Greatest Blacks Ever Ambassador Elliston Rahming ,Briana Louise Cacuci,2017-06-16 From an article entitled “History’s Black Hole” from the January 10, 2016 global edition of the New York Daily News, Arthur Browne opines, “Across every field of endeavor, from the ministry to medicine and from education to entrepreneurship, book merchants balk at memorializing black experience and accomplishments.” Essentially, this book is a celebration of black accomplishments—over centuries and across continents—and seeks to fill a portion of that “black hole.” Of the roughly 7 billion people who inhabit this planet, some 1.5 billion are classified as white, and blacks account for 1.1 billion. The remaining over 4 billion are somewhere in the middle. Yet, throughout the years, a paucity of written materials have recorded the positive influences and myriad contributions that the great number of black citizens have made toward global peace, progress, prosperity, and pleasure.

Power Quotes Danai Krokou,2018-01-03 Would you fancy an intellectual vitamin mix that inspires and motivates you to greatness? Much has changed in the past decades. Genuine wisdom, though, has not. Throughout human history, great leaders have used the power of words to transform our emotions, engage us in their causes, and shape the course of History. The quotes featured in this book are not your typical quotes. Thousands were evaluated and arranged by subject based on their relevance, originality, motivational power and depth of meaning. You will notice that certain quotes are a call to action while others an opportunity for contemplation. The book is divided into three main sections. Each section is introduced by personal theories on life, business and leadership. Theories I live and swear by. T. D. Jakes Jordan Baker,2015-11-17 T.D. JakesThe Best of T.D. Jakes - Life Lessons, Inspiration and Best QuotesT. D. Jakes has been credited as America's Next Billy Graham and it's not hard to see why. From his simple beginnings to million dollar ministry establishment, he has taken the church in America by storm. While you might recognize his face from his many best-selling books, you may be somewhat less familiar with how he grew to be so famous, and what exactly he is teaching. Well, this book covers a brief overview of his life as well as looking at some of his teachings in his own words, the role his wife Serita plays in the ministry, some of the public controversies he's been involved in with recent years, and the legacy he leaves behind to the next generation of young African American men and women looking to improve their lives.

100 WAYS TO LIVE Hlompho Phamodi,2016-12-12 I will never forget my first inspiring quote that I ever wrote, I was about fifteen years old and I actually still have it today, because I wrote it on my bed with a permanent marker. It read: 'He who knows not and knows he knows not, is a wise man, but he who knows not and does not know that he knows not is a fool'- Unknown This quote was one of the many quotes that inspired me to write my own wisdom quotes, and since fifteen years old, I have written a lot of them. This is my favorite collection of 100 that include my personal quotes and some from great men and woman that have inspired me. They will bless you; inspire you to be the best you can be. They are a road map to success; they contain Gods principles, life, wisdom and inspiration in them.
