Ark of the Covenant Jonathan Gray, 2018-03-14 THEY CALLED IT A HOAX UNTIL ONE MAN WENT TO PROVE IT... THE UNEXPECTED TRUTH SHOCKED GRAY. IT WILL SHOCK YOU, TOO! For 800 years, the Ark of the Covenant was the most sacred object in the world. In 586 BC it vanished. 2,500 years later, American amateur archaeologist Ron Wyatt claimed to have found the Ark of the Covenant. He was promptly ordered by the host government not to reveal certain information. Jonathan Gray set out with a briefcase full of objections against Wyatt's claims. However, intense investigation, repeated visits to dig sites, and privileged viewing of evidence and artifacts leave him totally convinced.

Blood and Glory J. Morlock, 2019-12-21 This book discusses The Ark of the Covenant closely associated with the Holy Bible; its history, role, and use, its construction. It also discusses excavational history leading up to what could be the answer to the question concerning its current location. It further talks about the astonishing adventures of Ron Wyatt, his discovery of the Ark in 1982, and The Blood of Christ that ended up sprinkled onto the Mercy Seat of the Ark of The Covenant.

THE RETURN OF THE ROYAL STUARTS 2024 AND HOW DREAMS CAN AFFECT YOUR LIFE Maria Davis, With this book, Maria Davis and His Majesty King Charles the 1st, who is alive and is not AI, make a claim for the throne of England and the United States as the rightful Monarchs.

Under Jerusalem Andrew Lawler, 2023-09-26 A spellbinding history of the hidden world below the Holy City—a saga of biblical treasures, intrepid explorers, and political upheaval “A sweeping tale of archaeological exploits and their cultural and political consequences told with a historian’s penchant for detail and a journalist’s flair for narration.” —Washington Post In 1863, a French senator arrived in Jerusalem hoping to unearth relics dating to biblical times. Digging deep underground, he discovered an ancient grave that, he claimed, belonged to an Old Testament queen. News of his find ricocheted around the world, evoking awe and envy alike, and inspiring others to explore Jerusalem’s storied past. In the century and a half since the Frenchman broke ground, Jerusalem has drawn a global cast of fortune seekers and missionaries, archaeologists and zealots, all of them eager to extract the biblical past from beneath the city’s streets and shrines. Their efforts have had profound effects, not only on our understanding of Jerusalem’s history, but on its hotly disputed present. The quest to retrieve ancient Jewish heritage has sparked bloody riots and thwarted international peace agreements. It has served as a cudgel, a way to stake a claim to the most contested city on the planet. Today, the earth below Jerusalem remains a

battleground in the struggle to control the city above. Under Jerusalem takes readers into the tombs, tunnels, and trenches of the Holy City. It brings to life the indelible characters who have investigated this subterranean landscape. With clarity and verve, acclaimed journalist Andrew Lawler reveals how their pursuit has not only defined the conflict over modern Jerusalem, but could provide a map for two peoples and three faiths to peacefully coexist.

A Gay Epiphany Robert K. Pavlick, 2010-12-22 "A Gay Epiphany" is basically my autobiography, the autobiography of a "man of no importance", but it is really much more than that. It covers a 55 year journey beginning with an innocent young child's search for God, complicated by the conflicting dogmas and interpretations of institutional Christianity and coupled with growing up gay in the 1950's and 60's. The book covers the struggles of a young man who wants only to serve God, but who meets with nothing but religious hostility and condemnation from institutional Christianity due to his homosexuality. It addresses many areas of study including comparative religion, Eastern philosophy, New Age, The Christian Right, politics, The American Dream, fundamentalism, misinterpretation of religious texts, authenticity of the Bible itself and many other related topics quoting from specialists in those fields of study. It is an appeal to religious leaders, parents, educators and legislators to show more compassion towards gay men and women and grant them the full respect and equality to which they are entitled under a secular democracy. It is my gift to my gay brothers and sisters who may still be struggling with how to integrate their sexual identity with their spirituality. It is also intended as my gift to those in the heterosexual community who still may be struggling with which spiritual path, out of the hundreds that exist, would be most advantageous to their spiritual growth. One can either choose a path which believes that "the glass is half empty" or a path which believes that the "glass is half full."

