

Men On The Bag

Daniel F McAuley

Androgynous Objects Maureen A. MacKenzie, 2019-01-25 Androgynous Objects explores the way meaning is encoded in material culture by focusing on the androgynous symbolism of the looped string bag, or bilum, of the Telefol people of Central New Guinea. The web of meanings 'woven' into the bag is shown to extend beyond women's lives and bodies. It is open to manipulation and reformation in a variety of contexts and is used by both Telefol women and men to explore, and so explain the complexities and ambiguities inherent in their social life.

The First Testament John Goldingay,2018-09-04 Most Bible translations bend the text toward us, making the rough bits more palatable to our modern sensibilities. In this Old Testament translation, John Goldingay sets our expectations off balance by inviting us to hear the strange accent of the Hebrew text unbaptized in pious religiosity. Translating consistently, word by word, this unique interpretation allows us to read the sacred text through fresh eyes.
