This book gives yarn lovers -- both knitters and non-knitters alike -- 50 ways to use their stashes without taking out their knitting needles. The projects are simple, but with a modern aesthetic. Get your hot glue gun fired up, adhere some pompoms to an old office chair, and make the most ho-hum seat in your house into a cozy piece of pop art furniture. This book will strike a chord with DIYers who love yarn but don't always want to take the time and effort to knit something from it. Projects also include a Sputnik lamp shade, a welcome mat, friendship bracelets, and even a rehabbed woven lawn chair.

A Girl fo the Limberlost Gene Stratton-Porter, The scene is laid in the same country as that of "Freckles", which appeared a few years before. A number of the characters in Freckles are introduced here, and Elnora, the chief character, has the same deep love for the woods that possessed the boy Freckles. Challenges and Objections Luteria Archambault, 2014-05 I felt I had been placed in the center of something that was alive, pulsating with life. I knew God had placed me there and that he was in control. As I stood there sobbing, I felt something the consistency of liquid being poured over my head again and again. It ran down the entire length of my body. My knees buckled and I fell to the floor from the weight of it. With each pour I felt a love for my father that was so big and powerful that I actually felt my body would burst. This was not a natural love; it was far greater. As this liquid was being poured upon me, I became aware of a powerful presence in the room. Then I heard the Lord say to me, I had to anoint you so that you could feel just a little of the love I have for your father.