Evidence of the Crucifixion Samuel Cravotta, 2018-08-03 Do we as Christians know the probable locations of the Crucifixion? My personal experience leading to Skull Hill known as Golgotha outlines the events which have led me to become involved with efforts to save Golgotha. Many years ago I experienced a dream about the Crucifixion. I saw the bodies of Jesus and the two thieves as they were being carried away from the cross. A band of angels sang a mournful dirge: Oh Jerusalem, Jerusalem, who stonest the Prophets, Jerusalem, who crucified My Son. I saw the carpenter remove the nails, one of which he handed to me. I woke up seeing the blood of Jesus on my hands. I cried like a baby with the realization that He died for me. After having this vision, I had a deep desire to visit Israel. During my first trip to Jerusalem, I made three visits to Golgotha. I was concerned with the condition of this site. It was choked with the sounds, smells, and appearance of the Jerusalem bus station. On the east side there was new construction of a mosque with two minarets. My heart burned with a desire to do something to restore this Christian holy site. Subsequent trips led me to meet with representatives of major branches of Israeli government. One of many of our goals is the repair and or replacement of the Stone Face which was destroyed during a recent storm. I believe that we must concentrate our efforts on worldwide education to reverse the

desecration of this holy site. The Golgotha Foundation is continuing our efforts to open the eyes of the world to see the place of our Savior's death. We will be blessed and our faith increased when we look upon the place where Jesus the Christ, Yeshua ha Machiach, was crucified.

The Crucifixion Under A Microscope From The Eyes Of A Layman - What Really Happened At The Crucifixion? Don Polson, 2024-08-26 This is a book about the crucifixion and its hidden message that the overall church is unaware of. I never wanted it to be about a person or even the ark of the covenant. I wanted the church and the theologians to see the possibility of a secret message or mystery that allowed the New Covenant and also allowed us entrance into the Kingdom of God. Just to look or analyze and consider the evidence which I have presented in this book, that's all. When I pieced the evidence of this story together how God orchestrated every detail, it deepened my relationship with Him. It is my goal and the primary reason for writing this book is when a non christian reads it they will come to Christ. I am especially thinking of the Jewish people, who have rejected the God of Israel, Isaac and Jacob. This is the part I don't understand? This hidden knowledge would be a deal maker for especially the Jewish people. But because the experts don't even consider the evidence, it has become a deal breaker. When you see the evidence and analysis of Christ's blood I am hoping the reader will fall into the believers column that Christ's blood at Calvary was a ransom of the whole human race.

Final Reckoning Ward Ciappetta, 2005-06 Setting upon on the horizon, the last generation of mankind stands. The current geo-political and religious climate tolls the bell of the prophets warning. The kingdom of God comes.

Antichrist Osiris: the History of the Luciferian Conspiracy Chris Relitz,2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood. Many cultures also claim that someday the world will again be destroyed in a similar fashion. In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event. He said that there would indeed a sign. Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age. The Bible has only a few verses about Noah's Flood. So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy. But Noah's days did not end with the flood, he lived for many years afterward. He saw the creation of a tower in Babylon. This is interesting because the Freemasons claim that their Order originated here. Here is the most thorough examination of Freemasonry ever undertaken, using their own texts, to solve the Days of Noah prophecy.

The Complete Idiot's Guide to the Last Days Richard H. Perry,2006-11-07 Get ready for Judgment Day. For centuries, humans have dreaded—and anticipated—the end of the world. These fears—fueled by natural disasters, famines, world wars, and the writings of people like Nostradamus and Jeane Dixon—have left us with more questions than answers. In *The Complete Idiot's Guide® to the Last Days*, Richard H. Perry goes to the definitive source on the subject: the Bible itself. • While the book is as exciting as an action/adventure novel, the author's primary source is the Bible, and he guides his readers to an understanding of the Last Days by using related Scripture. • Covers Bible basics and the Signs of the Times. • Includes timelines of every stage leading up to the Last Days and after.

Charting the Supernatural Judgements of Planet Earth Jeremiah Asher,2010-08-10 Chapter 3 The First Judgment: The World Prior To Adam There may have been many judgments upon the earth since its beginning millions or billions of years

ago; however, the present commentary will deal only with the last tens of thousands of years of earth's existence. In Genesis 1:2, the verses written by Moses (as author of the Genesis account) portray an earth that was veiled in darkness so that its form could not be discerned. The earth at that time was covered with water (ice) high above the mountain tops so that it gave the appearance of being a dark revolving sphere of frozen water (Table-2). God's spirit is described as hovering over this revolving ball of water and brooding over the sad condition of this dark, void planet. God did not create a dark and dismal planet at the beginning, because God does not create darkness; in fact, darkness is incompatible with His existence and presence. So what had happened that God viewed (Gen. 1:2) such a decrepit state of the world? Does scripture attempt to explain this phenomenon, or does the inspired word of God remain silent on this issue? It was first proposed as a theory by the Scotsman Thomas Chalmers in the early 19th century that a "gap" in time existed between Genesis 1:1 and Genesis 1:2. This gap-in-time would encompass a "ruin-reconstruction theme" and the existence of pre-Adamic living beings. Obviously, a huge catastrophic event would have had to occur to produce this decadent state of the world. The "gap concept" was later popularized by mention in the margin notes of the Scofield Reference Bible.
