## Benjamin Lamb-Books

**A Rhetorical Analysis of the Speeches of Frederick Douglass During and After the Civil War** George Asher Hinshaw, 1972

**A Rhetorical Analysis of Selected Speeches by Frederick Douglass** Sandra Sue Scott Collins, 1970

**Frederick Douglass's Curious Audiences** Terry Baxter, 2004-05 This book attempts to answer a fundamental question: How did Douglass manage to persuade anyone about the evils of slavery, and even impress viewers with his personal qualities, when his speeches were commonly considered mere entertainment, in the same category as Barnum's circus acts? In answering this question, Terry Baxter provides a means of understanding the positive responses of Frederick Douglass's white audiences and African American celebrities' roles as both objects of consumption and vehicles for social change.

**Frederick Douglass** David B. Chesebrough, 1998-01-26 Frederick Douglass, once a slave, was one of the great 19th century American orators and the most important African American voice of his era. This book traces the development of his rhetorical skills, discusses the effect of his oratory on his contemporaries, and analyzes the specific oratorical techniques he employed. The first part is a biographical sketch of Douglass's life, dealing with his years of slavery (1818-1837), his prewar years of freedom (1837-1861), the Civil War (1861-1865), and postwar years (1865-1895). Chesebrough emphasizes the centrality of oratory to Douglass's life, even during the years in slavery. The second part looks at his oratorical techniques and concludes with three speeches from different periods. Students and scholars of communications, U.S. history, slavery, the Civil War and Reconstruction, and African American studies will be interested in this book.

**Understanding Political Persuasion: Linguistic and Rhetorical Analysis** Douglas Mark Ponton, 2020-04-02 This book builds on the consolidated research field of Political Discourse Analysis and attempts to provide an introduction suitable for adoption amongst a readership wishing to understand some of the principles underlying such research, and above all to appreciate how the tools of discourse analysis might be applied to actual texts. It summarises some of the work that has been done in this field by authorities such as Halliday, Fairclough, Wodak, Chilton, Van Dijk, Martin, Van Leeuwen and others to provide the would-be analyst with practical ideas for their own research. Naturally, this would not be the first time that such a handbook or introductory reference book has been proposed. Fairclough himself recently produced one; however, his work, simply entitled Political Discourse Analysis, inevitably includes theoretical insights from his own research. The beginning

analyst can, at times, experience a sense of bewilderment at the mass of theoretical writing in linguistics, in the search for some practical, usable tools. I explain a variety of such tools, demonstrating their usefulness in application to the analysis of a number of political speeches, from different historical periods and diverse social contexts. The author's hope is that would-be students of political rhetoric, of whatever level and from a variety of research areas, will be able to pick up this book and find tools and techniques that will assist them in actual work on texts. Naturally, it is also hoped that they will be inspired to follow up the suggestions for further reading which they will find in the bibliography.

**Understanding Rhetoric** Eamon M. Cunningham, 2020-01-01 *Understanding Rhetoric: A Guide to Critical Reading and Argumentation* is a composition textbook that outlines three essential skills – rhetoric, argument, and source-based writing – geared towards newcomers and advanced students alike. Though comprehensive in its coverage, the book's focus is a simple one: how to move beyond a gut reaction while reading to an articulation of what is effective and what is not, while explicitly answering the most important question of Why? This text gets at this central concern in two fundamental ways. First, the text teaches composition as a cumulative process, coaching you how to question, challenge, and expand on not just the readings you hold in your hands, but also how to interrogate the internal processes of writing and thinking. The book's blend of composition methods detail the cross-point of product and process to turn reading and writing from a matter of coming up with answers to questions to learning what type of questions need to be asked in the first place. The right questions, the text argues, are fundamentally rhetorical in nature. Second, the content of the practice-based chapters is framed into a larger mesh of intellectual history to show how the writing and thinking you are doing today is continuous with a long history of writing instruction that goes back to the ancient world. This book provides equal representation from classical and contemporary theory with the recognition that theory cannot be fully grasped without practice, and practice cannot be fully understood without its theoretical antecedent. After all, you can't write outside the box until you know where the box is and what it looks like.

