The Soul of a Hero Stephen Arterburn, David Stoop, 2021-06-08 If you are a man who is stuck and empty and ready for change, this is the book for you. If you are someone who would love to see the man in your life with the spark you used to see in his eyes, this book is a superb gift for him. When people hear the word hero these days, the movie cliché of a superhero rescuing a desperate woman instantly comes to mind. But answering the call to be a godly hero is far from that mistaken scenario. The lives of too many guys are full of pain and frustration and an aimless desire to either medicate the pain or find another victim to rescue—the furthest thing from being a hero. The world needs men who are running on all cylinders, passionate about what they do. In *The Soul of a Hero*, bestselling authors and respected counselors Stephen Arterburn and David Stoop guide men to a better, hope-filled life by helping them rediscover their true God-given calling: to be a hero. When men live into their true identity as heroes, temptations lose their allure and depression gives way to energy. Men who once felt as if their best years were behind them find a second wind to help them live every moment to its fullest. This book calls and equips men to become the heroes their wives, sons, daughters, friends, and coworkers want and need them to be. In *The Soul of a Hero*, you will learn how to start from empty and transform yourself into a man who is thriving with purpose, joy, and true grit.

My Soul Shall Make Her Boast in The Lord - 40 days & 40 nights of Confidence Building Felicia Grayer, 2020-03-11 Being assigned to people of many ethnic backgrounds, men & women, Rev. Your existence in this world is undisputed! Getting to know your origin through God's eyes will change your life! This book will change what you think you knew about yourself and the world at large.

The religions, though was intended to achieve peace in society, have unfortunately been one of the main reasons for wars, crimes, destruction, and genocides because of the intolerance among the believers since faith is blind. Rationality had been and is the first casualty. 2) All the religions are the gifts of the East. The gifts of the west are communism and Atheism. 3) Things once considered as blasphemies have come to be accepted as truth. The example of Galileo Galilei is remarkable. 5) The governing principles have been evolutionary. There can never be a uniformed pattern of governance as peoples differ in their thinking and beliefs for that reasons there have been clashes of civilization down the ages. 6) The exploration of our solar systems is the result of endless and insatiable urge in man to unravel nature. The achievements of science and technology belong to the whole of humanity.
