**Nothing Like the Movies** Lynn Painter,2025-09-02 Grieving from his father's death, Wes breaks up with Liz, but is now determined to win her back with grand romantic gestures despite her resistance and the presence of a new guy friend, leading him to question if their relationship is truly over.

**Not Like the Movies** Kerry Winfrey,2020-07-07 What happens when your life is a rom-com . . . but you don't even believe in true love? Chloe Sanderson is an optimist, and not because her life is easy. As the sole caregiver for her father, who has early-onset Alzheimer's, she's pretty much responsible for everything. She has no time—or interest—in getting swept up in some dazzling romance. Not like her best friend, Annie, who literally wrote a rom-com that's about to premiere in theaters across America . . . and happens to be inspired by Chloe and her cute but no-nonsense boss, Nick Velez. As the buzz for the movie grows, Chloe reads one too many listicles about why Nick is the perfect man, and now she can't see him as anything but Reason #4: The scruffy-bearded hunk who's always there when you need him. But unlike the romance Annie has written for them, Chloe isn't so sure her own story will end in a happily-ever-after.

**Not Like Us** Richard Pells,2008-08-04 Debunking the myth of the Americanization of Europe, a noted historian presents an authoritative and engrossing cultural history of how America tried to remake Europe in its own image, and how the Europeans successfully retained their identity in the face of American mass culture. Pells provides a new paradigm for understanding the survival of local and national cultures in a global setting.

**Nothing Like a Dame** Eddie Shapiro, 2014-01-31 In *Nothing Like a Dame*, theater journalist Eddie Shapiro opens a jewelry box full of glittering surprises, through in-depth conversations with twenty leading women of Broadway. He carefully selected Tony Award-winning stars who have spent the majority of their careers in theater, leaving aside those who have moved on or occasionally drop back in. The women he interviewed spent endless hours with him, discussing their careers, offering insights into the iconic shows, changes on Broadway over the last century, and the art (and thrill) of taking the stage night after night. Chita Rivera describes the experience of starring in musicals in each of the last seven decades; Audra McDonald gives her thoughts on the work that went into the five Tony Awards she won before turning forty-one; and Carol Channing reflects on how she has revisited the same starring role generation after generation, and its effects on her career. Here too is Sutton Foster, who contemplates her breakout success in an age when stars working predominately in theater are increasingly rare. Each of these conversations is guided by Shapiro's expert knowledge of these women's careers, Broadway lore, and the details of famous (and infamous) musicals. He also includes dozens of photographs of these players in their best-known roles. This fascinating collection reveals the artistic genius and human experience of the women who have made Broadway musicals more popular than ever—a must for anyone who loves the theater.

Not Like Home Michael John Law, 2019-08-15 In the decade of economic expansion following the Second World War, many ordinary Americans travelled abroad for the first time. Those who visited Britain were surprised to find that the people they encountered were not the aristocrats or working-class ciphers they knew from Hollywood movies. Britons' views of Americans were likewise informed by films and by encounters with the American military during the war. Based on over thirty personal accounts of Americans travelling to Britain in the 1950s, *Not Like Home* examines how direct contact influenced the relationships between these two groups and their attitudes towards each other. Michael John Law explains that prejudice on both sides was replaced by the realities of direct encounters. Painting an evocative portrait of Britain in the 1950s as seen through the eyes of outsiders, Law depicts the characteristics and practices of these American visitors and compares them to their caricatures in British newspapers and magazines. Going to Britain was a transformative experience for most American visitors, providing a link to a shared history and culture. In turn, their arrival influenced British life by providing a reality check on Hollywood's portrayal of American life and through their demands for higher standards in Britain's hotels, restaurants, and trains. Through an engaging narrative incorporating unpublished reports of American visits to Britain, *Not Like Home* describes the exciting and sometimes confounding mid-century encounters between two very different cultures.

**Not Like Me** Eric Michael Bryant, 2010 How can churches become relevant, responsive, and reflective of the global community? With stories, observations, and thought-provoking suggestions, Bryant maps the way beyond ethnic, racial, and cultural barriers to the communities that Jesus wants. (*Practical Life*)

**The Essays of Leonard Michaels** Leonard Michaels,2010-02-15 NONFICTION FROM ONE OF THE STRONGEST AND MOST ARRESTING PROSE TALENTS OF HIS GENERATION (LARRY MCMURTRY) Leonard Michaels was a writer of unfailing emotional honesty. His memoirs, originally scattered through his story collections, are among the most thrilling evocations of growing up in the New York of the 1950s and '60s—and of continuing to grow up, in the cultural turmoil of the '70s and '80s, as a writer, teacher, lover, and reader. The same honesty and excitement shine in Michaels's highly personal commentaries on culture and art. Whether he's asking what makes a story, reviewing the history of the word relationship, or reflecting on sex in the movies, he is funny, penetrating, surprising, always alive on the page. The Essays of Leonard Michaels is the definitive collection of his nonfiction and shows, yet again, why Michaels was singled out for praise by fellow writers as diverse as Susan Sontag, Larry McMurtry, William Styron, and Charles Baxter. Beyond autobiography or criticism, it is the record of a sensibility and of a style that is unmatched in American letters.
