sheriff forces him out of town, she is devastated. Even as she understands Dakota reasons to

protect her from bounty hunters, she'd rather live on the run than without him. But he didn't ask, and she didn't tell him she was pregnant. Her pride wouldn't allow her. After her son is kidnapped, she collides with Dakota, surprisingly on the same mission. She needs a man as cold, brutal, and cunning as the man who has her son; she needs Dakota Cabe. Former lovers, now desperados, they put their past aside to save their son. Together they confront vicious outlaws, friends turned enemies, and an unruly love neither of them can deny or control.

**Sociopath** Patric Gagne, 2024-04-02 An engrossing, “completely fascinating” (Cosmopolitan) memoir revealing the author’s struggle to come to terms with her own sociopathy and shed light on the often maligned and misunderstood mental disorder. Patric Gagne realized she made others uncomfortable before she started kindergarten. Something about her caused people to react in a way she didn’t understand. She suspected it was because she didn’t feel things the way other people did. Emotions like fear, guilt, and empathy eluded her. For the most part, she felt nothing. And she didn’t like the way that “nothing” felt. In college, Patric finally confirmed what she’d long suspected. She was a sociopath. But even though it was the very first personality disorder identified—well over 200 years ago—sociopathy had been neglected by mental health professionals for decades. She was told there was no treatment, no hope for a normal life. But when Patric reconnects with an old flame, she gets a glimpse of a future beyond her diagnosis. If she’s capable of love, it must mean that she isn’t a like the madmen and evil villains in pop culture. With the help of her sweetheart (and some curious characters she meets along the way) she embarks on a mission to prove that the millions of Americans who share her diagnosis aren’t all monsters either. This is the inspiring story of Patric’s journey to unlock the true nature of sociopathy and build a life of love and hope against all odds.

*Sucked In* Shane Maloney,2008 Now pushing fifty, Murray Whelan is spinning his wheels in parliament - a toothless cog in Labor's stalled political machine. But when the remains of a long-lost union official are found in dried-up Lake Nillahcootie, Murray soon gets sucked into some murky waters. For a start, it seems that his old mate Charlie Talbot was implicated. But Charlie has just dropped dead of a coronary occlusion in the dining room of the Mildura Grand Hotel, leaving behind a lot of unanswered questions. The press are sniffing around and Labor's enemies are lining up for a free kick. Then there's the blackmail attempt. And as if that wasn't enough, there's an ALP preselection going pear-shaped. Eagerly awaited by his legion of fans, Shane Maloney's sixth Murray Whelan mystery sees the clown prince of the true believers in vintage form.

Silver Lake Peter Gadol,2011-06-01 Two architects, two men turning forty who have been involved professionally and personally for twenty years, are beginning to see their practice and their marriage falter. One Fall day, a peculiar young man drifts into their storefront office claiming he has car trouble, asking to use the phone. The men get to talking; the young stranger is curious but enchanting, and one of the architects ends up playing tennis with him that afternoon, ultimately inviting him home for dinner. The ensuing evening involves a lot of wine and banter and then increasingly dark conversation, and when the stranger has had too much to drink, the two men insist he sleep in their guest room. During the night, the stranger commits an act of violence which shatters the architects' ordered lives, each man in his own way over the days and months that follow coping with blossoming doubt and corrosive secrets.

She tries to stay away from him, but something keeps calling her back. Bonnie is the burst of color in Cromwell's darkness. He's the beat that makes her heart skip. But when a shadow falls over Bonnie, it's up to Cromwell to be her light, in the only way he knows how. He must help her find the lost song in her fragile heart. He must keep her strong with a symphony only he can compose. A symphony of hope. A symphony of love. A symphony of them.
