From the very first page, you'll find that this book is written in a clear, engaging, and accessible manner. No prior musical experience? No problem! Each chapter is structured to take you from the basics of holding the guitar and tuning it, to playing your first chords and songs. With step-by-step instructions, detailed illustrations, and practical tips, you'll feel confident and excited to pick up your guitar every day as a beginner. Master Essential Chords and playing skills! One of the key focuses of this book is chord mastery. Understanding and playing chords as a beginner is fundamental to your guitar-playing journey. Learn to play the guitar in 50 days - Magic Chords breaks down the most essential chords into easy-to-understand diagrams and explanations. You'll learn how to transition smoothly between chords, play popular chord progressions, and develop strumming patterns that will give life to your music. By the end of the book, you'll have a repertoire of chords that will enable you to play a wide variety of songs. We believe that the best way to stay motivated is to play the music you love. That's why this book includes a selection of popular songs across different genres that you can start playing almost immediately. From classic rock and pop hits to timeless acoustic ballads, you'll find something that resonates with your musical taste. Each song is accompanied by chord diagrams tailored to beginners, so you can start jamming right away. Are you a beginner? Don't wait any longer. Start your musical journey today with the best guitar book for beginners. Learn chords, play your favorite songs on your guitar, and experience the joy of making music with Learn to play the guitar in 50 days - Magic Chords. Why is it unique among guitar book for beginners? Here are 12 convincing arguments: 1. Short, comprehensible theoretical guide with illustrations at the beginning 2. Tabs and chords of the 200 best-known international hits played most often at guitar parties and gatherings in one place 3. The songs are transposed to the easiest chords to play, making it easy to practice 4. If you use a cap, we show you where to put it for the original tone 5. The chords of the original key are also indicated 6. Chords are in the right place, right where you need to

switch (no sliding) 7. You will find a pictorial illustration of each chord in each song right next to the tab 8. The songs are grouped into 5 levels of difficulty, the level of difficulty is indicated for each song 9. We start with easy-to-play songs and gradually move towards more difficult songs 10. At the beginning of the book, you can find all the presented guitar tabs in a table, which you can open immediately by clicking on the title of the song (you don't have to scroll there, your index finger won't get tired 11. By clicking on the orange arrow next to the songs, you can jump back to the above-mentioned table 12. Thanks to the digital format, you can practically project the guitar tabs onto the screen, so everyone has access to the lyrics and chords of the song in a group This guitar book is more than just a collection of chords and techniques. It's a roadmap for your growth as a beginner guitarist. Whether your ambition is to strum your favorite songs around a campfire, perform on stage, or compose your own music, this guide will equip you with the tools, knowledge, and inspiration you need.