**Appeals in Modern Rhetoric** M. Jimmie Killingsworth, 2005-09-26 *Appeals in Modern Rhetoric: An Ordinary-Language Approach* introduces students to current issues in rhetorical theory through an extended treatment of the rhetorical appeal, a frequently used but rarely discussed concept at the core of rhetorical analysis and criticism. Shunning the standard Aristotelian approach that treats ethos, pathos, and logos as modes of appeal, M. Jimmie Killingsworth uses common, accessible language to explain the concept of the rhetorical appeal—meaning the use of language to plead and to please. The result is a practical and innovative guide to understanding how persuasion works that is suitable for graduate and undergraduate courses yet still addresses topics of current interest to specialists. Supplementing the volume are practical and theoretical approaches to the construction and analysis of rhetorical messages and brief and readable examples from popular culture, academic discourse, politics, and the verbal arts. Killingsworth draws on close readings of primary texts in

the field, referencing theorists to clarify concepts, while he decodes many of the basic theoretical constructs common to an understanding of identification. Beginning with examples of the model of appeals in social criticism, popular film, and advertising, he covers in subsequent chapters appeals to time, place, the body, gender, and race. Additional chapters cover the use of common tropes and rhetorical narrative, and each chapter begins with definitions of key concepts.

*Lecturing the Atlantic* Tom F. Wright, 2017-04-06 In the early nineteenth century, the public lecture emerged as one of the Anglo-American world's most important cultural forms. On both sides of the Atlantic, audiences and performers transformed a cultural practice with origins in the medieval cloister into an unexpected flashpoint medium of public life. In the United States, as part of the lyceum movement, lecturing became crucial to literary and political life, multiple social reform movements, and the rise of public intellectualism, offering speakers from across the cultural spectrum a platform from which to promote their ideas and explain contemporary life. *Lecturing the Atlantic* argues for a new interpretation of this neglected institution. It reorients our understanding of the lyceum by seeing it as an international and cross-media phenomenon patterned by cultural investment in an Anglo-American commons. Tom F. Wright shows how some of the mid-century North Atlantic world's most enduring cultural figures, such as Frederick Douglass, William Makepeace Thackeray, and Ralph Waldo Emerson, as well as fascinating marginal voices such as Lola Montez and John B. Gough, used lecture hall discussions of a transatlantic imaginary to offer powerful commentaries on slavery, progress, comedy, order, tradition, and reform. Crucially, this world was a matter as much of print as performance, since as the book reveals, a remarkable culture of newspaper commentary allowed oratory to resonate far beyond the realm of the lecture hall. Through a series of inventive readings of Anglo-American relations as understood through performance and print re-mediation, Wright connects the transatlantic turn in cultural studies to important recent debates in media theory and public sphere scholarship. *Lecturing the Atlantic* speaks to those interested in the literature and history of Victorian Britain and the early US, to students of performance, communication and rhetoric, and all those seeking a deeper understanding of nineteenth-century public culture.

**African American Rhetoric(s)** Elaine B Richardson, Ronald L Jackson, 2007-02-12 *African American Rhetoric(s): Interdisciplinary Perspectives* is an introduction to fundamental concepts and a systematic integration of historical and contemporary lines of inquiry in the study of African American rhetorics. Edited by Elaine B. Richardson and Ronald L. Jackson II, the volume explores culturally and discursively developed forms of knowledge, communicative practices, and persuasive strategies rooted in freedom struggles by people of African ancestry in America. Outlining African American rhetorics found in literature, historical documents, and popular culture, the collection provides scholars, students, and teachers with innovative approaches for discussing the epistemologies and realities that foster the inclusion of rhetorical discourse in African American studies. In addition to analyzing African American rhetoric, the fourteen contributors project

visions for pedagogy in the field and address new areas and renewed avenues of research. The result is an exploration of what parameters can be used to begin a more thorough and useful consideration of African Americans in rhetorical space.

