Evangelism Althea Marchelle Brown,2009-06 DR. ALTHEA MARCHELLE BROWN serves as an ordained itinerant elder in the Fourth Episcopal District and served in that position in the Sixth Episcopal District of the AME Church. She earned her Master of Divinity from Turner Theological Seminary, at the Interdenominational Theological Center in Atlanta, Georgia; and a Doctor of Ministry from the Ecumenical Theological Seminary in Detroit, Michigan. Her other two books, published by AuthorHouse, are Holy Spirit: Fruit and Gift Seminar and Praise and Worship: Heaven's Street Address. These guidebooks and study aides are practical and authoritative resources for church leaders and practitioners in ministry.

Turn the Pulpit Loose P. Pope-Levison,2016-04-30 Turn the Pulpit Loose features the lives and words of eighteen women evangelists including Sojourner Truth and Evangeline Booth, and lesser-known figures such as Jarena Lee (an African Methodist from the early 1800s) and Uldine Utley (a child evangelist in the early 1900s) who helped to shape American religious life from the nation's infancy to the present. Highlighting substantial primary sources - sermons, articles, diaries, letters, speeches, and autobiographies - Priscilla Pope-Levison weaves together fascinating narratives of each woman's life: her conversion and calling to preach, her primary evangelistic method, and her reflections about women in general. This anthology, complete with photographs of each evangelist, is an indispensable resource for a wide range of academic fields, including religion, history, women's studies, and literature.

All the Men of the Bible/All the Women of the Bible Compilation Herbert Lockyer, 2016-11-22 The Life and Times of All the Men and Women of the Bible Bringing together two books in one convenient volume, All the Men/All the Women of the Bible is a portrait gallery and reference library of over 3,400 named biblical characters. Taken from the time-honored "All" series by Dr. Herbert Lockyer, this book mines the wealth of Scripture to give you characters you can learn from, teachings you can apply, and promises you can stand on. All the Men This monumental book puts comprehensive information on the men of the Bible at your fingertips, including a list of major characters. Besides named individuals, it also classifies the thousands upon thousands of unnamed men. It includes a guide to the often complex pronunciations of biblical names. And it explores the attributes of Jesus, God's model for biblical manhood. All the Women From Abi to Zipporah, discover how the lives and character of different biblical women, named and unnamed, mirror the situations of women today. More than 400 profiles offer fascinating insights into the Bible's multidimensional women. Wives, mothers, single women, prophetesses, queens, leaders, villainesses, and heroines—all are portrayed in rich, thought-provoking detail.

Converting Women Eliza F. Kent, 2004-04-01 With the emergence of Hindu nationalism, the conversion of Indians to Christianity has become a volatile issue, erupting in violence against converts and missionaries. At the height of British colonialism, however, conversion was a path to upward mobility for low-castes and untouchables, especially in the Tamil-speaking south of India. In this book, Eliza F. Kent takes a fresh look at these conversions, focusing especially on the experience of women converts and the ways in which conversion transformed gender roles and expectations. Kent argues that the creation of a new, respectable community identity was central to the conversion process for the agricultural laborers and artisans who embraced Protestant Christianity under British rule. At the same time, she shows, this new identity was informed as much by elite Sanskrit customs and ideologies as by Western Christian discourse. Stigmatized by the dominant castes for their ritually polluting occupations and relaxed rules governing kinship and marriage, low-caste converts sought to validate their new higher-status identity in part by the reform of gender relations. These reforms affected ideals of femininity and masculinity in the areas of marriage, domesticity, and dress. By the creation of a discourse of respectability, says Kent, Tamil Christians hoped to counter the cultural justifications for their social, economic, and sexual exploitation at the hands of high-caste landowners and village elites. Kent's focus on the interactions between Western women missionaries and the Indian Christian women not only adds depth to our understanding of colonial and patriarchal power dynamics, but to the intricacies of conversion itself. Posing an important challenge to normative notions of conversion as a privatized, individual moment in time, Kent's study takes into consideration the ways that public behavior, social status, and the transformation of everyday life inform religious conversion.

Tennessee Women Beverly Greene Bond, Sarah Wilkerson Freeman, 2015-07 The second volume of *Tennessee Women: Their Lives and Times* contains sixteen essays on Tennessee women in the forefront of the political, economic, and cultural history of the state and assesses the national and sometimes international scope of their influence. The essays examine women's lives in the broad sweep of nineteenth- and twentieth-century history in Tennessee and reenvision the state's past by placing them at the center of the historical stage and examining their experiences in relation to significant events. Together, volumes 1 and 2 cover women's activities from the early 1700s to the late 1900s. Volume 2 looks at antebellum issues of gender, race, and class; the impact of the Civil War on women's lives; parades and public celebrations as venues for displaying and challenging gender ideals; female activism on racial and gender issues; the impact of state legislation on marital rights; and the place of women in particular religious organizations. Together these essays reorient our views of women as agents of change in Tennessee history.

Daughters of the Church Ruth A. Tucker, Walter L. Liefeld, 2010-08-10 Rich in historical events and colorfully written, this fascinating account of women in the church spans nearly two thousand years of church history. It tells of events and aspirations, determination and disappointment, patience and achievement that mark the history of daughters of the church from the time of Jesus to the present. The authors have endeavored to present an objective story. The very fact that readers may find themselves surprised now and again by the prominent role of women in certain events and movements proves an inequality that historical narrative has often been guilty of. This is a book about women. It is a setting straight off the record - a restoring of balance to history that has repeatedly played down the significance of the contributions of women to the theology, the witness, the movements, and the growth of the church. An exegetical study of relevant Scripture passages offers stimulating thought for discussion and for serious reevaluation of historical givens. This volume is enriched by pictures, appendixes, bibliography, and indexes. Like many of the women whose stories it tells, this book has a subdued strength that should not be underestimated.

Women Pioneers in Continental European Methodism, 1869-1939 Paul W. Chilcote, Ulrike Schuler, 2018-08-06 Despite the fact that women are often mentioned as having played instrumental roles in the establishment of Methodism on the Continent of Europe, very little detail concerning the women has ever been provided to add texture to this historical tapestry. This book of essays redresses this by launching a new and wider investigation into the story of pioneering

Methodist women in Europe. By bringing to light an alternative set of historical narratives, this edited volume gives voice to a broad range of religious issues and concerns during the critical period in European history between 1869 and 1939. Covering a range of nations in Continental Europe, some important interpretive themes are suggested, such as the capacity of women to network, their ability to engage in God's work, and their skill at navigating difficult cultural boundaries. This groundbreaking study will be of significant interest to scholars of Methodism, but also to students and academics working in history, religious studies, and gender.
