

Glosa 12 De Octubre

Robert R. Redfield

La primitiva poesía popular hispánica y la glosa cancioneril Adolfo E. Jiménez Benítez, 1989

Diario oficial Colombia, 1869

Prontuario de delitos y penas y otras materias Agustín González Angulo, 1868

Recopilación de los decretos y ordenes expedidos en el estado de Veracruz, desde 1840 hasta 1852, 1853

Escritos selectos Pedro Grases, Arturo Uslar Pietri, 1989

Iluminado artificio, 2022-10-12 Este libro recoge más de treinta aproximaciones a la obra de Mercedes Roffé desde distintas perspectivas: la crítica académica, el ensayo literario y el periodismo cultural; un compendio de lecturas que señalan a la autora como una de las voces claves de la poesía hispanoamericana. Su trayectoria dentro del actual campo literario argentino e internacional le confiere un lugar de poeta faro. Los trabajos aquí reunidos destacan algunos de los aspectos más sobresalientes de su poética. La originalidad de su voz, el posicionamiento ético de su escritura, la relación palabra/imagen, el cuestionamiento de la institución literaria y la figura de autor, su concepción del micro-ensayo como vehículo de la reflexión metapoética, su personal acercamiento a la fotografía abstracta y la presentación de un dispositivo óptico en el poema son algunos de los temas que abordan estos textos. Los escritos de poetas y estudiosos de diversas latitudes incluidos en esta antología no sólo prueban la importancia y el alcance de la poesía de Roffé, sino también aspiran a convertirse en un nuevo punto de partida para la puesta en valor de esta obra admirable.

La huella del movimiento estudiantil chileno del año 2011 Fernández Labbé, Juan, 2021-11-25 El movimiento estudiantil chileno del año 2011 representó un impulso inédito por la educación como derecho social en un marco de profunda mercantilización, así como por su reivindicación como espacio de participación y democracia. Su relevancia superó el ámbito educacional, alcanzando las esferas político-institucional y cultural. Fue eco de trayectorias previas y generador de efectos cuya estela aún se observa en el acontecer sociopolítico del país. El libro aborda este proceso, inicia con el marco más amplio de movilizaciones sociales desde el año 2006, describe de modo detallado los repertorios de acción y la dinámica desplegada el año 2011 entre el movimiento y el Estado, y analiza sus consecuencias políticas y culturales. El análisis se basa en una exhaustiva revisión documental y en la realización de grupos de discusión que dan voz de modo privilegiado a activistas secundarios y universitarios, en cuyos discursos es posible delinear diversas dimensiones de su experiencia en torno al

movimiento y a su proyección en el tiempo. Las acciones de protesta fueron diversas, con significados y potencial de politización diferenciados; la política fue resignificada y las demandas experimentaron una maduración; en la experiencia de los activistas hubo aprendizajes, unidad, quiebres, miedos, represión, tensiones entre la solidaridad colectiva y las estrategias individuales, esperanza y desilusión; mientras que, por su parte, la agenda pública se abrió; hubo rearticulación de actores políticos; se impulsaron iniciativas legislativas y, finalmente, se instalaron sentidos comunes que contribuyeron a definir el curso de los cambios en los años posteriores.

El perdón real en Castilla(siglos XIII-XVIII) María Inmaculada Rodríguez Flores, 1971

Sacerdotes para siempre Carlos Miguel Buela, 2014-01-10 «Reflexiones sobre el sacerdocio bajo sus aspectos teológicos, filosóficos, pastorales, morales y litúrgicos, podría ser un subtítulo de la erudita obra: SACERDOTES PARA SIEMPRE del Padre CARLOS MIGUEL BUELA, Fundador del “Instituto del Verbo Encarnado” para misioneros ad Gentes y de las “Servidoras del Señor y de la Virgen de Matará”. Y con decir esto, ya tenemos sobrada presentación para acreditar al autor, como experto en vocaciones sacerdotales y religiosas. Al respetable volumen de la obra, con más de 800 páginas, se agrega la fluidez y calidad de su escritura, constituyendo un arsenal de citas de textos escogidos de la Biblia, los Santos Padres, Mensajes Pontificios y Documentos Conciliares, especialmente de Trento y Vaticano II, síntesis este último Concilio Pastoral, de toda la doctrina católica, compendiada a su vez en el Catecismo de la Iglesia Católica» (Pbro. Victorino Ortego. Tomado del prólogo del libro).