**The Era of the Civil War--1820-1876** US Army Military History Research Collection, Benjamin Franklin Cooling (III), 1974

*Angry Abolitionists and the Rhetoric of Slavery* Benjamin Lamb-Books, 2016-08-03 This book is an original application of rhetoric and moral-emotions theory to the sociology of social movements. It promotes a new interdisciplinary vision of what social movements are, why they exist, and how they succeed in attaining momentum over time. Deepening the affective dimension of cultural sociology, this work draws upon the social psychology of human emotion and interpersonal communication. Specifically, the book revolves around the topic of anger as a unique moral emotion that can be made to play crucial motivational and generative functions in protest. The chapters develop a new theory of the emotional power of protest rhetoric, including how abolitionist performances of heterodox racial and gender status imaginaries contributed to the escalation of the 'sectional conflict' over American slavery.

**The Woman as Slave in Nineteenth-Century American Social Movements** Ana Stevenson, 2020-02-03 This book is the first to develop a history of the analogy between woman and slave, charting its changing meanings and enduring implications across the social movements of the long nineteenth century. Looking beyond its foundations in the antislavery and women's rights movements, this book examines the influence of the woman-slave analogy in popular culture along with its use across the dress reform, labor, suffrage, free love, racial uplift, and anti-vice movements. At once provocative and commonplace, the woman-slave analogy was used to exceptionally varied ends in the era of chattel slavery and slave emancipation. Yet, as this book reveals, a more diverse assembly of reformers both accepted and embraced a woman-as-slave worldview than has previously been appreciated. One of the most significant yet controversial rhetorical strategies in the history of feminism, the legacy of the woman-slave analogy continues to underpin the debates that shape feminist theory today.

Resources in Education , 1988

**Peculiar Rhetoric** Bjorn F. Stillion Southard, 2019-06-27 Winner of the 2020 Marie Hochmuth Nichols Award from the Public Address Division of the National Communication Association The African colonization movement occupies a troubling rhetorical territory in the struggle for racial equality in the United States. For white colonizationists, the movement seemed positioned as a welcome compromise between slavery and abolition. For free blacks, colonization offered the hope of freedom, but not within America's borders. Bjørn F. Stillion Southard indicates how politics and identity were negotiated amid the intense public debate on race, slavery, and freedom in America. Operating from a position of power, white advocates argued that colonization was worthy of massive support from the federal government. Stillion Southard pores over

the speeches of Henry Clay, Elias B. Caldwell, and Abraham Lincoln, which engaged with colonization during its active deliberation. Between Clay's and Caldwell's speeches at the founding of the American Colonization Society (ACS) in 1816 and Lincoln's final public effort to encourage colonization in 1862, Stillion Southard analyzes the little-known speeches and writings of free blacks who wrestled with colonization's conditional promises of freedom. He examines an array of discourses to probe the complex issues of identity confronting free blacks who attempted to meaningfully engage in colonization efforts. From a peculiarly voiced "Counter Memorial" against the ACS to the letters of wealthy black merchant Louis Sheridan negotiating for his passage to Liberia to the civically minded orations of Hilary Teage in Liberia, Stillion Southard brings to light the intricate rhetoric of blacks who addressed colonization to Africa.

**Persuasion and Social Movements** Charles J. Stewart, Craig Allen Smith, Robert E. Denton, Jr., 2012-06-05 Conflict over moral, religious, social, political, and economic values fuel social movements. People form organized collectivities to promote or to oppose changes in societal norms and values. The steady growth in globalization and access to information have increased the perception of threats to identity, values, and culture. *Persuasion and Social Movements* provides a solid foundation for understanding how people collectively shape society. The latest edition marks three decades of synthesizing, applying, and extending research and theories about the persuasive efforts of social movements. Historic and current examples illustrate the many facets of social movement persuasion: Persuasion is inherently practical; we can study it most profitably by examining the functions of persuasive acts. Even apparently irrational acts make sense to the actor. Effective analysis discovers the reasoning behind the acts. People create and comprehend their world through symbols, and it is people who create, use, ignore, or act on these symbolic creations. Although they remain important in social movement persuasion, speeches are now one of many resources for organizing and carrying out a variety of protests. New technologies have transformed how social movements come into existence, constitute organizations, establish coalitions, pressure institutions, and communicate with a wide variety of audiences. Social movements sometimes sell conspiracy theories to skeptical audiences, justify inherently divisive tactics, and use violence as a rhetorical strategy. Institutions and countermovements have a variety of strategies for resistance.

**Rhetorical and Critical Approaches to Public Relations II** Robert L. Heath, Elizabeth L. Toth, Damion Waymer, 2009-03-04 This volume illustrates the application of rhetorical theory and critical perspectives to explain public relations practices. It provides a systematic and coherent statement of the crucial guidelines and philosophical underpinnings of public relations, and it uses a rhetorical lens to give practitioners a clear sense of how their PR campaigns make a contribution to the organizational bottom line.

**The Oxford Handbook of Political Leadership** R. A. W. Rhodes, Paul 't Hart, 2014 Political leadership has returned to the forefront of research in political science in recent years, after several years of neglect. This Handbook provides a broad-

ranging and cohesive examination of the study of political leadership.

**The Rhetoric of Social Intervention** Susan K. Opt, Mark A. Gring, 2009 The first-ever thorough exploration and discussion of the rhetorical model of social invention [RSI] (initially conceived by rhetorical theorist William R. Brown) for today's students and scholars.

The Routledge Handbook of Rhetoric and Power Nathan Crick, 2024-10-04 This handbook represents the first comprehensive disciplinary investigation into the relationship between rhetoric and power as it is expressed in different aspects of society. Providing conceptual and empirical foundations for the study of the relationship between different forms of rhetorical expression and diverse structures, practices, habits, and networks of power, The Routledge Handbook of Rhetoric and Power is divided into six parts: Theoretical Foundations Propaganda, Politics, and the State Resistance and Social Movements Culture, Society, and Identity Discourses of Technique and Organization Prospects for the Future The guiding principle of this handbook is that power represents a capacity for coordinated action grounded in specific historical, technological, political, and economic conditions. It suggests that rhetoric is an art that adapts to these conditions and finds ways to transform, create, or undermine these capacities in other people through self-conscious persuasion. Featuring contributions from key scholars, this accessibly written handbook will be an indispensable resource for researchers and students in the fields of rhetoric, writing studies, communication studies, political communication, and social justice.

*English Literature A-Level (ZIMSEC) Past Exam Questions and Model Answers* David Chitate, 2024-06-07 Unlock your full potential with our unparalleled Literature in English Past Exam Question Bank for ZIMSEC A-Level exams. ### **Frederick Douglass Rhetorical Analysis Introduction**

Frederick Douglass Rhetorical Analysis Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Frederick Douglass Rhetorical Analysis Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Frederick Douglass Rhetorical Analysis : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Frederick Douglass Rhetorical Analysis : Has an extensive

collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Frederick Douglass Rhetorical Analysis Offers a diverse range of free eBooks across various genres. Frederick Douglass Rhetorical Analysis Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Frederick Douglass Rhetorical Analysis Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Frederick Douglass Rhetorical Analysis, especially related to Frederick Douglass Rhetorical Analysis, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Frederick Douglass Rhetorical Analysis, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Frederick Douglass

Rhetorical Analysis books or magazines might include. Look for these in online stores or libraries. Remember that while Frederick Douglass Rhetorical Analysis, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Frederick Douglass Rhetorical Analysis eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Frederick Douglass Rhetorical Analysis full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Frederick Douglass Rhetorical

Analysis eBooks, including some popular titles.

### **FAQs About Frederick Douglass Rhetorical Analysis Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper

lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Frederick Douglass Rhetorical Analysis is one of the best book in our library for free trial. We provide copy of Frederick Douglass Rhetorical Analysis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Frederick Douglass Rhetorical Analysis. Where to download Frederick Douglass Rhetorical Analysis online for free? Are you looking for Frederick Douglass Rhetorical Analysis PDF? This is definitely going to save you time and cash in something you should think about.
